DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the emergency provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Telecommunications and Information Administration (NTIA).

Title: Converter Box Coupon Program—Consumer and Retailer Pilot Test Surveys.

OMB Control Number: None.

Agency Form Number: None.

Type of Request: Emergency.

Burden Hours: 150.

Average Time per Response: 15 minutes.

Number of Respondents: 1,100.

Needs and Uses: Congress directed the National Telecommunications and Information Administration (NTIA) to create and implement a program to provide coupons for consumers to purchase digital-to-analog converter boxes (See Title III of the Deficit Reduction Act of 2005, Pub. L. No. 109-171, 120 Stat. 4, 21, February 8, 2006).

The converter boxes are necessary for consumers who wish to continue receiving broadcast programming over the air using analog-only television sets after February 18, 2009—the date that television stations are required by law to cease analog broadcasting. On March 15, 2007, NTIA published a Final Rule

establishing the parameters of the Coupon Program and describing the rights and responsibilities of interested parties (See Rules to Implement and Administer a Coupon Program for Digital-to-Analog Converter Boxes, 72 FR 12097 (codified at 47 CFR 301)). Among other things, the regulations permit consumers to submit applications to NTIA for coupons beginning January 1, 2008. See 47 CFR 301.3(b).

One critical aspect of testing the coupon program, prior to full launch in all markets in early February 2008, is a “live pilot” test in which a limited number of volunteers will apply for the coupon, receive the coupon through the U.S. mail, and attempt to redeem the coupon at a local retailer for an “eligible” converter box. A material part of the pilot test is that the volunteers (consumers) will be asked to complete a survey regarding their experience in applying for and receiving the coupon and purchasing the converter box at a participating retail outlet. The retailers will be asked to complete a survey to provide feedback on such matters as their experience in redeeming the coupons, inventory issues, and employee training support. The information gathered from the surveys is intended to resolve potential problems in the system at the earliest stage possible. Only the data supplied by actual consumers and retailers through the surveys can accurately identify flaws in the process.

Affected Public: Individuals or households; business or other for-profit organizations.

Frequency: One-time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jasmeet K. Seehra, (202) 395-5167.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC, 20230, or via the Internet at dHynek@doc.gov.

Written comments and recommendations for the proposed information collection should be sent by January 25, 2008 to Jasmeet Seehra, OMB Desk Officer, FAX number (202) 395-5167 or via the Internet at Jasmeet_K_Seehra@omb.eop.gov.

Dated: January 9, 2008.

Foreign-Trade Zones Board

[Docket 1-2008]

Foreign-Trade Zone 22—Chicago, Illinois, Application for Subzone Euromarket Designs, Inc. d/b/a/ Crate & Barrel (Home Furnishings)

An application has been submitted to the Foreign-Trade Zones Board (the

Board) by the Illinois International Port District, grantee of FTZ 22, requesting special-purpose subzone status for the home furnishings distribution and processing facilities of Euromarket Designs, Inc. d/b/a Crate and Barrel (Crate & Barrel), located in Naperville, Illinois. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on January 1, 2008.

The proposed subzone would include Crate & Barrel's facilities at two adjacent sites in Naperville, Illinois: *Site 1* (one building/827,268 sq.ft./36 acres)—1860 West Jefferson Avenue; and *Site 2* (one building/365,000 sq.ft./16 acres)—443 Fort Hill Drive. The facilities are used for warehousing, distribution and processing of both foreign-origin and domestic home furnishing goods for both the U.S. market and export. FTZ procedures would be used to support Crate & Barrel's Illinois-based distribution activity that competes with facilities abroad.

FTZ procedures would exempt Crate & Barrel from customs duty payments on foreign products that are re-exported. On domestic sales, duty payments would be deferred until the foreign merchandise is shipped from the facilities and entered for U.S. consumption. The company would also realize significant logistical benefits related to the use of direct delivery and weekly customs entry procedures. The application indicates that the savings from FTZ procedures would help improve the company's international competitiveness and help facilitate the company's plans to grow their export market.

In accordance with the Board's regulations, a member of the FTZ staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is March 17, 2008. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period March 31, 2008.

A copy of the application and accompanying exhibits will be available at each of the following addresses: U.S. Department of Commerce Export Assistance Center, 200 West Adams Street, Suite 2450, Chicago, IL 60606; and, Office of the Executive Secretary, Foreign-Trade Zones Board, Room

2111, U.S. Department of Commerce, 1401 Constitution Ave, NW, Washington, D.C. 20230. For further information contact Christopher Kemp at christopher-kemp@ita.doc.gov or (202) 482-0862.

Dated: January 8, 2008.
