

et seq.), the Council invites comments through October 30, 2008, on proposed amendments to its *Columbia River Basin Fish and Wildlife Program* (program), Council document 2008–11. The proposed amendments may be found on the Council's Web site at <http://www.nwcouncil.org/fw/program/2008amend>.

Background: In November 2007, the Council formally requested recommendations for amendments to the program under section 4(h) of the Northwest Power Act. The Council received 65 sets of recommendations by the deadline of April 4, 2008, from fish and wildlife agencies, Indian tribes, and others. The recommendations and supporting information have been collected in Council document 2008–06. The Council provided notice of the amendment recommendations to interested parties and the public and asked for comments. The comments on the recommendations are collected in Council document 2008–09. The Council then based its program amendments on the amendment recommendations submitted to the Council by the deadline, data and information submitted in support of the recommendations, the comments received on the recommendations, and consultations with fish and wildlife agencies, Indian tribes, Bonneville customers, and others. The recommendations, supporting information, comments on the recommendations, and the Council's proposed program amendments (in Council document 2008–11) are all found on the Council's Web site at <http://www.nwcouncil.org/fw/program/2008amend>.

The Council will accept written public comment on the proposed program amendments through October 30, 2008 and will hold public hearings to take written and oral comments in Idaho, Montana, Oregon, and Washington from mid-September through mid-October. For more information on the day, time and locations for the public hearings, please see the Council's Web site at <http://www.nwcouncil.org/fw/program/2008amend/hearings.htm> or call the Council's Central Offices at (503) 222–5161 or (800) 452–5161. The Council may schedule additional public hearings or consultations if necessary.

The Council expects to make final decisions on the proposed amendments at the Council's meeting in Portland, Oregon, on December 9–11, 2008. At the end of this process, the Council will make findings required by the Northwest Power Act regarding any recommendations the Council rejects.

The Council may adopt or reject any of these proposed amendments after it has received and reviewed public comments.

Request for Comments: You are invited to comment on the proposed program amendments by 5 p.m. on October 30, 2008. SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request: Copies available from: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 22d-1, Sec File No. 270-275, OMB Control No. 3235-0310.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 22d-1 under the Investment Company Act of 1940 (the "Act") (17 CFR 270.22d-1) provides registered investment companies that issue redeemable securities ("funds") an exemption from section 22(d) of the Investment Company Act (15 U.S.C. 80a-22(d)) to the extent necessary to permit scheduled variations in or elimination of the sales load on fund securities for particular classes of investors or transactions, provided certain conditions are met. The rule imposes an annual burden per series of a fund of approximately 15 minutes, so that the total annual burden for the approximately 4,735 series of funds that might rely on the rule is estimated to be 1,184 hours.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are requested on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden(s) of the collection of

information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/ CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: September 8, 2008.

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 17Ab2-1, Form CA-1, SEC File No. 270-203, OMB Control No. 3235-0195.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the following previously approved collection of information as discussed below.

- Rule 17Ab2-1 and Form CA-1: Registration of Clearing Agencies (17 CFR 240.17Ab2-1)

Rule 17Ab2-1 and Form CA-1 require clearing agencies to register with the Commission and to meet certain requirements with regard to, among other things, a clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA-1. Thereafter, information is collected by amendment to the initial Form CA-1 when material changes in circumstances necessitate modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA-1 to (i) Determine whether an applicant meets the standards for registration set forth in Section 17A of the Securities Exchange Act of 1934 ("Exchange Act"), (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2-1, the Commission could not perform these duties as statutorily required.

There are currently approximately six operational clearing agencies and five clearing agencies that have been granted an exemption from registration. The Commission staff estimates that each initial Form CA-1 requires approximately 130 hours to complete and submit for approval. Hours required for amendments to Form CA-1 that must be submitted to the Commission in connection with material changes to the initial CA-1 can vary, depending upon the nature and extent of the amendment. Since the Commission only receives an average of one submission per year, the aggregate annual burden associated with compliance with Rule 17Ab2-1 and Form CA-1 is 130 hours. Based upon the staff's experience, the average cost to clearing agencies of preparing and filing the initial Form CA-1 is estimated to be \$18,000. There is no recordkeeping requirement for Rule 17Ab2-1 or Form CA-1. The rule and form do not involve the collection of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: Kimberly_P._Nelson@omb.eop.gov; and (ii) Lewis W. Walker, Acting Director/ Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312; or by sending an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.
