Reimbursement for Costs of Remedial Action at Active Uranium and Thorium Processing Sites

AGENCY: Office of Environmental Management, Department of Energy.

ACTION: Notice of the acceptance of Title X claims for reimbursement in fiscal year (FY) 2006 and the acceptance of plans for subsequent remedial action.

SUMMARY: This Notice announces the Department of Energy (DOE) acceptance of claims in FY 2006 from eligible active uranium and thorium processing sites for reimbursement under Title X of the Energy Policy Act of 1992. For FY 2006, Congress has appropriated approximately \$20 million for reimbursement of certain costs of remedial action at these sites. The approved amount of claims submitted during FY 2005 and unpaid approved balances for claims submitted in FY 2004 will be paid by April 28, 2006, subject to the availability of funds. If the available funds are less than the total approved claims, these payments will be prorated, if necessary, based on the amount of available FY 2006 appropriations, unpaid approved claim balances (approximately \$0.45 million), and claims received in May 2005 (approximately \$22 million).

This also provides notice of the continuing DOE acceptance of plans for subsequent decontamination, decommissioning, reclamation, and other remedial action (Plans for Subsequent Remedial Action). If Title X licensees expect to incur remedial action costs for remedial action after December 31, 2007, licensees must submit a Plan for Subsequent Remedial Action during calendar year (CY) 2005 or 2006, and DOE must approve a Plan submitted by a licensee by the end of CY 2007, if the costs incurred after CY 2007 are to be eligible for reimbursement.

DATES: The closing date for the submission of claims in FY 2006 is May 1, 2006. These new claims will be processed for payment by April 27, 2007, together with unpaid approved claim balances from prior years, based on the availability of funds from congressional appropriations. Plans for Subsequent Remedial Action must be submitted no later than December 31, 2006.

ADDRESSES: Claims and Plans for Subsequent Remedial Action should be forwarded by certified or registered mail, return receipt requested, to the U.S. Department of Energy, 19901
