

of Section 15A(b)(5) of the Act,<sup>15</sup> which require, among other things, that FINRA rules provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system that FINRA operates or controls. FINRA believes that deleting the references in the Incorporated NYSE Rules to fees that FINRA does not impose pursuant to those rules will reduce confusion and conform the Incorporated NYSE Rules to FINRA's practice.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

Written comments were neither solicited nor received.

### III. Solicitation of Comments

### IV. Commission's Findings and Order Granting Accelerated Approval

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association and, in particular, the requirements of Section 15A(b)(5) of the Act<sup>16</sup> and the rules and regulations thereunder.<sup>17</sup>

The Commission notes that FINRA's proposed rule change to eliminate references to the NYSE legacy fees in FINRA's Incorporated NYSE Rules is consistent with NYSE's elimination of these fees that took effect on January 1, 2008.<sup>18</sup> Because these legacy NYSE fees are not charged by FINRA, the Commission believes that it is appropriate for FINRA to remove references to these fees from the Incorporated NYSE Rules.<sup>19</sup> The Commission also believes that approving these changes on a retroactive basis to January 1, 2008, is appropriate because that is the effective date of NYSE's elimination of these fees.<sup>20</sup>

The Commission finds good cause to approve the proposed rule change prior to the thirtieth day after the date of publication of notice of filing in the **Federal Register**. Granting accelerated approval of the proposed rule change would help reduce any confusion FINRA members may have, because these legacy NYSE fees no longer are

being charged, and would conform these Incorporated NYSE Rules to FINRA's current practice. Accordingly, the Commission believes there is good cause, consistent with Sections 15A(b)(5) and 19(b) of the Act,<sup>21</sup> to approve the proposed rule change on an accelerated basis.

### V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>22</sup> that the proposed rule change (File No. SR-FINRA-2008-034) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>23</sup>

<sup>15</sup> 15 U.S.C. 78o-3(b)(5).

## II. Description

FICC is seeking to (i) restructure the Government Securities Division ("GSD") and the Mortgage-Backed Securities Division ("MBSD") rules related to fines, clearing fund consequences imposed on members for rule violations, and certain aspects of the watch list and (ii) harmonize its rules with similar rules of FICC's clearing agency affiliates, The Depository Trust Company ("DTC") and the National Securities Clearing Corporation ("NSCC"). DTC and NSCC have filed similar proposed rule changes.<sup>3</sup> FICC's proposed revisions to its fine schedule are set forth in Exhibit 5 to its proposed rule change.

### 1. Fines

#### (a) Fines Scheduled for Failure to Submit Financial and Other Information

Members of the GSD and MBSD are assessed fines for failure to submit required financial, regulatory, and other information within the time frames set forth in FICC's rules. Often a member that is fined is a common member of FICC and DTC, FICC and NSCC, or FICC, DTC, and NSCC, (collectively, the "Clearing Agencies") which would cause the member to incur multiple penalties for the same offense.<sup>4</sup> FICC is proposing that when a common member of the Clearing Agencies is late in providing the same information to more than one Clearing Agency, the fine amount will be divided equally among the Clearing Agencies.<sup>5</sup>

In addition, FICC proposes changes to the notes to this section of the fine schedule to make clear that (i) the method by which the reporting requirements will be published and (ii) the determination of the fine amount

<sup>3</sup> Securities Exchange Act Release No. 57665 (April 15, 2008) [SR-DTC-2007-05]. Securities Exchange Act Release No. 57667 (April 15, 2008) [SR-NSCC-2007-07].

<sup>4</sup> The Clearing Agencies do not view the proposed rule changes as fee reductions because they never intended to charge a common member two or three times for a single violation that trips another clearing agency's rules on the same matter.

DTC does not currently maintain a fine in this regard. However, DTC has filed a proposal to adopt a fine schedule similar to the one used by FICC. *Supra* note 3.

<sup>5</sup> For example, if a firm that is a member of FICC and NSCC, did not submit its annual audited financial statements within the required time frame, and this was the firm's first failure to meet the deadline, the \$200 fine will be split equally between FICC and NSCC.

Where the member is a participant of DTC and also a member of one or more of the other Clearing Agencies, the fine would be collected by DTC and allocated equally among the other Clearing Agencies, as appropriate. If the member is not a DTC participant, but is a common member of NSCC and FICC, NSCC will collect the fine and allocate the appropriate portion to FICC.

after the fourth or more occasion of an offense within a twelve-month rolling period will be made by FICC management with the concurrence of the Board or the Credit and Market Risk Management Committee.<sup>6</sup>

#### (b) General Continuance Standards

Both GSD and MBSD currently impose a fine of \$1,000 on a member that fails to notify FICC within two business days of the member's learning of its non-compliance with the general continuance standards for membership or of its becoming subject to a statutory disqualification. Both GSD and MBSD currently impose a \$5,000 fine if a member fails to notify FICC of a "material change" to its business. A material change currently includes events such as a merger or acquisition involving the member, a change in corporate form, a name change, a material change in ownership, control, or management, and participation as a defendant in litigation which could reasonably be anticipated to have a direct negative impact on the member's financial condition or ability to conduct its business.

With respect to both GSD and MBSD, FICC is proposing to amend its rules to reflect that when a common member of the Clearing Agencies is late in providing the same information to more than one Clearing Agency, the fine amount will be divided equally among the Clearing Agencies.<sup>7</sup>

#### (c) Fine Schedule for Late Clearing/Participants Fund Deficiency Payments

GSD and MBSD Netting and Clearing members are also subject to fines for late payments of clearing fund and participants fund deficiency calls. In order to harmonize its fine schedule with NSCC, FICC is proposing to adopt the fine amounts utilized by NSCC for this purpose and to adopt other provisions set forth in the notes to NSCC's fine schedule. As proposed, the first occasion lateness will generate a warning letter to the firm for all

<sup>6</sup> Under the rules of GSD and MBSD, the terms "Board" or "Board of Directors" mean the Board of Directors of FICC or a committee thereof acting under delegated authority ("Board"). In this situation, the Board would have to concur with the fine.

<sup>7</sup> DTC does not currently maintain a fine in this regard. However, DTC has filed a proposal to adopt a fine schedule similar to the one NSCC is proposing to adopt. *Supra* note 3.

Where the member is a participant of DTC and also a member of one or more of the other Clearing Agencies, the fine will be collected by DTC and allocated equally among the other Clearing Agencies, as appropriate. If the member is not a DTC participant, but is a common member of NSCC and FICC, NSCC will collect the fine and allocate the appropriate portion to FICC.

deficiency amounts.<sup>8</sup> If the number of occasions of late Clearing Fund deficiency call payments within a three-month rolling period exceeds four, FICC will obtain the Board's concurrence for the fine amount. Furthermore, a late payment of more than one hour will result in a fine equal to the amount applicable to the next highest occasion for the specific deficiency amount.<sup>9</sup> If a member is late for more than one hour and it is the member's fourth occasion in the rolling period, FICC will obtain the Board's concurrence for the fine amount.

#### (d) Fine Schedule for Late Settlement Payments

The GSD and MBSD currently fine members for late payment of settlement obligations. FICC is proposing the following to harmonize its fine schedule with those of NSCC. The GSD and MBSD will adopt the deficiency and fine amounts of the NSCC fine schedules. As a result, the first occasion will result in a fine rather than a warning letter as under FICC's current fine schedule. Also, FICC will use a rolling three-month period to determine the number of occasions rather than the current 30-day rolling period. In addition, the fine schedules of GSD and MBSD will be amended to provide that (i) if the number of occasions within the rolling three-month period exceeds four, management will obtain the Board's concurrence of the fine amount and (ii) a payment late by more than one hour will result in a fine equal to the amount applicable for the next highest occasion for the specific deficiency amount. If a member is late for more than one hour and it is the member's fourth occasion in the rolling period, management will obtain the Board's concurrence of the fine amount.

### 2. Placement on the Watch List and Prohibition Against Return of Excess Clearing Fund as Consequences for Rules Violations

The rules of both GSD and MBSD contain provisions requiring a member to be placed on the watch list and, in certain instances, prohibiting the return of excess clearing fund collateral as consequences for certain rules violations or certain member actions.

<sup>8</sup> GSD and MBSD currently impose a fine for a first occasion lateness for its highest deficiency amount.

<sup>9</sup> For example, if a firm's deficiency amount is under \$1,000,000, it is the firm's second occurrence of late satisfaction of a deficiency call in the rolling three-month period, and the firm is late by more than one hour, the firm will be fined \$200 (*i.e.*, the fine for a third occasion) instead of \$100 (*i.e.*, the fine for a second occasion) pursuant to the proposed fine schedule.

For example, the FICC rules require that a member be placed on the watch list and prohibited from receiving the return of excess clearing fund collateral for failure to timely submit a required financial report or other information to FICC. FICC is proposing the deletion of all these provisions because the placement of a member on the watch list and the prohibiting of the return of a member's excess of clearing fund collateral should result from management's monitoring of the member and should not automatically occur because of rules violations.<sup>10</sup>

### 3. Consequences for Being on the Watch List

Currently, the GSD rules contain a very specific amount by which the clearing fund requirement of a netting member that is placed on the watch list may be increased.<sup>11</sup> The MBSD and NSCC rules contain provisions that are more general in this regard.<sup>12</sup> FICC believes the GSD rules are unnecessarily specific in this regard and should be amended to more closely reflect the MBSD and NSCC rules.

### III. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a registered clearing agency. In particular, the Commission believes the proposal is consistent with the requirements of section 17A(b)(3)(F),<sup>13</sup> which, among other things, requires that the rules of a clearing agency are designed to remove impediments to and perfect the mechanisms of a national system for the prompt and accurate clearance and settlement of securities transactions and with the requirements of section 17A(b)(3)(H)<sup>14</sup> which, among other things, requires that the rules of a

clearing agency provide a fair procedure with respect to the disciplining of participants and the denial of participation to any person seeking to be a participant. The Commission finds that the proposed rule change, which restructures and harmonizes FICC's fines with those of DTC and NSCC, is consistent with those statutory obligations.

### IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular section 17A of the Act and the rules and regulations thereunder. In approving the proposed rule change, the Commission considered the proposal's impact on efficiency, competition and capital formation.<sup>15</sup>

*It Is Therefore Ordered*, pursuant to section 19(b)(2) of the Act, that the proposed rule change (File No. SR-FICC-2007-05), as amended, be and hereby is approved.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58154; File No. SR-MSRB-2008-03]

### Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Order Granting Approval of Proposed Rule Change, as Modified by Amendment No. 1, Relating to Rule G-11, on New Issue Syndicate Practices, and Rule G-12, on Uniform Practice

July 15, 2008.

On March 18, 2008, the Municipal Securities Rulemaking Board ("MSRB"), filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change consisting of amendments to Rule-11, on new issue syndicate practices, and Rule G-12, on uniform practice. The proposed rule change was published for comment in the **Federal**

**Register** on April 18, 2008.<sup>3</sup> The Commission received no comment letters about the proposed rule change. On June 26, 2008, the MSRB filed Amendment No. 1 to the proposed rule change.<sup>4</sup> This order approves the proposed rule change as modified by Amendment No. 1.

The proposed rule change consists of amendments to Rule G-11 and Rule G-12 that (a) delete Rule G-12(i); (b) consolidate the remaining syndicate practice provisions of Rule G-12 into Rule G-11; (c) delete the syndicate-related sections of Rule G-12; and (d) make minor technical corrections to Rule G-11. A full description of the proposal is contained in the Commission's Notice.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the MSRB<sup>5</sup> and, in particular, the requirements of Section 15B(b)(2)(C) of the Act<sup>6</sup> and the rules and regulations thereunder. Section 15B(b)(2)(C) of the Act requires, among other things, that the MSRB's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities, to remove impediments to and perfect the mechanism of a free and open market in municipal securities, and, in general, to protect investors and the public interest.<sup>7</sup> In particular, the Commission finds that the proposed rule change is consistent with the Act because it will facilitate transactions in municipal securities and protect investors and the public interest by creating a consolidated rule that seeks to avoid inadvertent rule violations and clarifies and modernizes its rules to bring them into line with the realities of current market practice without compromising investor protection.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>8</sup> that the
