*Real Discount Rates.* A forecast of real interest rates from which the inflation premium has been removed and based on the

Analyses of programs with terms different from those presented above may use a linear interpolation. For example, a four-year project can be evaluated with a rate equal to the average of the three-year and five-year rates. Programs with durations longer than 30 years may use the 30-year interest rate.

**RAILROAD RETIREMENT BOARD**

**Proposed Collection; Comment Request**

**SUMMARY:** In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

*Comments are invited on:* (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

**Title and Purpose of Information Collection**

*Nonresident Questionnaire; OMB 3220-0145.*

Under Public Laws 98-21 and 98-76, benefits under the Railroad Retirement Act payable to annuitants living outside the United States may be subject to taxation under United States income tax laws. Whether the social security equivalent and non-social security equivalent portions of Tier I, Tier II, vested dual benefit, or supplemental annuity payments are subject to tax withholding, and whether the same or different rates are applied to each payment, depends on a beneficiary's citizenship and legal residence status, and whether exemption under a tax treaty between the United States and the country in which the beneficiary is a legal resident has been claimed. To effect the required tax withholding, the Railroad Retirement Board (RRB) needs to know a nonresidents citizenship and legal residence status.

To secure the required information, the RRB utilizes Form RRB-1001, Nonresident Questionnaire, as a supplement to an application as part of the initial application process, and as an independent vehicle for obtaining the needed information when an annuitant's residence or tax treaty status changes. Completion is voluntary. One response is requested of each respondent.

The RRB estimates that 1,300 Form RRB-1001's are completed annually. The completion time for Form RRB-1001 is estimated at 30 minutes. No

changes are proposed to Form RRB-1001.

**SECURITIES AND EXCHANGE COMMISSION**

**Proposed Collection; Comment Request**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

*Extension:*  
 Rule 15c2-7; SEC File No. 270-420; OMB Control No. 3235-0479.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission

(Commission) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 15c2-7 Identification of Quotations.

Rule 15c2-7 enumerates the requirements with which all brokers and dealers must comply when submitting a quotation for a security (other than a municipal security) to an inter-dealer quotation system.

It is estimated that there are 8,500 brokers and dealers. Industry personnel estimate that approximately 900 notices are filed pursuant to Rule 15c2-7 annually. Based on industry estimates that respondents complying with Rule 15c2-7 spend 30 seconds to add notice of an arrangement and 1 minute to delete notice of an arrangement, the staff estimates that, on an annual basis, respondents spend a total of 11.25 hours to comply with Rule 15c2-7, based upon past submissions. The average cost per hour is approximately \$35. Therefore, the total cost of compliance for brokers and dealers is approximately \$393.75.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549.

## SECURITIES AND EXCHANGE COMMISSION

### Issuer Delisting; Notice of Application of CITGO Petroleum Corporation To Withdraw its 7<sup>7/8</sup>% Senior Notes (Due May 15, 2006), From Listing and Registration on the New York Stock Exchange, Inc. File No. 1-14380

January 20, 2006.

On January 12, 2006, CITGO Petroleum Corporation, a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 12d2-2(d) thereunder,<sup>2</sup> to withdraw its 7<sup>7/8</sup>% senior notes (due May 15, 2006) ("Security"), from listing and registration on the New York Stock Exchange, Inc. ("NYSE").

On August 30, 2004, the Board of Directors ("Board") of the Issuer adopted resolutions to withdraw the Security from listing and registration on NYSE. The Issuer stated that the Board determined that it is in the best interest of the Issuer and the holders of the Security to delist the Security from NYSE and to withdraw from registration under section 12(b) of the Act.<sup>3</sup> The Issuer stated the reasons that factored into the Board's decision to withdraw the Security from listing on NYSE included a determination that the benefits of continued listing were outweighed by the administrative burdens, particularly since the adoption of the Sarbanes-Oxley Act of 2002 has resulted in more stringent corporate governance rules and increased costs of compliance. The Issuer also stated that in November 2005, the Issuer completed a tender offer for the Security pursuant to Board approval. As a result of such tender offer, only approximately \$14,300,000 of the original \$200,000,000 face amount of the Security remains outstanding.

The Issuer stated in its application that it has complied with the NYSE's rules governing an issuer's voluntary withdrawal of a security from listing and registration by complying with all applicable laws in the State of Delaware, in which the Issuer is incorporated, and by providing NYSE with the required documents governing the removal of securities from listing and registration on NYSE.

The Issuer's application relates solely to the withdrawal of the Security from

listing on NYSE and from registration under section 12(b) of the Act,<sup>4</sup> and shall not affect its obligation to be registered under section 12(g) of the Act.<sup>5</sup>

Any interested person may, on or before February 10, 2006, comment on the facts bearing upon whether the application has been made in accordance with the rules of NYSE, and what terms, if any, should be imposed by the Commission for the protection of investors. All comment letters may be submitted by either of the following methods:
