

Final Results of Review

We made no changes to the *Preliminary Results*; thus, we continue to find the following margin exists during the period July 16, 2004, through July 31, 2005:

**CERTAIN FROZEN WARMWATER
SHRIMP FROM THE PRC**

Exporter/manufacturer	Weighted-average margin (percent)
Zhanjiang Regal Integrated Marine Resources Co., Ltd.	0.00

Assessment Rates

The Department will issue appropriate appraisement instructions directly to U.S. Customs and Border Protection ("CBP") for Zhanjiang Regal within 15 days of publication of the final results of this review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis*.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of these results of the new shipper review for all shipments of subject merchandise from Zhanjiang Regal entered, or withdrawn from warehouse, for consumption on or after the publication date: (1) For subject merchandise manufactured and exported by Zhanjiang Regal, no cash deposit will be required; (2) for subject merchandise exported by Zhanjiang Regal but not manufactured by itself, the cash deposit rate will continue to be the PRC-wide rate, (*i.e.*, 112.81 percent); and (3) for subject merchandise produced by Zhanjiang Regal, but not exported by Zhanjiang Regal, the cash deposit rate will be the rate applicable to the exporters. These requirements will remain in effect until publication of the final results of the next administrative review.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the

reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This new shipper review and notice are in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i) of the Act and 19 CFR 351.214(h).

Dated: November 20, 2006.

SUPPLEMENTARY INFORMATION:

Background

On July 31, 2006, the Department of Commerce (the Department) received a request from Santiago Comercio Exterior Sociedad Anonima (SANCO) to defer for one year the initiation of the July 1, 2005 through June 30, 2006 administrative review of the antidumping duty order on Individually Quick Frozen (IQF) Red Raspberries from Chile with respect to SANCO in accordance with 19 CFR 351.213(c). The Department received no objections to this request from any party cited in 19 CFR 351.213(c)(1)(ii).

On August 30, 2006, the Department published *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 71 FR 51573 (Aug. 30, 2006) ("*Initiation Notice*"). In the *Initiation Notice*, the Department inadvertently included SANCO, despite SANCO's pending, unopposed request for deferral. We have granted SANCO's request for deferral. Therefore, we are correcting the *Initiation Notice* to defer for one year the initiation of the July 1, 2005 through June 30, 2006 administrative review of IQF Red Raspberries with respect to SANCO in accordance with 19 CFR 351.213(c).

Stainless Steel Bar from Germany: Extension of Time Limit for the Preliminary Results of the New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 4, 2006.

FOR FURTHER INFORMATION CONTACT: Damian Felton or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone (202) 482-0133 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 26, 2006, the Department of Commerce ("the Department") published a notice of initiation of a new shipper review of the antidumping duty order on stainless steel bar from Germany covering the period March 1, 2005, through February 28, 2006 (71 FR 24642). On May 10, 2006, Schmiedewerke Groditz GmbH ("SWG") agreed to align the new shipper review with the ongoing fourth administrative review and waive the accelerated time limits for completion of the new shipper review. On July 28, 2006, the fourth administrative review was rescinded. (71 FR 42804). However, the new shipper review remains on the administrative review time line. The preliminary results for this new shipper review are currently due no later than December 1, 2006.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Due to the complexity of the issues in this case, including the need to issue another supplemental questionnaire, it is not practicable to complete the preliminary results of this review within the original time limit (*i.e.*, December 1, 2006). Therefore, the Department is partially extending the time limit for completion of the preliminary results to no later than March 15, 2007.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: November 27, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Notice of Extension of Time Limit for Final Results of Administrative Review: Polyethylene Terephthalate (PET) Film from India

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: December 4, 2006.

FOR FURTHER INFORMATION CONTACT: Elfi Blum, Nicholas Czajkowski, or Toni Page, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0197, (202) 482-1395, or (202) 482-1398, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 8, 2006, the Department of Commerce (the Department) published in the **Federal Register** the preliminary results of the administrative review of the countervailing duty order on polyethylene terephthalate (PET) film from India. *See Notice of Preliminary Results and Rescission, in Part, of Countervailing Duty Administrative Review: Polyethylene Terephthalate Film, Sheet, and Strip from India*, 71 FR 45037 (August 8, 2006). The current deadline for the final results of review is December 6, 2006.

Extension of Time Limits for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of the review within 120 days after the date on which notice of the preliminary results were published in the **Federal Register**. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days from the date of publication of the preliminary results.

The Department finds that it is not practicable to complete the review within the original time frame due to the complex nature of the case. As this case involves a large number of programs under review, the Department needs additional time to review information gathered at verification and to give parties time to submit subsequent comments. Consequently, in accordance with section 751(a)(3)(A) of

the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the deadline for completion of the final results of the administrative review by 60 days. As the 180th day falls on a Sunday, the final results will now be due no later than February 5, 2007.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 28, 2006.

Deputy Assistant Secretary for Import Administration.
