SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Department of Defense Form 1870, Nomination for Appointment to the United States Military Academy, Naval Academy and Air Force Academy, is used solely by legal nominating authorities who by Federal law are entitled to make appointments to the three service military academies. The nomination form allows for nominating authorities to select by checking one box as to which academy is being provided with the name of a nomination to be processed. Eligibility information concerning the nominees is information that is also included on the form. The nominating authority identifies himself/herself and must date and sign the form to make it a legally acceptable form. The form includes the three addresses of the service academies in order that the form may be submitted to the proper academy. The form is currently used, full time, by only the United States Military Academy. The United States Air Force Academy uses

the form only in rare cases totally no more than 100 forms each year. The United States Naval Academy does not use the form. The reason for this is the United States Naval Academy and the United States Air Force Academy now employ an on-line nomination submissions program in lieu of the DD Form 1870. We expect the United States Military Academy will employ the on-line nomination submissions program beginning in the Fall of CY 2008.
