

immediate re-entry pursuant to proposed NYSE Rule 104.10(6)(iv)(c)(III).

Lastly, conforming changes to NYSE Rule 104.10 have been made consistent with the changes noted above, including necessary numbering changes to certain provisions and certain non-substantive language changes. For example, current NYSE Rule 104.10(6)(i)(D) which governs the ability of the Crowd to prevent the specialist, when liquidating or decreasing a position, from trading on parity with the Crowd during a manual transaction has been re-numbered NYSE Rule 104.10(5)(i)(a)(I)(d). NYSE Rules 70 and 123 have been amended to reflect this provision's new rule number.

The proposed amendments are intended to enhance the specialist's ability to effect transactions for its dealer account to provide support to the Hybrid Market. Under the proposed rule change specialists will, to a greater degree, be able to position themselves to provide more liquidity against the market trend and thus moderate volatility. The proposed amendments provide needed flexibility for specialists to better adapt to the new challenges of the Hybrid Market.

2. Statutory Basis

The Exchange believes that the basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)¹⁴ that an exchange have rules that are designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the NYSE consents, the Commission will:

- (A) By order approve such proposed rule change, or
- (B) Institute proceedings to determine whether the proposed rule change should be disapproved.

[Release No. 34-54485; File No. SR-Phlx-2006-56]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto Relating to Amending the Summary of Index Option and FXI Options Charges and the \$60,000 "Firm Related" Equity Option and Index Option Cap

September 22, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 31, 2006, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. On September 19, 2006, the Exchange submitted Amendment No. 1 to the proposed rule change.³ The Phlx has designated this proposal as one changing a fee imposed by the Phlx under section 19(b)(3)(A)(ii) of the Act⁴ and Rule 19b-4(f)(2) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule

change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx proposes to remove the reference to options listed on the iShares FTSE/Xinhua China 25 Index Fund ("FXI Options") from the Exchange's Summary of Index Option and FXI Options Charges. Therefore, the Exchange proposes to charge transactions involving FXI Options according to the Exchange's Summary of Equity Option Charges, which would, in turn, include payment for order flow charges, effective for trades settling on or after September 1, 2006.

The Exchange also proposes to delete references to Full-size index options ("QCX") and Mini index options ("QCE") on the Nasdaq Composite Index, Inc.⁶ from its current Summary of Index Option and FXI Options Charges and \$60,000 "Firm Related" Equity Option and Index Option Cap, as these products are no longer listed or traded at the Exchange.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.Phlx.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change, as amended, and discussed any comments it received on the proposed rule change, as amended. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange states that it currently charges transactions involving FXI options, an equity option, according to the Exchange's Summary of Index Option and FXI Options Charges. The Exchange states that it began charging FXI Options in the same manner that the Exchange charges for index options

beginning with transactions settling on or after October 19, 2004. The Exchange believed, at that time, that charging FXI Options according to the rates set forth in the Exchange's Summary of Index Option and FXI Options Charges was reasonable for these types of products because the higher charges were to help defray some of the license fees incurred by the Exchange in connection with the listing and trading of FXI Options.

The Exchange states that the purpose of this proposal is to remain competitive with other exchanges that also trade FXI Options pursuant to their respective equity option fee schedules. By assessing transactions involving FXI Options according to the Exchange's Summary of Equity Option Charges, the Exchange believes that the transaction fees would be the same or lower than the charges currently assessed, which should, in turn, encourage more FXI Options business to be transacted on the Exchange. In addition, because FXI Options would now be subject to the Exchange's fee schedule, a payment for order flow fee, as set forth on the Exchange's Summary of Equity Option Charges, may now be charged on FXI Option transactions, which the Exchange believes may also encourage additional order flow.⁷

The Exchange states that the purpose of removing references to QCX and QCE from the Exchange's current Summary of Index Option and FXI Options Charges and \$60,000 "Firm Related" Equity Option and Index Option Cap is to update these fee schedules to reflect the fact that these products have been delisted from, and therefore no longer trade on, the Exchange.

2. Statutory Basis

The Exchange believes that its proposal, as amended, is consistent with section 6(b) of the Act⁸ in general, and furthers the objectives of sections 6(b)(4) of the Act⁹ in particular, in that it is an equitable allocation of reasonable dues, fees, and other charges among Exchange members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change, as amended, has been designated as a fee change pursuant to section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder, because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal, as amended, will take effect upon filing with the Commission. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹²
