Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The goals of this program are to identify and disseminate information about exemplary and effective alcohol or other drug abuse prevention programs implemented on college campuses. Through this grant program, the U.S. Department of Education (ED) also will recognize colleges and universities whose programs, while not yet exemplary or effective, show evidence that they are promising.

Priority: This priority is from the notice of final priority, definitions, requirements, and selection criteria for this program, published elsewhere in this issue of the **Federal Register**.

Absolute Priority: For FY 2008 and any subsequent year in which we make awards based on the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Exemplary, Effective, and Promising Alcohol or Other Drug Abuse Prevention Programs on College Campuses

Under this priority the Department provides funding to IHEs that have implemented an exemplary, effective, or promising alcohol or other drug abuse prevention program on their campus. To meet the priority, in its application, an applicant must:

1. Describe the program that has for at least two full years been implemented on its campus, including the structure and content of the program, the student population that is targeted by the program, and any unique features of the program;

2. Provide a detailed theoretical basis for the program's effectiveness;

3. Provide data to demonstrate the program's impact on the target student population, including evidence of

cognitive or behavioral changes, or both, among the target population; and

4. Consent to a site visit to clarify information in the application and verify evaluation data.

Under this program, the Department selects an IHE for recognition as having an exemplary, effective, or promising program based on the recommendation from the two peer reviewers who conduct the site visit. Therefore, note that selection for a site visit does not ensure recognition as an exemplary, effective, or promising program by the Department.

Recognition Types

Contingent upon the quality of data provided by the applicant and the recommendation of site visitors, an applicant may earn one of three levels of recognition.

Level 1 is recognition as an exemplary program. An IHE whose program is designated as exemplary must:

1. Within 30 days of receiving an award, provide to the Department a plan to disseminate information about its program to other IHEs;

2. Upon approval by the Department, implement its dissemination plan; and

3. Enhance and further evaluate the exemplary program during the project period of the grant award.

Level 2 is recognition as an effective program. An IHE whose program is designated as effective must:

1. Within 30 days of receiving an award, provide to the Department a plan to disseminate information about its program to other IHEs;

2. Upon approval by the Department, implement its dissemination plan; and

3. Enhance and further evaluate the effective program during the project period of the grant award.

Level 3 is designation as a promising program. An IHE whose program is recognized as promising must:

1. Within 30 days of receiving an award, submit to the Department a plan to enhance and further evaluate its program;

2. Upon approval by the Department, implement its enhancement and evaluation plan; and

3. Within 12 months of award, provide to the Department a report detailing the results of its evaluation.

Definitions

1. *Exemplary program* means a program that has a strong theoretical base and demonstrated effectiveness in reducing alcohol or other drug abuse among college students or reducing problems resulting from alcohol or other drug use among college students, using a research design of the highest quality.

For the purpose of this grant competition, a research design of the highest quality means an experimental design in which students are randomly assigned to participate in a project being evaluated (treatment group) or not participate in the project (control group). The effect of the project is the difference in outcomes between the treatment and control groups.

If strong, experimentally determined evidence of the effectiveness of a program already exists, and the program was implemented on the applicant's campus with fidelity to the research, then a quasi-experimental evaluation of the program's implementation on the applicant's campus may be an acceptable research design. For the purpose of this grant competition, quasi-experimental designs include several designs that attempt to approximate a random assignment design.

2. *Effective program* means a program that has a strong theoretical base and has been evaluated using either an experimental or quasi-experimental research design, with the evaluation results suggesting effectiveness in reducing alcohol or other drug abuse among college students, reducing problems resulting from alcohol or other drug use among college students, reducing risk factors, enhancing protective factors, or resulting in some combination of those impacts.

3. *Promising program* means a program that has a strong theoretical base and for which evidence has been obtained, using limited research methods, that the program may reduce alcohol or other drug abuse among college students, reduce problems resulting from alcohol or other drug use among college students, reduce risk factors, enhance protective factors, or result in some combination of those impacts. For the purpose of this grant competition, limited research methods are methods that include a pre- and post-treatment measurement of the effects of a treatment on a single subject or group of single subjects.

Program Authority: 20 U.S.C. 7131.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99. (b) The regulations in 34 CFR part 299. (c) The notice of final priority, definitions, requirements, and selection criteria, published elsewhere in this issue of the **Federal Register**.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2008 and FY 2009 and in subsequent years from the list of unfunded applicants from this competition.

Estimated Range of Awards:

\$125,000–\$175,000.

Estimated Average Size of Awards:

\$143,000.

Estimated Number of Awards: 5.

III. Eligibility Information

1. *Eligible Applicants:* IHEs that offer an associate or baccalaureate degree.

Limitations on Eligibility:

(a) *Exemplary or effective programs.* The length of time an IHE is ineligible for a subsequent award after receiving recognition for an exemplary or effective program is three years.

(b) *Promising programs.* Programs recognized as promising may be eligible for a new award when their current grant is no longer active. A grant is considered active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds. A project that fails to achieve exemplary or effective status after a second designation as a promising program may not reapply for three years after its second project period is no longer active.

2. *Cost Sharing or Matching:* This competition does not require cost sharing or matching.

a. Electronic Submission of Applications.

To comply with the President's Management Agenda, we are participating as a partner in the Governmentwide Grants.gov Apply site. The Models of Exemplary, Effective, and Promising Alcohol or Other Drug Abuse Prevention Programs on College Campuses, CFDA Number 84.184N, is included in this project. We request your participation in Grants.gov.

If you choose to submit your application electronically, you must use the Governmentwide Grants.gov Apply site at <http://www.grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Models of Exemplary, Effective, and Promising Alcohol or Other Drug Abuse Prevention Programs on College Campuses Grant Competition at <http://www.grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.184, not 84.184N).

Please note the following:

- Your participation in Grants.gov is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we

retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) Registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental

Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues With the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an

explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.
