It is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing online at <http://www.regulations.gov> without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. Information claimed as CBI and other information whose disclosure is restricted by statute is not included in the official public docket or in the electronic public docket. EPA's policy is that copyrighted material, including copyrighted material contained in a public comment, will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. B. How and To Whom Do I Submit Comments?

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment and with any disk or CD-ROM you submit. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the <http://www.regulations.gov> Web site to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment. In contrast to EPA's electronic public docket, EPA's electronic mail (e-mail) system is not an "anonymous access" system. If you send an e-mail comment directly to the Docket without going through <http://www.regulations.gov>, your e-mail address is automatically captured and included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket.

Proposed Consent Decree, Clean Air Act Citizen Suit

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed consent decree; request for public comment.

SUMMARY: In accordance with section 113(g) of the Clean Air Act, as amended ("Act"), 42 U.S.C. 7413(g), notice is hereby given of a proposed consent decree, to address a deadline suit filed by Sierra Club: *Sierra Club v. Johnson*, No. 05CV02177 (RMC) (D. DC). On July 9, 2002 and November 18, 2002, Sierra Club petitioned EPA to object to certain Clean Air Act Title V permit amendments proposed by the Georgia Environmental Protection Division for steam generating plants at (1) Georgia Power's Bowen Steam-Electric Generating Plant ("the Bowen plant") and (2) the Bowen, McDonough/Atkinson, Yates, Hammond, Wansley, Scherer, and Branch Steam-Electric Generating Plants (collectively "the seven power plants") in the State of Georgia. Subsequently, Sierra Club filed suit, alleging that the Administrator failed to perform his nondiscretionary duty to respond to the petitions within sixty days of the date they were filed. Under the terms of today's proposed consent decree, EPA has agreed to respond to the petitions by March 15, 2006, and Sierra Club has agreed that if EPA does so, Sierra Club will dismiss its suit with prejudice. In addition, EPA has agreed to pay Sierra Club a specified amount in settlement for attorneys' fees in this matter.

DATES: Written comments on the proposed consent decree must be received by March 13, 2006.

ADDRESSES: Submit your comments, identified by Docket ID number EPA-HQ-OGC-2006-0105, online at <http://www.regulations.gov> (EPA's preferred method); by e-mail to oei.docket@epa.gov; mailed to EPA Docket Center, Environmental Protection Agency, Mailcode: 2822T, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001; or by hand delivery or courier to EPA Docket Center, EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC, between 8:30 a.m. and 4:30 p.m. Monday through Friday, excluding legal holidays. SUPPLEMENTARY INFORMATION:

I. Additional Information About the Proposed Consent Decree

This proposed consent decree would resolve a deadline suit to require EPA to respond to two administrative petitions that EPA object to certain Title V permit amendments proposed by the Georgia Environmental Protection Division for the Bowen plant and the seven power plants in the State of Georgia. Under the proposed decree, Sierra Club would agree to dismiss the lawsuit if the Administrator responds to the petitions by March 15, 2006. The consent decree does not specify the type of response that the Administrator must make to the petitions. If the consent decree becomes final and the Administrator responds to the petitions by March 15, 2006, Sierra Club will dismiss the case and EPA will pay Sierra Club a specified amount in settlement of its claims for attorneys' fees.

For a period of thirty (30) days following the date of publication of this notice, the Agency will receive written comments relating to the proposed consent decree from persons who were not named as parties or interveners to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines, based on any comment which may be submitted, that consent to the consent decree should be withdrawn, the terms of the decree will be affirmed.
