International Trade Administration

Notice of 2nd Afghanistan International Carpet Fair

AGENCY: Department of Commerce.

ACTION: Notice.

Mission Statement

2nd Afghanistan International Carpet Fair, October 26-30, 2008

I. Mission Description

The International Trade Administration of the Department of Commerce is organizing the second U.S. carpet trade mission to Kabul, Afghanistan for the Afghanistan International Carpet Fair on October 26-30, 2008. The mission will be open to U.S. rug businesses that have demonstrated experience in the carpet sector and are interested in exploring trade and investment opportunities in Afghanistan's carpet sector. Afghanistan Investment and Reconstruction Task Force Director, Susan Hamrock Mann, will lead a delegation of U.S.-based executives of U.S. firms interested in pursuing business in Afghanistan's carpet sector. The mission will include participation in the Carpet Fair, matchmaking, and networking with Afghan rug vendors and manufacturers. The mission will reaffirm the U.S. Government's support of bilateral relations, address the Department's commitment to helping Afghanistan develop sectors in which it has a comparative advantage, and seek to expand opportunities for U.S. companies in Afghanistan.

II. Commercial Setting

The mission will take place during a crucial time in Afghanistan's economic reemergence. Approximately 6 million Afghans are employed in the carpet

sector directly or indirectly. Afghanistan has a comparative advantage in producing hand woven carpets, putting this sector on the cutting edge of Afghanistan's reintegration into the global economy. Afghanistan's carpets have a rich legacy of artistry and craftsmanship, which has been handed down through many generations. Each type of carpet is unique to the location in which it was produced and inspired. Afghanistan produces various types of carpets woven out of wool, silk, and cotton.

Due to the current lack of finishing facilities, Afghanistan sends more than eighty percent of its carpets to Pakistan, where they are finished and labeled "made in Pakistan." This Trade Mission will enable delegates to explore opportunities for investing in carpet producing facilities and exporting textile equipment to Afghanistan. As such, the Mission could play a valuable role in preserving the brand identity of Afghan carpets, by helping producers to finish and export their own production.

The Afghan Government is helping Afghan carpet producers connect their craftsmanship to the world. In conjunction with the U.S. Department of Commerce, the Government of Afghanistan organized three previous delegations of Afghan carpet producers to visit the United States. In July 2006, a delegation visited major retailers and importers in New York, Atlanta, and Washington, DC. In January 2007, a second delegation attended the AmericasMart International Area Rug Market in Atlanta, where Afghanistan's carpets were part of a major cultural showcase. In January 2008, a third delegation participated in the Las Vegas Market at the World Market Center, where Afghan carpets and cultural items were prominently displayed at the show.

This 2nd Afghanistan International Carpet Fair will provide an opportunity for Afghan carpet producers and U.S. buyers to network, create business relationships, and allow U.S. buyers to explore investment opportunities in the sector. The Trade Mission presents a unique opportunity for seasoned U.S. professionals to partner with Afghan carpet producers as Afghanistan strives to re-establish its leadership position in the global carpet business.

III. Mission Goals

The mission aims to further U.S. commercial policy objectives and to advance specific U.S. business interests in the U.S. and Afghan carpet sectors. The mission will:

- Create an opportunity for U.S. companies to meet and network with Afghan carpet producers;
- Assist Afghan carpet producers in creating long-term relationships with U.S. companies;
- Assist Afghan carpet producers with finding distributors for their carpets in the U.S.;
- Assess the commercial climate of Afghanistan's carpet sector as well as export and investment opportunities in Afghanistan; and
- Encourage continued progress in economic development in Afghanistan.

IV. Mission Scenario

This mission will enable participants to gain access to the Afghan carpet market on a large scale. The mission will include VIP participation in the carpet fair. Participants will be part of the carpet fair's opening night-VIP reception with high-level Afghan government officials. The event will provide opportunities to network with at least 70 different Afghan carpet vendors at the show. The show will feature a broad range of carpets from across Afghanistan's diverse landscape. Networking will also include one-on-one meetings between the U.S. business delegates and Afghan companies.
