Bharat Mathur,

Acting Regional Administrator, Region 5.

■ For the reasons stated in the preamble, part 52, chapter I, of title 40 of the Code of Federal Regulations is amended as follows:

PART 52—[AMENDED]

■ 1. The authority citation for part 52 continues to read as follows:

Authority: 42 U.S.C. 7401, *et seq.*

Subpart P—Indiana

■ 2. Section 52.770 is amended by adding paragraph (c)(183) to read as follows:

§ 52.770 Identification of plan.

* * * * *

(c) * * *

(183) On February 7, 2002, Indiana submitted revisions to its State Implementation Plan (SIP) for lead (Pb) as part of the State's incorporation of a Federal standard for secondary lead smelters. On October 3, 2006, and November 27, 2007, Indiana supplemented its request as it pertained to Quemetco, Incorporated, in Marion County. This revision removes from the Indiana SIP the source-specific provisions for Quemetco found in article 326 IAC 15, previously approved in paragraph (c)(95) of this section, and replaces them with the corresponding provisions of article 326 IAC 20–13.

(i) *Incorporation by reference.* The following sections of Title 326 of the Indiana Administrative Code (IAC) are incorporated by reference:

(A) 326 IAC 15–1–2(c) “Source-specific provisions” and 326 IAC 15–1–3 “Control of fugitive lead dust”. Filed with the Secretary of State on December 1, 2000, effective December 30, 2000. Published in the Indiana Register on January 1, 2001 (24 IR 954).

(B) 326 IAC 20–13–1(c) “Applicability; incorporation by reference of federal standards”, 326 IAC 20–13–2(a) “Emission limitations lead standards for Quemetco, Incorporated”, and 326 IAC 20–13–6 “Compliance testing”. Filed with the Secretary of State on December 1, 2000, effective December 30, 2000. Published in the Indiana Register on January 1, 2001 (24 IR 958).

III. Waiver of Proposed Rulemaking and Delay in Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). However, we can waive the notice and comment procedures if the Secretary finds, for good cause, that the notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the rule.

Section 553(d) of the APA ordinarily requires a 30-day delay in effective date of final rules after the date of their publication. This 30-day delay in effective date can be waived, however, if an agency finds for good cause that the delay is impracticable, unnecessary, or contrary to the public interest, and the agency incorporates a statement of the findings and its reasons in the rule issued.

This correcting amendment addresses typographical and technical errors made in FR Doc. 07-5506, the CY 2008 PFS final rule with comment period, which appeared in the November 27, 2007 **Federal Register** (72 FR 66222) and is, with limited exceptions as noted in that rule, effective January 1, 2008. The provisions of the final rule with comment period have been subjected previously to notice and comment procedures. These corrections contained in this correcting amendment are consistent with, and do not make substantive changes to, the payment methodologies and policies adopted in the CY 2008 PFS final rule with comment period. As such, this correcting amendment is intended to ensure the CY 2008 PFS final rule with comment period accurately reflects the policies adopted in that rule. We find, therefore, for good cause that it is unnecessary and would be contrary to the public interest to undertake further notice and comment procedures to incorporate these corrections into the final rule with comment period.

For the same reasons, we are also waiving the 30-day delay in effective date for this correcting amendment. We believe that it is in the public interest to ensure that the CY 2008 PFS final rule with comment period accurately states our policies. Therefore, we find that delaying the effective date of these corrections would be contrary to the public interest. In so doing, we find good cause to waive the 30-day delay in the effective date.
