Dear Applicant:

Thank you for your interest in applying for a grant under the Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) program. Included in this application booklet are the program introduction, instructions, and forms needed to submit a complete application package to the U.S. Department of Education.

Institutional grants awarded under the DDRA Program provide fellowships to enable doctoral students enrolled in modern foreign language and area studies programs at U.S. institutions of higher education to conduct dissertation research overseas for 6-12 months.

This letter highlights a few items in the Fiscal Year (FY) 2009 application package that will be important to you in applying for grants under this program. You should review the entire application package carefully before preparing and submitting your application. Information on the DDRA Program is accessible at the U.S. Department of Education (Department) Web site at:

<http://www.ed.gov/programs/iegpsddrap/index.html>

Applicants should pay particular attention to the section entitled "Competition Highlights" that outlines the absolute and competitive priorities as well as other program and competition details.

A DDRA application must be submitted on behalf of the applicant doctoral student by a U.S. institution of higher education (IHE). In order for institutions to apply electronically, representatives from institutions of higher education (e.g., project directors) must register in the e-Application system. Project directors who have not already registered must submit the following information, via e-mail, to: amy.wilson@ed.gov: first and last name of the project director, university, and e-mail address. We recommend that applicant IHEs submit this information as soon as possible to ensure that applicant IHEs obtain access to the e-Application system well before the application deadline date. We suggest that applicant IHEs send this information no later than September 30 2008, in order to facilitate timely submission of their electronic applications.

A list of DDRA institutions and program project directors who have registered in e-Application in previous years is included in this application. If an institution is not listed, or the project director has changed, you are still welcome to apply. Please contact Amy Wilson, DDRA program officer, with the above information as soon as possible.

The Department of Education is requiring that applications for FY 2009 grants under the DDRA Program be submitted electronically using the Department's e-Application system. The e-Application system is accessible through its portal page at:

<http://e-grants.ed.gov/egWelcome.asp>

The application must be submitted on or before the deadline date. Electronic submission of applications is required; therefore, you must submit an electronic application unless you follow the procedures in the Closing Date Notice and qualify for one of the exceptions to the electronic submission requirement. If you think you may need an exception you are urged to review the requirements promptly. Applications submitted late will not be accepted. The Department is

required to enforce the established deadline to ensure fairness to all applicants. No changes or additions to an application will be accepted after the deadline date.

You are reminded that the document published in the Federal Register (the Closing Date Notice) is the official document, and that you should not rely upon any information that is inconsistent with the guidance contained in the official document.

We look forward to receiving your application and appreciate your efforts to promote excellence in international education.

Sincerely,

Vickie L. Schray
Acting Deputy Assistant Secretary
Higher Education Programs
Office of Postsecondary Education

II. Award Information

Type of Award: Discretionary grants redistributed as fellowships to individual beneficiaries. As part of its FY 2009 budget request, the Administration proposed to continue to allow funds to be used to support the applications of individuals who plan both to utilize their language skills in world areas vital to the United States national security and to apply their language skills and knowledge of these countries in the fields of government, international development, and various professions. Therefore, students planning to apply their language skills in such fields are eligible to apply for this program, in addition to those planning teaching careers. However, authority to use funds in this manner depends on final Congressional action. Applicants will be given an opportunity to amend their applications if such authority is not provided.

Estimated Available Funds: The Administration has requested \$13,372,000 for International Education and Foreign Language Studies

Overseas Programs, of which we propose to allocate \$4,731,000 for new awards for this program for FY 2009. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Fellowship Awards: \$15,000 - \$60,000.

Estimated Average Size of Fellowship Awards: \$37,000.

Estimated Number of Fellowship Awards: 127.

Note: The Department is not bound by any estimates in this notice.

Project Period: The institutional project period is 18 months beginning July 1, 2009. Students may request funding for a period of no less than six months nor more than twelve months.

III. Eligibility Information

1. Eligible Applicants: IHEs. As part of the application process, students submit individual applications to the IHE. The IHE then officially submits all eligible individual student applications with its grant application to the Department.

2. Cost Sharing or Matching: This program does not require cost sharing or matching.

IV. Application and Submission Information

1. Address to Request Application Package: Both IHEs and student applicants can obtain an application package by contacting Carla White, International Education Programs Service, U.S. Department of Education, 1990 K Street, NW., room 6000, Washington, DC 20006-8521. Telephone: (202) 502-7700 or by email: carla.white@ed.gov

If you use a telecommunications device for the deaf (TDD), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

Individuals with disabilities can obtain a copy of the application package in an alternative format (e.g., braille, large print, audiotape, or computer diskette) by contacting the program contact person listed in this section.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative is where the student applicant addresses the selection criteria that reviewers use to evaluate the application. The student applicant must limit the application narrative to no more than 10 pages and the bibliography to no more than 2 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative. However, student applicants may single space all text in charts, tables, figures, graphs, titles, headings, footnotes, endnotes, quotations, bibliography, and captions.
- Use a font that is either 12 point or larger; or, no smaller than 10 pitch (characters per inch). Student applicants may use a 10 point font in charts, tables, figures, graphs, footnotes, and endnotes. However, these items are considered part of the narrative and counted within the 10 page limit.
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limits only apply to the application narrative and bibliography. The page limits do not apply to the Application for Federal Assistance face sheet (SF 424); the supplemental information form required by the Department of Education; and the assurances and certification. However, student applicants must include their complete responses to the selection criteria in the application narrative.

We will reject a student applicant's application if the student applicant exceeds the page limits.

3. Submission Dates and Times:

Applications Available: September 24, 2008.

Deadline for Transmittal of Applications: November 13, 2008.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) available through the Department's e-Grants system. For information (including dates and times) about how to submit an IHE's application electronically, or in paper format by mail or hand delivery if an IHE qualifies for an exception to the electronic submission requirement, please refer to section IV. 6. Other Submission Requirements in this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in

connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. Intergovernmental Review: This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section in this notice.

6. Other Submission Requirements: Applications for grants under this program must be submitted electronically, unless an IHE qualifies for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program, CFDA Number 84.022A, must be submitted electronically using e-Application available through the Department's e-Grants system, accessible through the e-Grants portal page at: <http://e-grants.ed.gov>

We will reject an application if an IHE submits it in paper format unless, as described elsewhere in this section, the IHE qualifies for one of the exceptions to the electronic submission requirement and submits, no later than two weeks before the application deadline date, a written statement to the Department that the IHE qualifies for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

While completing the electronic application, both the IHE and the student applicant will be entering data online that will be saved into a database. Neither the IHE nor the student applicant may e-mail an electronic copy of a grant application to us.

Please note the following:

- The process for submitting applications electronically under the Fulbright-Hays Doctoral Dissertation Research Abroad Fellowship Program has several parts. The following is a brief summary of the process; however, all applicants should review and follow the detailed description of the application process that is contained in the application package. In summary, the major parts are as follows: 1) IHEs must e-mail the following information to ddra@ed.gov: name of university, and full name and e-mail address of potential project director. We recommend that applicant IHEs submit this information as soon as possible to ensure that applicant IHEs obtain access to the e-Application system well before the application deadline date. We suggest that applicant IHEs send this information no later than two weeks prior to the closing date, in order to facilitate timely submission of their applications; 2) Students must complete their individual applications and submit them to their IHE's project director using e-Application; 3) Persons providing references for individual students must complete and submit reference forms for the students and submit them to the IHE's project director using e-Application; and 4) The IHE's project director must officially submit the IHE's application, which must include all eligible individual student applications, reference forms, and other required forms, using e-Application. Student transcripts, however, must be mailed or hand

delivered to the Department on or before the application deadline date using the applicable mail or hand delivery instructions for paper applications in this notice.

- The IHE must complete the electronic submission of the grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The e-Application system will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that both the IHE and the student applicant not wait until the application deadline date to begin the application process.

- The regular hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that the system is unavailable on Sundays after 8:00 p.m., and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time, for maintenance. Any modifications to these hours are posted on the e-Grants Web site.

- Student applicants will not receive additional point value because the student submits his or her application in electronic format, nor will we penalize the IHE or student applicant if the applicant qualifies for an exception to the electronic submission requirement, as described elsewhere in this section, and submits an application in paper format.

- IHEs must submit all documents, except for student transcripts, electronically, including the Application for Federal Assistance (SF 424), the Supplement to the SF 424, and all necessary assurances and certifications. Both IHEs and student applicants must

attach any narrative sections of the application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If an IHE or a student applicant uploads a file type other than the three file types specified above or submits a password protected file, we will not review that material.

- Student transcripts must be mailed or hand delivered to the Department on or before the application deadline date in accordance with the applicable mail or hand delivery instructions for paper applications described in this notice.

- Both the IHE's and the student applicant's electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After the individual student applicant electronically submits his or her application to the student's IHE, the student will receive an automatic acknowledgment. In addition, the applicant IHE's project director will receive a copy of this acknowledgment by email. After a person submits a reference electronically, he or she will receive an online confirmation. After the applicant IHE submits its application, including all eligible individual student applications, to the Department, the applicant IHE will receive an automatic acknowledgment, which will include a PR/Award Number (an identifying number unique to the IHE's application).

- Within three working days after submitting the IHE's electronic application, the IHE must fax a signed copy of the SF 424 to the Application Control Center after following these steps:

(1) Print SF 424 from e-Application.

(2) The applicant IHE's Authorizing Representative must sign this form.

(3) Place the PR/Award Number in the upper right hand corner of the hard-copy signature page of the SF 424.

(4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on the SF 424 and other forms at a later date.

Application Deadline Date Extension in Case of e-Application System

Unavailability: If an IHE is prevented from electronically submitting its application on the application deadline date because the e-Application system is unavailable, we will grant the IHE an extension of one business day to enable the IHE to transmit its application electronically, by mail, or by hand delivery. We will grant this extension if--

(1) The IHE is a registered user of e-Application and the IHE has initiated an electronic application for this competition; and

(2) (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

(b) The e-Application system is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting the IHE an extension. To request this extension or to confirm our acknowledgement of any system unavailability, an IHE may

contact either (1) the person listed elsewhere in this notice under For Further Information Contact (see section VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If the system is down and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of the Department's e-Application system.

Exception to Electronic Submission Requirement: An IHE qualifies for an exception to the electronic submission requirement, and may submit its application in paper format, if the IHE is unable to submit an application through the e-Application system because--

- the IHE or a student applicant does not have access to the Internet; or
- the IHE or a student applicant does not have the capacity to upload large documents to the Department's e-Application system;

and

- No later than two weeks before the application deadline date (14 calendar days; or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), the IHE mails or faxes a written statement to the Department, explaining which of the two grounds for an exception prevents the IHE from using the Internet to submit its application. If an IHE mails a written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If an IHE faxes its written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax this statement to: Amy Wilson, U.S.
Department of Education, 1990 K Street, NW., room 6000, Washington, DC
20006-8521. FAX: (202) 502-7860.

The IHE's paper application must be submitted in accordance with
the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If an IHE qualifies for an exception to the electronic submission
requirement, the IHE may mail (through the U.S. Postal Service or a
commercial carrier) its application to the Department. The IHE must
mail the original and two copies of the application, on or before the
application deadline date, to the Department at the applicable
following address:

By mail through the U.S. Postal Service:

U.S. Department of Education
Application Control Center
Attention: (CFDA Number 84.022A)
400 Maryland Avenue, SW.
Washington, DC 20202-4260

or

By mail through a commercial carrier:

U.S. Department of Education
Application Control Center - Stop 4260
Attention: (CFDA Number 84.022A)
7100 Old Landover Road
Landover, MD 20785-1506

Regardless of which address the IHE uses, the IHE must show proof
of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by
the U.S. Postal Service.

(3) A dated shipping label, invoice, or receipt from a commercial carrier.

(4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If the IHE mails its application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If the IHE's application is postmarked after the application deadline date, we will not consider its application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, the IHE should check with its local post office.

c. Submission of Paper Applications by Hand Delivery.

If an IHE qualifies for an exception to the electronic submission requirement, the IHE (or a courier service) may deliver its paper application to the Department by hand. The IHE must deliver the original and two copies of the application, by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education
Application Control Center
Attention: (CFDA Number 84.022A)
550 12th Street, SW.
Room 7041, Potomac Center Plaza
Washington, DC 20202-4260

The Application Control Center accepts hand deliveries daily between 8:00:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If an IHE mails or hand delivers its application to the Department:

(1) The IHE must indicate on the envelope and--if not provided by the Department--in Item 11 of the SF 424 the CFDA Number, and suffix letter, if any, of the competition under which the IHE is submitting its application.

(2) The Application Control Center will mail a grant application receipt acknowledgment to the IHE. If the IHE does not receive the grant application receipt acknowledgment within 15 business days from the application deadline date, the IHE should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. General: For FY 2009, student applications are divided into seven categories based on the world area focus of their research projects, as described in the absolute priority listed in this notice. Language and area studies experts in seven discrete world area-based panels will review the student applications. Each panel reviews, scores, and ranks its applications separately from the applications assigned to the other world area panels. However, all fellowship applications will be ranked together from the highest to lowest score for funding purposes.

2. Selection Criteria: The selection criteria for this competition are from 34 CFR 662.21 and are listed in the following paragraphs. The maximum score for all of the criteria, including the competitive preference priority, is 105 points. The maximum score for each criterion is indicated in parentheses.

Quality of proposed project (60 points): In determining the quality of the research project proposed by the applicant, the Secretary considers (1) The statement of the major hypotheses to be tested or questions to be examined, and the description and justification of the research methods to be used (10 points); (2) The relationship of the research to the literature on the topic and to major theoretical issues in the field, and the project's originality and importance in terms of the concerns of the discipline (10 points); (3) The preliminary research already completed in the United States and overseas or plans for such research prior to going overseas, and the kinds, quality and availability of data for the research in the host country or countries (10 points); (4) The justification for overseas field research and preparations to establish appropriate and sufficient research contacts and affiliations abroad (10 points); (5) The applicant's plans to share the results of the research in progress and a copy of the dissertation with scholars and officials of the host country or countries (10 points); and (6) The guidance and supervision of the dissertation advisor or committee at all stages of the project, including guidance in developing the project, understanding research conditions abroad, and acquainting the applicant with research in the field (10 points).

Qualifications of the applicant (40 points): In determining the qualifications of the applicant, the Secretary considers (1) The overall strength of the applicant's graduate academic record (10 points); (2) The extent to which the applicant's academic record demonstrates strength in area studies relevant to the proposed project (10 points); (3) The applicant's proficiency in one or more of the

languages (other than English and the applicant's native language) of the country or countries of research, and the specific measures to be taken to overcome any anticipated language barriers (15 points); and (4) The applicant's ability to conduct research in a foreign cultural context, as evidenced by the applicant's references or previous overseas experience, or both (5 points).

VI. Award Administration Information

1. Award Notices: If a student application is successful, we notify the IHE's U.S. Representative and U.S. Senators and send the IHE a Grant Award Notice (GAN). We may notify the IHE informally, also.

If a student application is not evaluated or not selected for funding, we notify the IHE.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section in this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates its approved application as part of its binding commitments under the grant.

3. Reporting: At the end of the project period, the IHE must submit a final performance report, including the final reports of all of the IHE's fellows, and financial information, as directed by the Secretary. The IHE and fellows are required to use the electronic

reporting system International Resource Information System (IRIS) to complete the final report.

4. Performance Measures: Under the Government Performance and Results Act of 1993, the objective for The Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Fellowship Program is to provide grants to colleges and universities to fund individual doctoral students to conduct research in other countries in modern foreign languages and area studies for periods of 6 to 12 months.

The Department will use the following DDRA measures to evaluate its success in meeting this objective:

Performance Measure 1: The average language competency score of Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) Fellowship recipients at the end of their period of research minus their average score at the beginning of the period.

Performance Measure 2: Percentage of projects judged successful by program officers, based on information provided in annual performance reports.

Efficiency measure: Cost per fellow increasing language competency by at least one level in one (or all three) area.

The information provided by grantees in their performance report submitted via IRIS will be the source of data for this measure.

Reporting screens for institutions and fellows may be viewed at:

HIGHER EDUCATION PROGRAMS

AGENCY: OFFICE OF POSTSECONDARY EDUCATION, DEPARTMENT OF EDUCATION.

ACTION: FINAL REGULATIONS.

SUMMARY: THESE FINAL REGULATIONS REMOVE ALL REFERENCES TO POINTS IN THE SELECTION CRITERIA THE DEPARTMENT OF EDUCATION (DEPARTMENT) USES TO EVALUATE APPLICATIONS SUBMITTED UNDER THE HIGHER EDUCATION DISCRETIONARY GRANT PROGRAMS. WE ARE TAKING THIS ACTION BECAUSE THE CURRENT POINT ASSIGNMENTS ARE OUTDATED AND DO NOT PERMIT SUFFICIENT FLEXIBILITY TO ESTABLISH IMPORTANT PROGRAM OBJECTIVES. TAKING THIS ACTION ALLOWS US THAT FLEXIBILITY AND ENSURES THAT GRANT AWARDS ARE MADE TO HIGH QUALITY APPLICANTS. THE FINAL REGULATIONS ALSO REMOVE THE REQUIREMENT THAT IN COMPETITIONS FOR GRANTS UNDER THE PARTNERSHIP AND TEACHER-RECRUITMENT COMPONENTS OF THE TEACHER QUALITY ENHANCEMENT GRANTS PROGRAM, THE SECRETARY HOLD A TWO-STAGE COMPETITION IN WHICH APPLICANTS MUST SUBMIT A PRE-APPLICATION AND A FULL APPLICATION. THE CURRENT STRUCTURE DID NOT PROVE EFFECTIVE IN PRODUCING HIGH QUALITY APPLICATIONS FOR THIS PROGRAM. REMOVING THE REQUIREMENT FOR A PRE-APPLICATION REDUCES BURDEN ON APPLICANTS AND THE DEPARTMENT AND ALLOWS BOTH TO TARGET THEIR RESOURCES ON THE FULL APPLICATION STAGE.

THERE ARE SOME AMENDMENTS IN THESE FINAL REGULATIONS THAT ARE PURELY TECHNICAL CORRECTIONS TO THE REGULATIONS.

DATES: THESE REGULATIONS ARE EFFECTIVE APRIL 20, 2005.

[[PAGE 13372]]

PUBLISHED A NOTICE OF PROPOSED RULEMAKING (NPRM) FOR 34 CFR PARTS 606, 607, 611, 637, 648, 656, 657, 658, 660, 661, 662, 663, 664, AND 669 IN THE FEDERAL REGISTER (69 FR 76636). IN THE PREAMBLE OF THE NPRM, THE SECRETARY DISCUSSED ON PAGES 76636 AND 76637 THE MAJOR CHANGES PROPOSED TO THE CURRENT REGULATIONS. THESE ARE AS FOLLOWS:

THE SECRETARY PROPOSED REMOVING THE MANDATORY POINT VALUES FROM THE SELECTION CRITERIA IN THE REGULATIONS ASSOCIATED WITH THE APPLICATION PROCESS FOR DISCRETIONARY GRANT PROGRAMS. THESE AMENDMENTS PROVIDE THE SECRETARY WITH THE FLEXIBILITY TO SELECT SPECIFIC POINT VALUES FROM YEAR TO YEAR TO ADDRESS CURRENT PRIORITIES FOR THE PROGRAMS.

THE SECRETARY ALSO PROPOSED AMENDING 34 CFR PART 611, WHICH GOVERNS THE TEACHER QUALITY ENHANCEMENT GRANTS (TQE) PROGRAM. THIS AMENDMENT MAKES DISCRETIONARY THE EXISTING REQUIREMENT THAT IN COMPETITIONS FOR GRANTS UNDER THE PROGRAM'S PARTNERSHIP AND TEACHER-RECRUITMENT COMPONENTS, THE SECRETARY CONDUCT A TWO-STAGE PROCESS FOR SELECTING APPLICANTS INVOLVING THE SUBMISSION AND REVIEW OF PRE-APPLICATIONS AND FULL APPLICATIONS.

THERE WERE NO DIFFERENCES BETWEEN THE NPRM AND THESE FINAL REGULATIONS.

ANALYSIS OF COMMENTS

IN RESPONSE TO THE SECRETARY'S INVITATION IN THE NPRM, THE DEPARTMENT DID NOT RECEIVE ANY COMMENTS ON THE CHANGES TO THE TQE PROGRAM. SEVERAL PARTIES SUBMITTED COMMENTS ON THE PROPOSED REGULATIONS REGARDING REMOVAL OF MANDATORY POINT VALUES. AN ANALYSIS OF THE COMMENTS FOLLOWS.

GENERALLY, WE DO NOT ADDRESS TECHNICAL AND OTHER MINOR CHANGES—AND SUGGESTED CHANGES THE LAW DOES NOT AUTHORIZE THE SECRETARY TO MAKE.

ANALYSIS OF COMMENTS AND CHANGES

COMMENTS: SEVERAL COMMENTERS BELIEVED THAT THE ELIMINATION OF POINTS WILL RESULT IN SOME INSTITUTIONS BEING DENIED THE OPPORTUNITY TO COMPETE FOR GRANTS BECAUSE THEY WILL NOT HAVE ENOUGH TIME TO PREPARE BECAUSE OF THE CHANGE.

DISCUSSION: THE SECRETARY DOES NOT AGREE THAT ELIMINATING SPECIFIC POINT VALUES FROM THE REGULATIONS WILL REDUCE THE OPPORTUNITY FOR POTENTIAL GRANTEEES TO COMPETE FOR GRANTS. THE REGULATIONS CONTINUE TO SPECIFY THE CRITERIA USED IN MAKING THE GRANTS IN EACH PROGRAM. MOREOVER, THE POINTS TO BE AWARDED FOR EACH CRITERIA WILL BE SPECIFIED IN A FEDERAL REGISTER NOTICE OR IN THE APPLICATION PACKAGE, WHICH WILL BE AVAILABLE IN ENOUGH TIME FOR POTENTIAL APPLICANTS TO PREPARE THEIR APPLICATIONS.

Change: None.

Comment: Several commenters wrote that eliminating points from the criteria will result in a reduced focus on institutions that serve disadvantaged students or programs that serve a particular group.

DISCUSSION: THE SECRETARY UNDERSTANDS THE CONCERNS OF THE COMMENTERS. WE DO NOT BELIEVE THAT THE PROPOSED CHANGE WILL LEAD TO REDUCED FOCUS ON INSTITUTIONS THAT SERVE DISADVANTAGED STUDENTS OR PARTICULAR GROUPS OF STUDENTS. REMOVING POINT VALUES FROM THE REGULATIONS DOES NOT CHANGE THE SELECTION CRITERIA OR OTHERWISE CHANGE THE FOCUS OF THE PROGRAMS.

Change: None.

Comment: Several commenters stated that the elimination of points

would result in a preference for four-year institutions over two-year institutions.

DISCUSSION: WE HAVE NO REASON TO BELIEVE THAT THE REMOVAL OF POINTS FROM THE REGULATIONS WILL RESULT IN A PREFERENCE FOR FOUR-YEAR INSTITUTIONS OVER TWO-YEAR INSTITUTIONS IN GRANT AWARDS. THE SELECTION CRITERIA WILL REMAIN THE SAME, SO THE REMOVAL OF POINTS WILL NOT AFFECT THE SELECTION OF APPLICANTS.

Change: None.

EXECUTIVE ORDER 12866

1. Potential Costs and Benefits

We have reviewed these final regulations in accordance with Executive Order 12866. Under the terms of the order we have assessed the potential costs and benefits of this regulatory action.

The potential costs associated with the final regulations are those resulting from statutory requirements and those we have determined to be necessary for administering these programs effectively and efficiently.

In assessing the potential costs and benefits—both quantitative and qualitative—of these final regulations, we have determined that the benefits justify the costs.

We have also determined that this regulatory action would not unduly interfere with State, local, and tribal governments in the exercise of their governmental functions.

2. Summary of Potential Costs and Benefits

We discussed the potential costs and benefits of these final regulations in the preamble to the NPRM in the section titled Supplementary Information.

Regulatory Flexibility Act Certification

The Secretary certifies that these final regulations will not have a significant economic impact on a substantial number of small entities. Small entities affected by these regulations are small institutions of higher education. The changes will not have a significant economic impact on the institutions affected.

Paperwork Reduction Act of 1995

The Paperwork Reduction Act of 1995 does not require you to respond to a collection of information unless it displays a valid OMB control number. We display the valid OMB control numbers assigned to collections of information in these final regulations at the end of the affected sections of the regulations.

Assessment of Educational Impact

In the NPRM we requested comments on whether the proposed regulations would require transmission of information that any other agency or authority of the United States gathers or makes available.

Based on the response to the NPRM and on our review, we have determined that these final regulations do not require transmission of information that any other agency or authority of the United States gathers or makes available.

If you have any comments concerning the accuracy of the time estimates or suggestions for improving this form, please write to: U.S. Department of Education, Washington, DC 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: DDRA Program, IEPS/OPE, U.S. Department of Education, 400 Maryland Avenue, S.W., (1900 K Street, N.W. 6th Floor) Washington, DC 20202-4651.

Guidelines for Applicant Institutions

There are two parts to this application. The first part contains information and forms for the institution of higher education (institution). The second part contains instructions and forms for the student applicants.

Although the DDRA program funds student research, the legal applicant is the institution, and if a grant is awarded, the institution is the legal grantee. Students are not able to apply for this funding independently. In order to apply for this program, it is necessary for the student and the institution to coordinate their activities and keep each other informed.

Applications must be submitted electronically via the U.S. Department of Education's (US/ED) e-Application system. This system may be accessed at <http://e-grants.ed.gov>. Both the student and the institution must complete their portions of the application correctly and submit via e-Application. Students and Project Directors should read through the following guidelines and the information in this application package very carefully, especially the Closing Date Notice, and follow the instructions in order to submit a timely and complete application to US/ED.

The institution must appoint a Project Director. The Project Director is the individual at the university who will actually submit the application to US/ED, and who will administer the grant and disburse funds, should any students at the university receive funding. This individual is usually someone in the office of the Dean of Graduate Studies or Student Affairs. It is not recommended that a student's advisor serve as the Project Director. There can be only one Project Director at an institution, and that person administers the grant and serves as the point of contact for all of that institution's fellows, regardless of research topic or discipline.

Responsibilities of the Institution's Project Director

The Project Director at the applying college or university is responsible for:

- a) Registering as the Project Director for his/her university in the e-Application system. **In order to obtain a password and login information, he/she must first send his/her contact information to ED staff by the date specified in the Closing Date Notice. If he/she fails to do this, he/she may not be able to access e-Application and will not be able to transmit his/her institution's application package.**
- b) Completing Item #22:
 - 1) Screen individual student applications in accordance with the institution's own technical and academic criteria and the program's eligibility requirements;
 - 2) Indicate institutional endorsement of each student application by checking the box adjacent to each student's name;
 - 3) Indicate, for each student, whether Human Subjects Research Clearance (IRB) will be required by checking "Yes" or "No". Be sure to include the required narrative for each project involving human subjects as indicated in question #3 on the ED Supplemental Information for SF 424.
- c) Transmitting in a single submission all recommended individual Doctoral Dissertation Research Abroad applications, including the *Application for Federal Assistance* (SF 424), the *ED Supplemental Information for SF 424*, the *Assurances -- Non-Construction Programs* (ED Form 424B) and the *Certification Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements*

- to the U.S. Department of Education in accordance with the guidelines published in the Closing Date Notice for new awards and contained in the transmittal instructions.
- d) Collecting student transcripts and mailing them to US/ED postmarked no later than the Closing Date. Please mail student transcripts to Amy Wilson, DDRA Program, U.S. Department of Education, 1990 K St., NW, 6th floor, Washington, DC 20006-8521.
 - e) Announcing the preliminary results of the competition to individual applicants (i.e., candidate status, alternate status, non-selection). An executed copy of the Grant Award Notification between the U.S. Department of Education (ED) and the higher education institution listing fellowship holders and award benefits will constitute the official announcement of the award. The announcement will be made between April and June.
 - f) Administering the grant and disbursing funds.

Frequently Asked Questions for Project Directors

Q. How does the Project Director register in the e-Application system?

A. The registration process for the Project Director involves two (2) steps. The Project Director must first request access to the DDRA Project Director screens from the US/ED program officer. The Project Director must submit the following information to the program officer by the date specified in the published Closing Date Notice: name, institution, and e-mail address. Once the US/ED program officer informs the Project Director that access has been granted, the Project Director can register in the e-Application system. Obtaining access to the system and registering in the e-Application system are 2 separate steps.

Q. How many sections are there to the application, and who fills out what section?

A. There are two major sections to the e-application – the individual student applicant's section and the Project Director's section. Upon completion of the individual component of the application, the student submits all portions of the application (narrative, curriculum vitae, individual budget, notifications to his/her references, etc.) to the Project Director. The Project Director is responsible for reviewing all individual student applications of his/her institution and submitting them in a single submission, along with the required institutional components, to the US/ED. Only the Project Director can submit an application to US/ED.

Q. When the Project Director submits the e-application, where does it go?

A. After the Project Director hits the submit button, the entire application (both the student and institutional components) is sent electronically to US/ED. The Project Director will receive a confirmation e-mail that states: "Your application for Fulbright Hays Doctoral Dissertation Research Abroad Program, CFDA 84.022A, was received on XX (the date) at XX (the time submitted) Washington, D.C., time. This message will include the application's identifier number (P022A0900XX).

Q. When does the Project Director hit the submit button?

A. The Project Director hits the submit button BEFORE 4:30 pm Washington, D.C., time on the published closing date, and after: 1) All institutional and individual components of each individual student applicant, including graduate and foreign language references are submitted; 2) The Project Director has reviewed all individual applications; 3) The Project Director has approved each individual application by checking the box next to the applicant's name on "Item 22" on Application for Federal Assistance (SF 424).

Q. How does the Project Director review and approve the student applications for submission to US/ED?

A. The Project Director is able to review only applications that have been submitted to him/her by individual student applicants enrolled at his/her institution. The Project Director should consult "Item 22" on Application for Federal Assistance (SF 424) to see which students have submitted applications. To review an individual application, the Project Director should click on the student's name. This will link the Project Director to that individual's application. After the review of all individual applications has been completed, the Project Director indicates his/her approval of each application by clicking the acceptance box next to each name. Only Project Director-approved applications are included in the institutional submission to US/ED.

Q. Whom should the Project Director contact in the event of technical problems with e-application (e.g., problems pulling up a form)?

A. If the Project Director experiences any technical difficulties, the Project Director should contact the e-Application Help Desk at 1-888-336-8930 (TTY: 1-866-697-2696, local 202-401-8363) Monday-Friday from 8:00 a.m. to 6:00 p.m. Washington DC time.

Q. If the Project Director has a question specific to the DDRA program (e.g., eligibility requirements) whom should he/she contact?

A. If the Project Director has program specific questions, the Project Director should contact Ms. Amy Wilson at (202) 502-7689; or via email at amy.wilson@ed.gov.

Q. How are the student's Graduate and Language Reference Forms submitted?

A: The student applicant will submit, via the e-Application system, the referees' names and e-mail addresses. The referees will then receive e-mails, which are automatically generated from the e-Application system, with directions for completing and returning the reference forms. The e-mails will contain links to the forms and Personal Identify Numbers (PINs) for the referees. The references must click on the links and provide the PINs in order to be linked to the student's reference forms. Once the forms are completed, the referees click the submit buttons. After the referees hit the submit buttons, the forms have been submitted to the Project Director. Both the student and the Project Director can monitor the submission of, but cannot review, the reference forms by checking the icon next to the reference forms. An icon for a submitted form is a blank piece of paper with a check mark on it. Reference forms must be submitted before the Project Director submits the application to US/ED. We suggest that the Project Director set internal deadlines for the submission of references.

Q. Can the Project Director set his/her own institutional deadline so that he/she can meet the closing date published in the Federal Register?

A. Yes! The Project Director should set an institutional deadline for students and references so that he/she will have ample time to review the individual application material, solve technical problems and submit a complete institutional application in a timely fashion as specified in the Federal Register.

Q. If a Project Director has access to the DDRA Program screens, does the Project Director also have access to the Faculty Research Abroad (FRA) Program Screens?

A. No! Each program is separate and distinct in e-Application. The Project Director must register in each program separately in accordance with the instructions outlined in the Closing Date Notice published in the Federal Register. IEPS strongly suggests that potential Project Directors register in the e-Application system as soon as possible!

Q. What signatures are required for the e-Application?

A. The Project Director is responsible for submitting all documents electronically, including the Application for Federal Assistance (SF 424), and all necessary assurances and certifications. Within three days after submitting the electronic application, the Project Director MUST fax a signed copy of SF 424 to the Application Control Center, after obtaining the institution's Authorizing Representative's signature. We ask that Project Directors please place the application's identifier number (P022A0900XX) in the upper right hand corner of the hard copy signature page of the SF 424. US/ED may request original signatures on other forms at a later date.

Q. What other materials is the Project Director responsible for transmitting?

A. Students are responsible for obtaining an official copy of their graduate transcripts, and submitting this to the Project Director. The Project Director must collect transcripts from all of their institution's student applicants, and mail them to Amy Wilson, DDRA Program, U.S. Department of Education, 1990 K St., NW, 6th floor, Washington, DC 20006-8521, postmarked by the Closing Date.

Q. When will the Project Director be notified as to the status of the student applicants?

A. The review process for DDRA Program applications is lengthy and multi-faceted, so announcement times may vary. Candidate status is announced usually in April. It is the

responsibility of the institution to inform students of their status. US/ED does not inform students directly. Awards are issued between May and September.

Q. If an institution is awarded a DDRA grant, how will the Project Director know how to proceed?

A. If an institution receives a grant, the Project Director will receive a handbook with instructions on how to administer the grant.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1840-0005**. The time required to complete this information collection is estimated to average 35 hours for the student respondent and 40 hours for the project director per response, including time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimates or suggestions for improving this form, please write to: U.S. Department of Education, Washington, DC 20202-4651. If you have comments or concerns regarding the status of your individual submission of this form, write directly to: DDRA Program, IEPS/OPE, U.S. Department of Education, 400 Maryland Avenue, S.W., (1990 K Street, N.W. 6th Floor) Washington, DC 20202-4651.

Guidelines for Students

There are two parts to this application. The first section contains information and forms for the institution of higher education (institution). The second section contains instructions and forms for the student applicants.

Although the DDRA program funds student research, the legal applicant is the institution, and if a grant is awarded, the institution is the legal grantee. Students are not able to apply for this funding independently. In order to apply for this program, it is necessary for the student and the institution to coordinate their activities and keep each other informed.

Applications must be submitted electronically via the U.S. Department of Education's (US/ED) e-Application system. This system may be accessed at <http://e-grants.ed.gov>. Both the student and the institution must complete their portions of the application correctly and submit via e-Application. Students and Project Directors should read through the following guidelines and the information in this application package very carefully, especially the Closing Date Notice, and follow the instructions in order to submit a timely and complete application to US/ED.

The institution must appoint a Project Director. The Project Director is the individual at the university who will actually submit the application to US/ED, and who will administer the grant and disburse funds, should any students at the university receive funding. This person is usually someone in the office of the Dean of Graduate Studies or Student Affairs. It is not recommended that a student's advisor serve as the Project Director. There can be only one Project Director at an institution, and that person administers the grant and serves as the point of contact for all of that institution's fellows, regardless of research topic or discipline.

A student should:

- Read the entire application package carefully.
- Contact his/her university's Project Director as soon as possible, to inform him/her that he/she will be submitting an application.
- Register in the e-Application system as a student, and construct his/her application.
- Be sure to initiate the e-mails to his/her references as early as possible, to avoid last minute delays.
- Submit his/her completed application via the e-Application system well in advance of the Closing Date. (It is a good idea for a student to contact the Project Director and let him/her know when the student has submitted his/her application)
- Confer with the Project Director before the Closing Date to ensure that all portions of the application were submitted successfully, and no changes need to be made.
- Prepare the required narratives if the project involves Human Subjects Research and/or requires IRB approval, and submit these narratives to the Project Director well in advance of the Closing Date. The instructions regarding Human Subjects Research are located in the Instructions for ED Supplemental Information for SF 424 on page B9 of this application booklet.

- Obtain an official copy of his/her graduate transcripts and deliver it to the Project Director before the Closing Date.

Program Objective

Section 102(b)(6) of the Mutual Education and Cultural Exchange Act of 1961 (Fulbright-Hays Act) has as its objective the promotion, improvement, and development of modern foreign languages and area studies throughout the educational structure of the United States. To help accomplish this objective the Doctoral Dissertation Research Abroad Program provides opportunities for scholars to conduct research overseas in the field of modern foreign languages and area studies.

For the purpose of these programs, area studies is defined as a program of comprehensive study of the aspects of a society or societies, including the study of their geography, history, culture, economy, politics, international relations, and languages.

Research overseas means research outside the United States and its territories. Research will not be funded in countries in which the United States has no diplomatic representation or which are specifically excluded in the Notice of Closing Date contained in this application.

For a complete description of the program, consult the US Department of Education Regulations 34 Code of Federal Regulations Parts 662.

Eligibility Requirements

To be eligible to receive a fellowship under the DDRA Program, a student must:

1. (a) Be a citizen of the United States; or
(b) Be a permanent resident of the United States;
2. Be a graduate student in good standing at an eligible institution of higher education and who, when the fellowship period begins, has been admitted to candidacy in a doctoral degree program in modern foreign languages and area studies at that institution;
3. Plan a teaching career in the United States upon graduation, or who plan to apply language skills (in world areas vital to US national security) and knowledge of these countries in the fields of government, international development, and various professions; and
Possess adequate skills in the foreign language(s) necessary to carry out the dissertation research project.

Note: Students may not accept certain grants in the same fiscal year that they receive a US/ED Fulbright-Hays grant. If a student accepts both a US/ED Fulbright-Hays grant and another grant, it may be necessary for the student to choose which grant to accept, or to negotiate a cost-sharing arrangement, so that funding is not duplicated. Student applicants who have received support for more than 6 months under the DDRA Program are not eligible to re-apply.

Instructions for Students - Fulbright-Hays Application Form

In order that each individual applicant is properly evaluated in accordance with the published procedures, eligibility requirements, and evaluation criteria, each individual scholar applying for the Fulbright-Hays fellowship must complete this electronic form.

Item 1-4: Self-explanatory

Item 5: Select the name of the institution through which you are applying. If your institution does not appear on this drop-down list, please contact your project director. Only institutions whose project directors have registered in e-Application appear on this list. Please ensure that you choose the right campus (i.e., University of Texas at Austin, University of Texas at Brownsville, etc.). A student planning to conduct dissertation research must apply to the DDRA Program through the university in which he/she or she is enrolled in a doctoral program.

Items 6-7: Self-explanatory

Item 8: Indicate all countries in which you plan to conduct research with Fulbright-Hays Doctoral Dissertation Research Abroad support.

Item 9: Indicate all the foreign languages to be used in your research during the fellowship period and obtain a completed *Fulbright-Hays Foreign Language Reference Form* for each foreign language listed.

If English is the language of research, you must list it here, but a Foreign Language Reference Form is not required. Please see criteria 3 under Qualifications of the Applicant.

Item 10: Indicate the start and end dates for conducting your research under the fellowship. Activation of the award may be as early as July 1 for students, provided: a US/ED Grant Award Notification has been executed; travel has been approved; the appropriate research clearances and research visas have been secured by the individual scholar; and, if requested, human subjects research clearance has been obtained. All research and travel must be completed by December 31 of the year following the year in which the grant is made.

Graduate students may receive fellowships for a period of 6 to 12 months for full time doctoral dissertation research abroad. Fellowships are not renewable.

Item 11: Indicate the date on which you were or will be advanced to candidacy for a doctoral degree. An applicant must be advanced to candidacy by the time his/her or her overseas research begins, but not necessarily at the time of application.

Note: Fellowships are from 6 to 12 *consecutive* months in the field. Fellows may not leave their research sites for the duration of the research period, except in cases of family or medical emergencies. Fellows have 18 months in which to schedule their research periods. Family events such as weddings or anniversaries, or academic events such as conferences or presentations, should be taken into account by the fellow when planning his or her research.

Item 12: Self-explanatory

Item 13: If resident alien, provide Alien Registration Number, country of birth, and previous citizenship. Please refer to the program's citizenship requirements in the program-specific regulations.

Item 14: Self-explanatory

Item 15: Note that doctoral candidates planning careers other than teaching are eligible to apply.

Item 16: Self-explanatory

Item 17: Provide an abstract of no more than 120 words describing your proposed research including a summary of the research to be conducted as well as institutional and individual affiliations.

Item 18: Self-explanatory

Item 19: Indicate previous relevant foreign travel, period of stay and purpose (e.g., participation in an overseas language program) and specify all previous travel to the proposed host countries listed in item 8.

Items 20-21: Indicate whether you are in default on any U.S. Department of Education Student Financial Assistance loan, U.S. Department of Education grant or any other Federal loan.

Item 22: Indicate all previously held fellowships.

Item 23: Indicate current applications for other fellowships. (Note: please see **Important Note Regarding Host Country Research Clearances** on Page C6)

Item 24: Enter the name, address and telephone number of the physician or certified nurse practitioner, and the date of recent physical exam. This is to ensure that the applicant is physically capable of carrying out the proposed research project. Do not send a separate medical evaluation. Actual signatures may be requested at a later date.

Item 25a: List, starting with the airport closest to your address, all points of travel related to your proposed project departure from and return to the United States (e.g., Philadelphia, PA - London, UK – Johannesburg, SA - London, UK - Philadelphia, PA). The itinerary should not exceed a 12-month period and must include all countries for which a maintenance allowance is requested.

All international travel estimates should be based on commercial high season rates for jet economy travel on U.S. flag carriers and should also include baggage fees. If approved in advance, international travel by automobile, train, or ship may be authorized in certain cases. The cost of travel by surface carrier may not exceed the cost of jet economy travel via the most direct route for the itinerary listed in the Grant Award Notification. Travel by sea also must be on a U.S. flag carrier.

You will not be authorized to travel on grant funds until you have secured the appropriate "research" visas, research permission, and, if necessary, the appropriate affiliation with a host country institution. All travel paid for with grant funds must be in accordance with the **Fly America Act** (International Air Transportation Fair Competitive Practices Act of 1974, PL 93-624, PL 96-192). This means that travel must be on American carriers wherever available, regardless of cost. In cases of "code-share" tickets between an American and an overseas carrier, the name and flight number of the American carrier, rather than those of the overseas carrier, must be displayed on the airline tickets. Travel must be

approved by the Education Program Staff, US/ED before a fellow departs. No support for dependents' travel is provided.

Item 25b: Enter the maintenance stipend for all countries of research utilizing the information provided in the link to **Fulbright-Hays Maintenance Allowances**. Allowances from other than personal sources (e.g. fellowships) which duplicate benefits received under this program will be deducted from the fellowship. Adjustments will also be made in cases where other organizations assume all or part of a fellow's maintenance costs.

Item 25c: A dependent means any of the following individuals who will accompany you to your research site and for whom you will be providing over 50 percent support during the entire overseas research period:

a. spouse of program participant ; The word "marriage" means only a legal union between one man and one woman as husband and wife, and the word "spouse" refers only to a person of the opposite sex who is a husband or a wife. These definitions are found in 1 USC Section 7, commonly known as the "Defense of Marriage Act" and apply to all federal programs; or

b. children unmarried and under 21 years of age.

Note: Dependents must accompany the researcher for the entire research period in order to be eligible for an allowance.

Enter the dependents' allowance by referring to the **Fulbright-Hays Maintenance Allowances**.

Item 25d: Compute and justify in detail your needs for this allowance that may include expenses such as books, copying, tapes, film, travel within host countries, affiliation fees, etc.

This allowance does not cover any visa fees, expenses of passports including photographs, equipment costs (laptops, digital cameras, recorders, etc.), research or transcription assistants, language tutoring, tuition or fees that might be required by the American grantee institution, or medical expenses such as malaria pills or vaccinations.

Item 25e: The Department of Education will include sufficient funds to enable an institution to purchase basic health and accident insurance for each student fellowship recipient only. The university may use its discretion whether to use a university-contracted carrier or a student-contracted carrier. Compute the amount requested utilizing group rates of university-contracted carriers for coverage overseas. The amount requested for insurance must be prorated to reflect only the student's time in the field.

Item 25f: Fixed \$100 administrative fee paid to institution.

Item 25g: This will be the sum of 25a-f.

Item 26-27: Self-explanatory

Item 28: The curriculum vita must be uploaded into the e-Application system. It should be brief and address those previously cited evaluation criteria focused on the qualifications of the individual applicant. You should list relevant course work dealing with your language and area studies specialization; indicate fellowships and honors received; describe your publications record and any other items which, in your opinion, give a panel of scholars a comprehensive view of your past achievements, ability to successfully complete the particular research described in this proposal, and overall promise as a teacher and/or research scholar

Item 29: The application narrative must be uploaded as an attachment into the e-Application system.

Please note the page limitations specified in the Closing Date Notice.

You should develop your application narrative taking into account the evaluation criteria provided in the sample Technical Review Form. Please note that in addition to language and area studies scholars, non-specialists are included in the evaluation process and that host country officials will review your application and ultimately decide whether research permission is granted, you may also wish to consider the following factors when developing your narrative:

- a. Host country political sensitivities and interests
- b. Feasibility of research
- c. Safety and security concerns
- d. The use of English that can readily be understood by well-educated non-specialists.

Awards are not made to applicants planning to conduct research on topics that are determined to be politically sensitive or unfeasible by the US Embassy or Fulbright Commission in the host country. It should also be noted that the U.S. Department of Education will not submit to the host country "dummy" proposals (i.e., proposals that do not accurately reflect the research purpose in the hope of avoiding difficulties with host country acceptance of the proposal).

Instructions for Fulbright-Hays Foreign Language Reference Form

The language reference form, which is required for this program, should be completed by a specialist in the language. Student applicants must initiate an e-mail to their referring specialists via the e-Application system. Upon receipt of this e-mail, the reference will be able to access the e-Application system and complete the reference form. When the reference submits the form, it will automatically become part of the student's application, so that it is submitted to US/ED when the Project Director transmits the entire application package. All completed reference forms must be submitted to the Project Director for transmittal to US/ED via e-Application. Do not submit your references directly to US/ED, as they will not be accepted or included with your application.

A completed reference for each language listed in item 9 of the *Fulbright-Hays Training Grants Application Form* must be submitted.

Instructions for Fulbright-Hays Graduate Student Reference Form

One of the three personal references must be obtained from the student's dissertation advisor. Student applicants must initiate an e-mail to their references via the e-Application system. Upon receipt of this e-mail, the reference will be able to access the e-Application system and complete the reference form. When the reference submits the form, it will automatically become part of the student's application, so that it is submitted to US/ED when the Project Director transmits the entire application package. All completed reference forms must be submitted to the Project Director for transmittal to US/ED via e-Application. Do not submit your references directly to US/ED as they will not be accepted or included with your application.

Instructions for Assembly, Duplication and Transmission

You must check with your institution to determine if your institution will be submitting all applications via e-Grants, as required in the Federal Register, or if it has been granted a waiver from that requirement. All of the institution's applications must be submitted in the same format.

Upon submittal via e-Application, students' applications will become available to their university's Project Director for review and transmittal to the U.S. Department of Education. **Only the Project Director is able to submit the application to the U.S. Department of Education.** A completed student application should contain the items specified below:

- Fulbright-Hays DDRA Application Form
- Curriculum vita
- Application narrative
- Application bibliography
- One Fulbright-Hays Foreign Language Reference Form, for each language needed to conduct the research outlined, submitted by your referring specialist via e-Application
- Three Fulbright-Hays Graduate Student Reference Forms submitted by your referring specialists via e-Application
- Graduate Transcripts submitted to your Project Director
- Any letters of affiliation you wish to include. Note: Letters of Affiliation must be uploaded to e-Application. **LETTERS OF AFFILIATION MAY NOT BE MAILED.**

A complete institutional application to the DDRA Program is the sum of all completed student applications, plus the Application for Federal Assistance (SF 424), the ED Supplement to the 424, the *Assurances -- Non-Construction Programs (SF 424B); Certification Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; and Disclosure of Lobbying Activities* (if applicable). University Project Directors must submit the application to the US/ED via e-Application, in accordance with the guidelines published in the Closing Date Notice. University Project Directors must mail transcripts separately to: DDRA Program, U.S. Department of Education, 1990 K St., NW, 6th floor, Washington, DC 20006-8521. Transcripts must be postmarked by the

deadline date. **Failure to meet the deadline published in the Federal Register will mean rejection of the application without consideration. There is no appeal of this requirement.**

Important Note Regarding Host Country Research Clearances

When Fulbright Commissions or other overseas organizations apply for host country clearance for a DDRA fellow's project, US/ED expects that the organization will use the proposal submitted to USED by that fellow for the DDRA competition. It is not acceptable to "transfer" clearances from a project submitted under one program's competition to a project submitted under another program's competition, in order to expedite clearance. The project that we fund must be the one submitted to US/ED that was reviewed and scored by US/ED peer reviewers according to the DDRA program's selection criteria, and has undergone US/ED review procedures. This review process is the basis of US/ED funding decisions, which are approved by officials throughout the Department. US/ED understands that the proposals that students submit for other programs may be "basically" the same, but we simply do not have the ability to verify this. The proposals for other programs often have different page limits, requirements and selection criteria, resulting in an application that is really quite different from what was submitted to US/ED. US/ED can only be responsible for funding the projects submitted under the DDRA program.

USED urges fellows to begin the clearance process as soon as possible, and to understand that they may have to be flexible with regard to when they begin their research.

Frequently Asked Questions for Student Applicants

Q: *Can a student apply independently of his/her university?*

A: No. Eligible applicants are institutions of higher education in the U.S. The student's application must be submitted through the appropriate channels at his/her university, and transmitted to US/ED via e-Application by the university's Project Director.

Q: *How does a student know who his/her Project Director is?*

A: A student should check the list of Project Directors listed in this application package. If a university has submitted applications for DDRA funding before, chances are there is already an experienced Project Director appointed. If an institution does not appear on the list, it may be necessary for that university's administration to appoint a Project Director, and ensure that he/she registers in the e-Application system.

Q: *What is the student's academic advisor's role?*

A: The student's advisor will continue to serve as his/her mentor regarding the academic details of his/her research, and any changes to the student's research plans as proposed in the application will require the advisor's written approval. The advisor should not serve as the student's Project Director. There can be only one Project Director at an institution, and that person administers the grant and serves as the point of contact for all of that institution's fellows, regardless of research topic or discipline.

Q: *How many sections are there to the e- Application and who fills out what section?*

A: There are two primary sections to the e-Application – the student's individual section and the section to be completed by the Project Director. Upon completion of his/her section, the student submits his/her application to the Project Director via e-Application. The Project Director is responsible for reviewing the student's individual application and submitting it, along with the Project Director's portion, which contains the required federal forms, to US/ED. Included in this submission are the graduate and language reference forms that were transmitted to the Project Director by the references. Only the Project Director can submit an application to US/ED.

Q: *When the student clicks "submit" in the e-Application system, where does his/her application go?*

A: When the student submits his/her application via the e-Application system, it is transmitted to his/her university's Project Director for review and submission to US/ED. Student applicants are not able to transmit their applications directly to US/ED.

Q: *When should a student submit his/her application?*

A: The Project Director determines the internal deadline by which all sections of the application must be submitted. It is the responsibility of the student to ensure that the graduate and language references are submitted by references no later than the institution's internal deadline.

Q: *To whom does the Closing Date apply?*

A: The Closing Date is the date by which the university's Project Director must submit all components of the application to US/ED via e-Application. It is recommended that the Project Director have access to all sections of the application well in advance of this date. Application materials may not be submitted after the published Closing Date.

Q: *How will a student know that his/her Project Director has access to his/her application?*

A: After the student submits his/her application via e-Application, he/she will receive a notification e-mail stating that his/her application has been received by the Project Director at his/her university. If he/she does not receive this e-mail, the student should contact the Help Desk immediately. The Project Director will be copied on the email notification; nevertheless, the student may want to contact the Project Director to let the Project Director know that the student has submitted an application.

Q: How does a student know that the Project Director has submitted his/her application to US/ED?

A: The student will not receive a notification e-mail when the Project Director transmits the application to US/ED. Only the Project Director will receive a notification e-mail. The student must check with his/her institution's Project Director to determine whether the application has been submitted.

Q: What must a student do aside from completing and submitting his/her part of the application via e-Application?

A: Students are responsible for obtaining an official copy of their graduate transcripts, and submitting these to the Project Director in time for the Project Director to transmit them to US/ED by the Closing Date. Though not required, students may also submit copies of their undergraduate transcripts if it helps to demonstrate their academic qualifications.

Q: May a student apply for support to go to more than one country?

A: Yes, a student may propose research in multiple countries.

Q: Even though the DDRA Program doesn't fund proposals that focus on Western European topics, may a student go to Western Europe to consult or research human or material resources on a non-Western European topic not available in the U.S.?

A: Yes.

Q: Are U.S. citizens studying at foreign institutions eligible for the DDRA program?

A: No, eligible applicants are institutions of higher education in the U.S.

Q: How important is the page limit cited in the Closing Date Notice?

A: The page limit is extremely important. If the student's application narrative exceeds the page limit, the application will be disqualified and will not be reviewed for funding. Please adhere strictly to the page limit guidelines in the Closing Date Notice.

Q: Should students include endnotes, footnotes or a bibliography? How long should they be?

A: Endnotes, footnotes or a bibliography will certainly strengthen an application. However, footnotes and endnotes will be subject to the page limit restrictions specified in the Closing Date Notice for the application narrative and bibliography.

Q: What if a student proposes to use a much less commonly taught language and cannot find someone to evaluate him/her?

A: The student should call Amy Wilson at (202) 502-7689. We will gladly assist students in finding qualified evaluators. An application will be significantly less competitive if a language reference form is not included.

Q: Should Letters of Affiliation from overseas host institutions or organizations be included in an application?

A: Yes, these letters are helpful to the panel in evaluating an application. Students must scan or upload the letters into the e-Application system as "Host Country Supporting Materials" and submit them electronically as attachments with their applications. Letters or references sent in the mail will not be included with the student's application.

Q: Do the provisions of the "Fly America Act" apply to this program? Does it benefit a student's application to request a lower amount, if he/she can find a cheaper non-U.S. carrier airfare?

A: No, all travel must comply with the Fly America Act. International travel budget estimates ought to be based on jet economy high season rates on U.S. Flag carriers where available. Reviewers do not evaluate a student's budget request as part of the application review process.

Q: *What if a student is planning to get married after he/she applies, or is expecting a baby? Is he/she eligible for a dependent's allowance?*

A: Availability of funds and the date of the marriage or birth will determine whether an allowance can be awarded.

Q: *What signatures are required for e-Application?*

A: No signatures are necessary for the student's application at the time of application submittal. However, signatures from a student's doctor/nurse practitioner and advisor may be requested at a later date.

Q: *Whom should the student contact in the event of technical problems with e-application (e.g., problems pulling up a form)?*

A: If the student experiences any technical difficulties, he/she should contact the e-Application Help Desk at 1-888-336-8930 (TTY: 1-866-697-2696, local 202-401-8363) Monday-Friday from 8:00 a.m. to 6:00 p.m. Washington D.C., time.

Q: *If the student has a question specific to the DDRA program (e.g., eligibility requirements) whom should he/she contact?*

A: If the student has programmatic questions, he/she should contact Ms. Amy Wilson at (202) 502-7689; or via email at amy.wilson@ed.gov.

Q: *When will students be notified whether or not they have been selected?*

A: The review process for DDRA Program applications is lengthy and multi-faceted, so announcement times may vary. Candidate status is announced usually in April. It is the responsibility of the institution to inform students of their status. US/ED does not inform students directly. Awards are issued between May and September.

Q: *When may fellowships be activated?*

A: A fellowship may be activated after a Grant Award Notification (GAN) has been issued, host country visa and research requirements have been met; human subject research clearance, if required, has been given by the student's institution; and travel approval has been obtained by the Project Director from US/ED. The GAN will specify the performance and budget periods. All research must be completed during these periods.

Q: *If a student relocates after submitting his/her application, should he/she send US/ED address updates?*

A: No, students should provide that information to their Project Directors.

Q: *May the university accept the award on a student's behalf if the student is overseas during the notification period?*

A: Yes, provided the student has not received a fellowship that duplicates the DDRA award benefits. The student should leave a letter with the Project Director authorizing him/her to accept the award on the student's behalf.

Q: *Must a fellow apply for his/her own visa and research clearance?*

A: Yes. Fellows are advised to contact the host country Fulbright Commissions and US embassies for guidance on obtaining visas and clearances.

Q: *May a student request copies of his/her application's reviewers' comments?*

A: All reviewers comments will be sent to the institutional Project Director upon announcement of the awards. Students should contact their Project Director at that time for a copy.

Fulbright-Hays Maintenance Allowances
Section D

Fulbright-Hays training grants maintenance allowances are based on current cost-of-living data provided by the Department of State. Additional and more up-to-date information on costs of living obtained at the time individual applications are reviewed by diplomatic missions and binational commissions overseas may require modifications of these rates at a later date. The allowances of fellows jointly sponsored by US/ED and other organizations [e.g., International Research and Exchanges Board (IREX), Social Science Research Council (SSRC)] will be adjusted according to formulas agreed upon between agencies.

Applications Submitted Electronically

Fulbright-Hays DDRA student applicants may access e-Application on the e-Grants web site and construct their applications. When student applicants submit their application via e-Application, the application IS NOT TRANSMITTED to the U.S. Department of Education; rather, it becomes available to the student applicant's university project director for review and submittal. It is the institution's project director who is responsible for transmitting all student applications to the U.S. Department of Education via e-Application by the Closing Date. Student applicants should contact their university's project director well in advance of the deadline to ensure that the project director has received all of the student's required application materials.

Project Directors must submit the grant application through the Internet using the software provided on the e-Grants Web site (<http://e-grants.ed.gov>) by 4:30 p.m. (Washington, DC time) on the application deadline date. The regular hours of operation of the e-Grants website are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until midnight Saturday (Washington, DC time). Please note that the system is unavailable on Sundays, and after 7:00 p.m. on Wednesday for maintenance (Washington, DC time). Any modifications to these hours are posted on the e-Grants Web site.

Upon successful submission of the institution's application through the Internet via the e-Grants Web site, project directors will receive an automatic e-mail acknowledgment when the U.S. Department of Education receives your application.

For technical assistance with e-Application, please contact the e-Grants Help Desk at 1-888-336-8930.

ATTENTION: For additional information on e-Grants, including the requirements for requesting a waiver, please consult the Closing Date Notice published in the Federal Register, which is included in this application package.

PROTECTION OF HUMAN SUBJECTS IN RESEARCH

I. Definitions and Exemptions

A. Definitions.

A RESEARCH ACTIVITY INVOLVES HUMAN SUBJECTS IF THE ACTIVITY IS RESEARCH, AS DEFINED IN THE DEPARTMENT'S REGULATIONS, AND THE RESEARCH ACTIVITY WILL INVOLVE USE OF HUMAN SUBJECTS, AS DEFINED IN THE REGULATIONS.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as "a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge." *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes.

For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as "a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information." (1) *If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met.* (2) *If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption***

2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed. [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked “Yes” for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects “exempt research” or “nonexempt research” narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

A. Exempt Research Narrative.

Government Performance and Results Act (GPRA)

What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a straightforward statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 2007-2012. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

- Goal 1: Increase student achievement, reward qualified teachers, and renew troubled schools so that every student can read and do math at grade level by 2014, as called for by the No Child Left Behind Act.*
- Goal 2: Encourage more rigorous and advanced coursework to improve the academic performance of our middle and high school students.*
- Goal 3: Work with colleges and universities to improve access, affordability, and accountability, so that our higher education system remains the world's finest.*

The performance indicators for the International Education Programs are part of the Department's plan for meeting Goal 3.

What is the Performance Indicator for the Fulbright Hays Doctoral Dissertation Research Abroad Program?

The Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) program, provides grants to colleges and universities to fund individual doctoral students to conduct research in other countries in modern foreign languages and area studies for periods of 6- to -12 months. Under the Government Performance and Results Act, the Department will use the following measures to evaluate the success of the program in meeting this objective.

DDRA Performance Measures:

- a. The average language competency score of Fulbright-Hays Doctoral Dissertation Research Abroad (DDRA) fellowship recipients at the end of their period of instruction minus their average score at the beginning of the period.
- b. Percentage of Fulbright-Hays Doctoral Dissertation Research Abroad projects judged to be successful by the program officer, based on a review of information provided in annual performance reports

The information provided by grantees in their performance reports submitted via the electronic International Resource Information System (IRIS) will be the source of data for this measure.
