SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Rule 17Ad-3(b), SEC File No. 270-424, OMB Control No. 3235-0473.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the following previously approved collection of information as discussed below.

- Rule 17Ad-3(b) (17 CFR 240.17Ad-3(b)).

Rule 17Ad-3(b) requires registered transfer agents that for each of two consecutive months have failed to turnaround at least 75% of all routine items in accordance with the requirements of Rule 17Ad-2(a) or to process at least 75% of all routine items in accordance with the requirements of Rule 17Ad-2(a) to send to the chief executive officer of each issuer for which such registered transfer agent acts a copy of the written notice required under Rule 17Ad-2(c), (d), and (h). The issuer may use the information contained in the notices in several ways: (1) to provide an early warning to the issuer of the transfer agent's non-compliance with the Commission's minimum performance standards regarding registered transfer agents, and (2) to assure that issuers are aware of certain problems and poor performances with respect to the transfer agents that are servicing the issuer's securities. If the issuer does not receive notice of a registered transfer agent's failure to comply with the Commission's minimum performance standards then the issuer will be unable to take remedial action to correct the problem or to find another registered transfer agent. Pursuant to Rule 17Ad-3(b), a transfer agent that has already filed a Notice of Non-Compliance with the Commission pursuant to Rule 17Ad-2 will only be required to send a copy of that notice to issuers for which it acts

when that transfer agent fails to turnaround 75% of all routine items or to process 75% of all items.

The Commission estimates that only two transfer agents will meet the requirements of Rule 17Ad-3(b). If a transfer agent fails to meet the minimum requirements under 17Ad-3(b), such transfer agent is simply sending a copy of a form that had already been produced for the Commission. The Commission estimates a requirement will take each respondent approximately one hour to complete, for a total annual estimate burden of two hours at cost of approximately \$60.00 for each hour. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: Kimberly_P._Nelson@omb.eop.gov; and (ii) Lewis W. Walker, Acting Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312; or by sending an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: September 8, 2008.

Florence E. Harmon,

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549.

Extension: Rule 32a-4, SEC File No. 270-473, OMB Control No. 3235-0530.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission

plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 32(a)(2) of the Investment Company Act (15 U.S.C. 80a-31(a)(2)) requires that shareholders of a registered investment management or face-amount certificate company ("fund") ratify or reject the selection of a fund's independent public accountant. Rule 32a-4 (17 CFR 270.32a-4) exempts a fund from this requirement if (i) the fund's board of directors establishes an audit committee composed solely of independent directors with responsibility for overseeing the fund's accounting and auditing processes,¹ (ii) the fund's board of directors adopts an audit committee charter setting forth the committee's structure, duties, powers and methods of operation, or sets out similar provisions in the fund's charter or bylaws,² and (iii) the fund maintains a copy of such an audit committee charter permanently in an easily accessible place.³

Each fund that chooses to rely on rule 32a-4 incurs two collections of information burdens. The first, related to the board of directors' adoption of the audit committee charter, occurs once, when the committee is established. The second, related to the fund's maintenance and preservation of a copy of the charter in an easily accessible place, is an ongoing annual burden. The information collection requirement in rule 32a-4 enables the Commission to monitor the duties and responsibilities of an independent audit committee formed by a fund relying on the rule.

Commission staff estimates that, on average, the board of directors takes 15 minutes to adopt the audit committee charter. Commission staff has estimated that with an average of 8 directors on the board,⁴ total director time to adopt the charter is 2 hours. Combined with an estimated 1 hour of paralegal time to prepare the charter for board review, the staff estimates a total one-time collection of information burden of 3 hours for each fund. Once a board adopts an audit committee charter, a fund generally maintains it in a file cabinet or as a computer file. Commission staff has estimated that there is no annual hourly burden

¹ Rule 32a-4(a).

² Rule 32a-4(b).

³ Rule 32a-4(c).

⁴ This estimate is based on staff discussions with a representative of an entity that surveys funds and calculates fund board statistics based on responses to its surveys.

associated with maintaining the charter in this form.⁵

Because virtually all funds extant have now adopted audit committee charters, the annual one-time collection of information burden associated with adopting audit committee charters is limited to the burden incurred by newly established funds. Commission staff estimates that fund sponsors establish approximately 153 new funds each year,⁶ and that all of these funds will adopt an audit committee charter in order to rely on rule 32a-4. Thus, Commission staff estimates that the annual one-time hour burden associated with adopting an audit committee charter under rule 32a-4 going forward will be approximately 459 hours.⁷

As noted above, all funds that rely on rule 32a-4 are subject to the ongoing collection of information requirement to preserve a copy of the charter in an easily accessible place. This ongoing requirement, which Commission staff has estimated has no hourly burden, applies to new funds that adopt an audit committee charter each year and to all funds that have previously adopted the charter and continue to maintain it.

When funds adopt an audit committee charter in order to rely on rule 32a-4, they also may incur one-time costs related to hiring outside counsel to prepare the charter. Commission staff estimates that those costs average approximately \$1000 per fund.⁸ Commission staff understands that virtually all funds now rely on rule 32a-4 and have adopted audit committee charters, and thus estimates that the annual cost burden related to hiring outside legal counsel is limited to newly established funds.

As noted above, Commission staff estimates that approximately 153 new

funds each year will adopt an audit committee charter in order to rely on rule 32a-4. Thus, Commission staff estimates that the ongoing annual cost burden associated with rule 32a-4 in the future will be approximately \$153,000.⁹

The estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collections of information required by rule 32a-4 are necessary to obtain the benefits of the rule. The Commission is seeking OMB approval, because an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Lewis W. Walker, Acting Director/ CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58486; File No. SR-ISE-2008-36]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Non-Displayed Penny Quotes and Orders

September 8, 2008.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 28, 2008, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to allow non-displayed penny quotes and orders in options that trade in minimum pricing increments greater than one cent. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission has approved rules with respect to the Nasdaq Options

⁵No hour burden related to such maintenance of the charter was identified by the funds the Commission staff surveyed. Commission staff understands that many audit committee charters have been significantly revised after their adoption in response to the Sarbanes-Oxley Act (Pub. L. No. 107-204, 116 Stat. 745) and other developments. However, the costs associated with these revisions are not attributable to the requirements of rule 32a-4.

⁶This estimate is based on the number of Form N-8As filed from January 2005 through December 2007.

⁷This estimate is based on the following calculation: (3.0 burden hours for establishing charter × 153 new funds = 459 burden hours).

⁸Costs may vary based on the individual needs of each fund. However, based on the staff's conversations with outside counsel that prepare these charters, legal fees related to the preparation and adoption of an audit committee charter usually average \$1000 or less. The Commission also understands that the ICI has prepared a model audit committee charter, which most legal professionals use when establishing audit committees, thereby reducing the costs associated with drafting a charter.

⁹This estimate is based on the following calculations: (\$1000 cost of adopting charter × 153 newly established funds = \$153,000).
