## DEPARTMENT OF THE TREASURY

### Privacy Act of 1974; System of Records

**AGENCY:** Treasury.

**ACTION:** Notice of alterations to a Privacy Act System of Records.

**SUMMARY:** The Treasury Department gives notice of the proposed alterations to the system of records entitled, "Treasury .001—Treasury Personnel and Payroll System," which is subject to the Privacy Act of 1974, as amended, 5 U.S.C. 552a.

**DATES:** Comments must be received by October 30, 2006. The proposed altered system of records will become effective November 7, 2006 unless comments are received that would result in a contrary determination.

**ADDRESSES:** Comments should be sent to: Director, HR Connect Program Office, 1750 Pennsylvania Ave., 13th fl., NW., Washington, DC 20220.

**FOR FURTHER INFORMATION CONTACT:** Lynn Eddy, HR Connect Program Office, (202) 622-1520.

**SUPPLEMENTARY INFORMATION:** The HR Connect Program Office (HRCPO) whose mission is to improve human resources systems and service delivery to Treasury and other Federal Government agencies and organizations through the application of innovative enterprise-wide technology. The Departmental and bureau partnership formed to implement the system will aid Treasury and other Federal Government agencies and organizations to meet their primary business needs for an integrated human resources system (HRS) that will increase the timeliness and accuracy of personnel data, assist in streamlining personnel processes and enable users to directly and easily access and enter HR information in a secure environment.

The HR Connect system has been approved by the Office of Personnel Management to provide human resource services to a limited number of non-Treasury Federal departments and agencies. In support of the e-gov initiative for human resources and the President's Management Agenda (PMA) the HR Connect Program has recently submitted its proposal to the Office of Personnel Management to become an official HR line of business for all Federal departments and agencies whose payrolls are processed by the Department of Agriculture National Finance Center (NFC). Under this new Federal strategy there will be only four Federal providers that will service the Federal workforce.

To meet the requirements of Homeland Security Presidential Directive 12 (HSPD-12), the "Categories of records" is being revised. The revision is to clarify that "employee identification data" includes evidence that an applicant or new employee presented acceptable documentation to establish their identity, as shown on the Form I-9.

The notice is, also revising information under "Categories of individuals covered by the system", "Categories of records in the system", "Authority for maintenance of the system", "Purposes", "Retrievability", "System Manager(s)", and "Notification Procedure." The notice also adds a new routine use permitting the disclosure of records for the purpose of providing human resource services to other Federal agencies under cross servicing agreements.

The notice for the system of records was last published in its entirety on August 1, 2005, at 70 FR 44178.

The altered system of records report, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Reform and Oversight of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated November 30, 2000.

The proposed alterations to "Treasury .001—Treasury Personnel and Payroll System—Treasury" are set forth below.

Dated: September 21, 2006.
