[Docket No. ID-5550-000]

**Mulva, James J.; Notice of Filing**

December 18, 2007.

Take notice that on December 12, 2007, James J. Mulva filed an application for authorization to hold interlocking positions, pursuant to Part 45 of the Commission's regulations, 18 CFR part 45 (2007).

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). [Docket No. PF08-1-000]

**Orbit Gas Storage, Inc.; Notice of Intent to Prepare an Environmental Assessment for the Proposed Kentucky Energy Hub Project, Request for Comments on Environmental Issues, and Notice of Public Scoping Meeting**

January 7, 2008.

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of the proposed Kentucky Energy Hub Project, which involves construction and operation of natural gas storage facilities in Hopkins County, Kentucky. This notice announces the opening of the scoping period that will be used to gather environmental input from the public and interested agencies on the project. Your input will help the Commission staff determine which issues need to be evaluated in the EA. Please note that the scoping period will close on February 6, 2008.

Comments may be submitted in written form or verbally. Further details on how to submit written comments are provided in the Public Participation portion of this notice. In addition to or in lieu of sending written comments, we invite you to attend the public scoping meeting at the location listed below.

Date and Time	Location
Wednesday, January 30, 2008, 7-10 p.m.	Madisonville Technology Economic Center, 755 Industrial Road, Madisonville, KY 42431.

Public scoping meetings are designed to provide state and local agencies, interested groups, affected landowners, and the general public with another opportunity to offer comments on the project. Interested groups and individuals are encouraged to attend the meeting and to present comments on the environmental issues they believe should be addressed in the EA.

If you are a landowner receiving this notice, you may be contacted by a
