Re: Case Number:

Dear Mr. Wilson:

This office has recently completed an audit of Millwrights Local Union 1545 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with John Wilson on July 27, 2006, the following problem was disclosed during the CAP. The matter is not the only possible problem area since the audit conducted was limited in scope.

The CAP disclosed the union and its responsible officers failed to file required financial reports with the Secretary of Labor, in violation of LMRDA Section 201(b). This violation was resolved during the conduct of the audit. The delinquent Form LM-3 was filed on June 19, 2006.

I want to extend my personal appreciation to Millwrights Local Union 1545 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,
