

rule change to become operative prior to the 30th day after filing.

The Commission has determined that waiving the 30-day operative delay of the Exchange's proposal is consistent with the protection of investors and the public interest and will promote competition because such waiver will allow the Exchange to list additional series in Quarterly Options at the same time as other exchanges.¹³ Therefore, the Commission designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57421; File No. SR-NYSEArca-2008-24]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, Amending Its Schedule of Fees and Charges Applicable to the Option Strategy Executions Pilot Program

March 3, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 26, 2008, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. On February 29, 2008, the Exchange filed Amendment No. 1 to the proposal.³ NYSE Arca has designated this proposal as one establishing or changing a due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A),⁴ and Rule 19b-4(f)(2) thereunder,⁵ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by Amendment No. 1, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca proposes to amend its Schedule of Fees and Charges in order to extend the pilot program that applies to Option Strategy Executions ("Pilot Program") until March 1, 2009. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nysearca.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to extend the Pilot Program that applies to Option Strategy Executions until March 1, 2009.⁶ The transactions included as part of the Pilot Program include reversals and

conversions,⁷ dividend spreads,⁸ box spreads,⁹ short stock interest spreads,¹⁰ and merger spreads.¹¹ Because the referenced Options Strategy Transactions are generally executed by professionals whose profit margins are generally narrow, the Pilot Program caps the transaction fees associated with such executions at \$750 per strategy execution that are executed on the same trading day in the same option class. In addition, there is also a monthly cap of \$25,000 per initiating firm for all strategy executions. The Exchange believes that by keeping fees low, the Exchange is able to attract liquidity by accommodating these transactions. Extending the Pilot Program until March 1, 2009 will allow the Exchange to keep these fees low and thus continue to attract liquidity.

OTP Holders and OTP Firms who wish to benefit from the fee cap will be required to submit to the Exchange forms with supporting documentation (e.g., clearing firm transaction data) to qualify for the cap.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹² in general, and furthers the objectives of Section 6(b)(4),¹³ in particular, in that it is intended to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes that, as proposed, the cap on transaction fees for Strategy Executions applies equally to each member (ETP holder) of the Exchange.

⁷ Reversals and conversions are transactions that employ calls, puts and the underlying stock to lock in a nearly risk free profit. Reversals are established by combining a short stock position with a short put and a long call position that shares the same strike and expiration. Conversions employ long positions in the underlying stock that accompany long puts and short calls sharing the same strike and expiration.

⁸ Dividend spreads are trades involving deep in the money options that exploit pricing differences arising around the time a stock goes ex-dividend.

⁹ A Box spread is a strategy that synthesizes long and short stock positions to create a profit. Specifically, a long call and short put at one strike is combined with a short call and long put at a different strike to create synthetic long and synthetic short stock positions, respectively.

¹⁰ A short stock interest spread is a spread that uses two deep in the money put options of the same class followed by the exercise of the resulting long position in order to establish a short stock interest arbitrage position.

¹¹ A merger spread is a transaction executed pursuant to a strategy involving the simultaneous purchase and sale of options of the same class and expiration date, but with different strike prices followed by the exercise of the resulting long option position.

¹² 15 U.S.C. 78f(b).

¹³ 15 U.S.C. 78f(b)(4).

The Exchange further believes that by keeping fees low with the proposed cap, the Exchange is able to attract liquidity by accommodating these transactions.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁴ and subparagraph (f)(2) of Rule 19b-4 thereunder,¹⁵ because it establishes or changes a due, fee or other charge imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁶

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-NYSEArca-2008-24 on the subject line.

¹⁶ For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers the period to commence on February 29, 2008, the date on which NYSE Arca filed Amendment No. 1. See 15 U.S.C. 78s(b)(3)(C).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57417; File No. SR-NYSEArca-2008-26]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Make Permanent Two Pilot Programs That Increase Position and Exercise Limits on Equity Options

March 3, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 29, 2008, NYSE Arca, Inc. ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated this proposal as non-controversial under Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange seeks to make permanent two pilot programs that increase position and exercise limits for equity options. The text of the proposed rule change is available on the Exchange's Web site (<http://www.nyse.com>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange seeks to make permanent two pilot programs that increase position and exercise limits for equity options. The Exchange proposes to amend Rule 6.8, Position Limits, and Rule 6.9, Exercise Limits, to permanently establish the increased limits of the two pilot programs. Rule 6.8 subjects equity options to one of five different position limits depending on the trading volume and outstanding shares of the underlying security. Rule 6.9 establishes exercise limits for equity options at the same levels as the applicable position limits.

The first pilot program, the "Rule 6.8 Pilot Program," commenced on February 25, 2005, and provides for an increase to the standard (or "non-pilot") positions and exercise limits for equity option contracts and for options on the PowerShares QQQ Trust ("QQQ").⁵

The second pilot program, the "iShares^{reg}; Russell 2000^{reg}; Index Fund ('IWM') Option Pilot Program," commenced on January 29, 2007, and increases the position and exercise limits for IWM options from 250,000 contracts to 500,000 contracts.⁶

The IWM Option Pilot Program doubles the position and exercise limits for IWM options under the Rule 6.8 Pilot Program. See NYSEArca Rule 6.8, Commentary .06(g). Absent both of these pilot programs, the standard position and exercise limit for IWM options is 75,000 option contracts.

The standard position limits were last increased nine years ago, on December

⁵ The Rule 6.8 Pilot Program was effective upon filing on February 25, 2005. See Securities Exchange Act Release No. 51286 (March 1, 2005), 70 FR 11297 (March 8, 2005) (SR-PCX-2003-55). ⁶ The proposal that established the IWM Pilot Program was effective upon filing. See Securities Exchange Act Release No. 55185 (January 29, 2007), 72 FR 5481 (February 6, 2007) (SR-NYSEArca-2007-10). The IWM Pilot Program was subsequently extended and is due to expire on March 1, 2008.
