OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Determination of Eligibility for Retroactive Duty Treatment Under the Dominican Republic—Central America—United States Free Trade Agreement

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: Pursuant to Section 205(b) of the Dominican Republic—Central America—United States Free Trade Agreement Implementation Act (the Act), the United States Trade Representative (USTR) is providing notice of her determination that Guatemala is an eligible country for purposes of retroactive duty treatment as provided in Section 205 of the Act.

DATES: *Effective Date:* July 14, 2006.

ADDRESSES: Inquiries may be mailed, delivered, or faxed to Abiola Heyliger, Director of Textile Trade Policy, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, fax number, (202) 395-5639.

FOR FURTHER INFORMATION CONTACT: Abiola Heyliger, Office of the United States Trade Representative, 202-395-3026.

SUPPLEMENTARY INFORMATION: Section 205(a) of the Act (Pub. Law 109-53; 119 Stat. 462, 483; 19 U.S.C. 4034) provides that certain entries of textile or apparel goods of designated eligible countries that are parties to the Dominican Republic—Central America—United States Free Trade Agreement (CAFTA-DR) made on or after January 1, 2004 may be liquidated or reliquidated at the applicable rate of duty for those goods established in the Schedule of the United States to Annex 3.3 of the CAFTA-DR. Section 205(b) of the Act requires the USTR to determine, in accordance with Article 3.20 of the CAFTA-DR, which CAFTA-DR

countries are eligible countries for purposes of Section 205(a). Article 3.20 provides that importers may claim retroactive duty treatment for imports of certain textile or apparel goods entered on or after January 1, 2004 and before the entry into force of CAFTA-DR from those CAFTA-DR countries that will provide reciprocal retroactive duty treatment or a benefit for textile or apparel goods that is equivalent to retroactive duty treatment.

Pursuant to Section 205(b) of the Act, I have determined that Guatemala will provide an equivalent benefit for textile or apparel goods of the United States within the meaning of Article 3.20 of the CAFTA-DR. I therefore determine that Guatemala is an eligible country for purposes of Section 205 of the Act.

Susan C. Schwab,

U.S. Trade Representative.

SUPPLEMENTARY INFORMATION:

Variable-Rate Premiums

Section 4006(a)(3)(E)(iii)(II) of the Employee Retirement Income Security Act of 1974 (ERISA) and § 4006.4(b)(1) of the PBGC's regulation on Premium Rates (29 CFR part 4006) prescribe use of an assumed interest rate (the "required interest rate") in determining a single-employer plan's variable-rate premium. The required interest rate is the "applicable percentage" (currently 85 percent) of the annual yield on 30-year Treasury securities for the month preceding the beginning of the plan year for which premiums are being paid (the "premium payment year"). The required interest rate to be used in determining variable-rate premiums for premium payment years beginning in July 2006 is 4.39 percent (*i.e.*, 85 percent of the 5.16 percent Treasury Securities Rate for June 2006).

The Pension Funding Equity Act of 2004 ("PFEA")—under which the required interest rate is 85 percent of the annual rate of interest determined by the Secretary of the Treasury on amounts invested conservatively in long-term investment grade corporate bonds for the month preceding the beginning of the plan year for which premiums are being paid—applies only for premium payment years beginning in 2004 or 2005. Congress is considering legislation that would extend the PFEA rate for one more year. If legislation that changes the rules for determining the required interest rate for plan years beginning in July 2006 is adopted, the PBGC will promptly publish a **Federal Register** notice with the new rate.

The following table lists the required interest rates to be used in determining variable-rate premiums for premium payment years beginning between August 2005 and July 2006.

| For premium payment years beginning in: | The required interest rate is: |
|---|--------------------------------|
| August 2005 | 4.56 |
| September 2005 | 4.61 |
