

be filed within five days from the deadline date for the submission of case briefs. A list of authorities used, a table of contents, and an executive summary of issues should accompany any briefs submitted to the Department. Executive summaries should be limited to five pages total, including footnotes. Further, we request that parties submitting briefs and rebuttal briefs provide the Department with a copy of the public version of such briefs on diskette. In accordance with section 774 of the Act, the Department will hold a public hearing, if requested, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs, provided that such a hearing is requested by an interested party. If a request for a hearing is made in this investigation, the hearing will tentatively be held two days after the rebuttal brief deadline date at the U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, at a time and in a room to be determined. Parties should confirm by telephone, the date, time, and location of the hearing 48 hours before the scheduled date.

Interested parties who wish to request a hearing, or to participate in a hearing if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days of the publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. At the hearing, oral presentations will be limited to issues raised in the briefs.

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to section 735(a)(2) of the Act, on March 30, 2006, Aero, Kejriwal and Navneet requested that in the event of an affirmative preliminary determination in this investigation, the Department postpone its final determination by 30 days. At the same time, Aero, Kejriwal and Navneet requested that the Department extend by 30 days the application of the provisional measures prescribed under 19 CFR 351.210(e)(2). In accordance with section 733(d) of the Act and 19 CFR 351.210(b), because (1) our preliminary determination is affirmative, (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise, and (3) no compelling reasons for denial exist, we are granting their request and are postponing the final determination until no later than 105 days after the

publication of this notice in the **Federal Register**. Suspension of liquidation will be extended accordingly.

This determination is issued and published pursuant to sections 733(f) and 777(i)(1) of the Act.

Dated: April 7, 2006.

Structural Steel Beams from the Republic of Korea; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 17, 2006.

FOR FURTHER INFORMATION CONTACT: Brian Sheba, Maryanne Burke or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482-0145, (202) 482-5604, or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 31, 2005, the Department of Commerce (the Department) received timely requests from respondents Dongkuk Steel Mill Co., Ltd. (DSM) and INI Steel Company (INI) along with petitioners, Nucor Corp., Nucor-Yamato Steel Co., Steel Dynamics, Inc., and Chaparral Steel Inc. (collectively, petitioners) to conduct an administrative review of the antidumping duty order on structural steel beams from the Republic of Korea. On September 28, 2005, the Department published a notice of initiation of this administrative review, covering the period of August 1, 2004 to July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). The preliminary results are currently due no later than May 3, 2006.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Tariff Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department has determined that it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Tariff Act. We require additional time to develop the record and examine DSM's cost of production data and issues of affiliation. Regarding INI, further analysis is necessary with respect to certain movement expenses. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review to August 31, 2006, which is 365 days from the last day of the anniversary month. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Tariff Act.

Dated: April 4, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Corrosion-Resistant Carbon Steel Flat Products from France and the Republic of Korea: Extension of Time Limit for Preliminary Results of Countervailing Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 17, 2006.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson or Robert Copyak, AD/CVD Operations, Office 3, Import Administration, International Trade

Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4793 or (202) 482-2209, respectively.

SUPPLEMENTARY INFORMATION:

Background Information

On September 28, 2005, the U.S. Department of Commerce (“the Department”) published a notice of initiation of the administrative reviews of the countervailing duty orders on corrosion-resistant carbon steel flat products from France and the Republic of Korea covering the period of review January 1, 2004, through December 31, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 56631 (September 28, 2005). The preliminary results are currently due no later than May 3, 2006.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days.

We determine that completion of the preliminary results of these reviews within the 245-day period is not practicable for the following reason. These reviews are extraordinarily complicated because there are 17 programs being examined in the review covering France and 16 programs being examined in the review covering the Republic of Korea. Given the number of programs, which need to be thoroughly analyzed by the Department, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of reviews by 120 days. Therefore, the preliminary results are now due no later than August 31, 2006. The final results continue to be due 120 days after publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: April 11, 2006.

Deputy Assistant Secretary for Import Administration.
