Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

Title: Knowledge, Attitudes, and Perceptions of Management Strategies and Regulations in the Florida Keys National Marine Sanctuary.

Form Number(s): None.

OMB Approval Number: 0648–0534. Type of Request: Regular submission. Burden Hours: 5,952.

Number of Respondents: 3,736. Average Hours Per Response: Full survey, 2 hours; non-respondent postcard survey, 2 minutes.

Needs and Uses: This is a ten-year replication of the Knowledge, Attitudes, and Perceptions of the management strategies and regulations of the Florida Keys National Marine Sanctuary (FKNMS) for three user groups: Commercial fishermen, dive shop owners/operators and members of local environmental groups. The original study was done in 1995-96 and was adopted as providing baselines for the Socioeconomic Research and Monitoring Program for the FKNMS. Much has happened since 1995–96 so the study will also provide new baselines for new management strategies and regulations. The most important management strategies and regulations assessed in both the baseline and replication are those related to the special zones created in the FKNMS, especially the no-take areas. The information is important to support the "adaptive management" process in the FKNMS and to support education and outreach efforts. This application revises methods to increase response rates and proposes a study of nonresponse bias for the survey of members of local environmental groups.

Affected Public: Business or other forprofit organizations; individuals or households.

Frequency: One time. Respondent's Obligation: Voluntary. OMB Desk Officer: David Rostker, (202) 395–3897. Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, fax number (202) 395–7285, or David_Rostker@omb.eop.gov.

Dated: April 11, 2006.

Management Analyst, Office of the Chief Information Officer.

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA). Title: Economic Surveys for U.S. Commercial Fisheries.

Form Number(s): None. OMB Approval Number: 0648–0369.

Type of Request: Regular submission. Burden Hours: 7,000.

Number of Respondents: 6,000.

Average Hours Per Response: Catcher or for-hire vessel operating cost, annual cost, revenue, effort, employment, ownership, and limited demographic data, 1 hour and 30 minutes; catcher or for-hire vessel operating cost data, 25 minutes; catcher or for-hire vessel annual expenditure and demographic data, 1 hour; West Coast or Alaska processor, including catcher/processor vessels, mothership vessels, floating processing plants, and onshore plants, 8 hours; East Coast or Gulf processor, 1 hour and 30 minutes.

Needs and Uses: This proposed collection of economic data for U.S. commercial fisheries will be used to address statutory and regulatory mandates to determine the quantity and distribution of net benefits derived from living marine resources, as well as predict the economic impacts from proposed management options on commercial harvesters, shoreside

industries, and fishing communities. In particular, the data will be used to meet the requirements of the Magnuson-Stevens Fishery Conservation and Management Act, the National Environmental Policy Act, the Regulatory Flexibility Act, Executive Order 12866 as well as a variety of state statutes.

Affected Public: Business or other forprofit organizations.

Frequency: Annually and on occasion. Respondent's Obligation: Voluntary. OMB Desk Officer: David Rostker, (202) 395–3897.
