Announcement of Funding Awards for the Housing Counseling Program for Fiscal Year 2006

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545), this announcement notifies the public of funding decisions made by the Department in a Super Notice of Funding Availability (NOFA) competition for funding of HUD-approved counseling agencies to provide counseling services. Appendix A contains the names and addresses of the agencies competitively selected for funding and the award amounts. Intermediaries are listed first and subsequent awards are grouped by their respective HUD Homeownership Center. Additionally, this announcement lists the noncompetitive housing counseling awards made by the Department.

FOR FURTHER INFORMATION CONTACT: Ruth Román, Director, Program Support Division, Office of Single Family Housing, Department of Housing and Urban Development, 451 Seventh Street,

SW., Room 9274, Washington, DC 20410-8000, telephone (202) 708-0317. Hearing- or speech-impaired individuals may access this number by calling the Federal Information Relay Service on (800) 877-8339. (This is a toll free number.)

SUPPLEMENTARY INFORMATION: The Housing Counseling Program is authorized by Section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x). HUD enters into agreement with qualified public or private nonprofit organizations to provide housing counseling services to low- and moderate-income individuals and families nationwide. The services include providing information, advice and assistance to the homeless, renters, first-time homebuyers, homeowners, and senior citizens in areas such as pre-purchase counseling, financial management, property maintenance and other forms of housing assistance to help individuals and families improve their housing conditions and meet the responsibilities of tenancy and homeownership.

HUD funding of approved housing counseling agencies is not guaranteed and when funds are awarded, a HUD grant does not cover all expenses incurred by an agency to deliver housing counseling services. Counseling agencies must actively seek additional funds from other sources such as city, county, state and federal agencies and from private entities to ensure that they have sufficient operating funds. The availability of Housing Counseling grants depends upon appropriations and the outcome of the award competition.

The 2006 grantees announced in Appendix A of this notice were selected for funding through a competition announced in a NOFA published in the **Federal Register** on March 8, 2006 (71 FR 11800), for the Housing Counseling Program. Applications were scored and selected for funding on the basis of selection criteria contained in the NOFA. HUD awarded \$39,052,820 in housing counseling grants to 420 housing counseling organizations nationwide: 385 local agencies, 17 intermediaries, and 18 state housing finance agencies. Included in this figure is: \$3,000,000 awarded to two intermediaries in supplemental funding for Home Equity Conversion Mortgage (HECM) counseling. These funds will provide counseling for the rapidly growing numbers of elderly homeowners who seek to convert equity in their homes in income that can be used to pay for home improvement, medical costs and other living expenses.

The Catalog of Federal Domestic Assistance number for the Housing Counseling Program is 14.169.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing the grantees and amounts of the awards in Appendix A of this document.

Dated: February 22, 2008.

Brian D. Montgomery,

Assistant Secretary for Housing-Federal Housing Commissioner.
