### **MEMORANDUM OF UNDERSTANDING MARKET RECOVERY AGREEMENT**

THIS AGREEMENT is made and entered into by and between LABORERS' INTERNATIONAL UNION OF NORTH AMERICA, STATE OF INDIANA DISTRICT COUNCIL FOR AND ON BEHALF OF ITS AFFILIATED LOCAL UNIONS AND INDIANA CONSTRUCTORS, INC., LABOR RELATIONS DIVISION for the purpose of making the contractors signatory to this Agreement more competitive in a market that is now beyond the realm of possibility and to create added jobs for the unemployed members of Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Unions.

It is agreed the wage rates for work being performed and defined in Article XXVIII "Wages" of the Collective Bargaining Agreement titled "Heavy and Highway" and hereinafter referred to as "Master Agreement" negotiated by and between Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated

Local Unions and Indiana Constructors, Inc., Labor Relations Division shall be eighty (80%) per cent of the basic wage rate plus 100% fringe benefit package as defined in the Master Agreement.

This memorandum agreement covers all heavy/highway projects with a bid price less than \$200,000.00. On heavy/highway projects of more than \$200,000.00 which are mutually agreed to by both the Union and the contractor and upon notice of the contractors intention, such heavy/highway projects will be within the scope and intent of this memorandum agreement.

Provided that if a Market Recovery Agreement is reached between Indiana Constructors, Inc., Labor Relations Division and any other craft performing work on said project then the percentage rate paid to the Laborers covered by this memorandum shall be not less than that paid to any other craft. The Union may cancel this Agreement as to a particular contractor if in its sole judgment the Union believes the said contractor has violated or abused this Agreement. Provided further, should difference of opinion arise pertaining to work covered by this Memorandum Agreement, the difference of opinion shall be settled in accordance with Article XVIII "Grievance Procedure" of the Master Agreement. All other terms and conditions of the Master Agreement shall apply.

This Agreement shall not apply to projects already in progress nor to projects having been bid prior to the

signing of same.

It is agreed this Agreement shall be subject to review on or before March 1 of each year by a Committee appointed by the Laborers' International Union of North America, State of Indiana District Council for and on behalf of its affiliated Local Unions and Indiana Constructors Inc., Labor Relations Division for the purpose of determining the value and effectiveness of said Agreement. If it is determined by either Party this Agreement has not been effective in making the signatory contractors more competitive in this Market Place and produced more employment for the members of Laborers' International Union of North America, then this Agreement may be revised for the purpose of making it more effective or it may be cancelled March 1 of each year. If proven effective, then these conditions shall be extended from year to year subject to Committee review and recommendation on or before March 1 of each succeeding year. It is also suggested this Committee meet each four (4) months of this Agreement for discussion and evaluation.

## **ARTICLE XXX**

### **BONDING**

**Section 1.** Every Employer who employs members of the Union and agrees to be covered or maintain the provisions of this Agreement may be required by the Union to give a surety bond payable to the Laborers

The Employer shall furnish a surety bond as prescribed below within fourteen (14) days after notice from the Laborers' Fringe Benefit Funds that such is required. The amount of the surety bond shall be as follows:

1 through 10 men . . . . .	\$10,000.00
at 15 men . . . . .	\$15,000.00

at 25 men . . . . .	\$25,000.00
at 30 men . . . . .	\$30,000.00

**Section 2.** The Fringe Benefit Funds may require an Employer to give and provide the surety bond provided for herein if at any time: (1) the Employer has been late fifteen (15) days or more in the payment of any of its monetary obligations under this Agreement; or (2) the Employer has been late in the payment of any such obligation two (2) consecutive times during the immediately preceding twelve (12) months; or (3) the Employer has not worked within the Union's geographical jurisdiction under this Agreement during any of the immediately preceding twelve (12) months.

If after giving and providing such surety bond the Employer is not late in the payment of its monetary obligations during the next following twelve (12) months, the Employer shall be released from the requirement to provide a surety bond unless the conditions specified in the first sentence of this Section recur.

**Section 3.** When a surety bond is demanded, the Employer will obtain such in the required amount, from a company acceptable to the Fringe Benefit Funds, and the benefit funds specified in this Agreement shall be the sole beneficiaries of the bond. The bond will be given to the Fringe Benefit Funds where it will be kept.

**Section 4.** Should an Employer fail or refuse to provide the required surety bond, when such is demanded by the Union, or should an Employer fail to keep a bond in effect at all times said Employer is required to have one, the Union shall have the right to strike and/or picket, after notice, and use all other legal and/or economic means to cause the Employer to comply with this Article.

**Section 5.** Except as provided in Section 9, the Employer shall participate in the Apprenticeship

Program by considering Apprentices for employment upon referral by the Union. The Employer shall have the sole right to reject, at any time, any Apprentice referred to it, or working for it. The Employer is not obligated to accept more than one (1) Apprentice for every five (5) Journeyworkers commencing with the sixth Laborer needed by the Employer. This ratio shall be measured on a company wide basis, and does not require an Employer to have a sixth Laborer, if only five are needed, as determined by the Employer.

**Section 6.** The Employer may not employ an Apprentice until at least one (1) Journeyworker is employed and thereafter may not employ more than one (1) Apprentice for every additional three (3) Journeyworkers.

**Section 7.** An Apprentice should, whenever practical, be rotated by the Employer through different types of work so as to become trained in a variety of operations and work skills. Where the Employer is unable to provide an Apprentice with experience in the full range of craft skills, the JATC may request the Local Union to reassign the Apprentice to other employment in order to provide that experience. For so long as the Employer is able to provide the necessary range of employment experience, the Employer may choose to retain the Apprentice from job to job. Upon request the Employer will inform the JATC and Local Union of an Apprentice's job reassignments on a project.

**Section 8.** An Apprentice shall not be penalized for taking off from work to attend offsite training (though

time off for training is unpaid).

**Section 9.** Notwithstanding the provisions of Section 5, the Employer may call the Union for an individual by name, provided he or she is not then employed by another Employer. If available, the Union shall refer that individual.

reinstated to his former employment status if work for which he is qualified is available at that time.

4. Grievance - All aspects of this program shall be subject to the grievance procedure spelled out in the Collective Bargaining Agreement.

**V. DRUG/ALCOHOL TESTING.** The parties to this program agree that under certain circumstances the Employer will find that it is necessary for testing to be conducted for prohibited items and/or substances pursuant to the following procedures.

- a. A pre-employment drug and alcohol test may be administered to all Applicants without a valid ICI SAT identification card. The Applicant will be placed on the payroll and put to work pending receipt of the drug and alcohol test. Such employment shall be probationary in the sense that continued employment of the individual shall be contingent upon successful passage of the drug and alcohol test.
- b. All Employees shall be subject to random testing.

- c. A test may be administered in the event there is probable cause to believe that the Employee has reported to work under the influence of a prohibited item and/or substance, or is or has been under the influence of a prohibited item and/or substance while on the job; or the Employee has violated this drug program. During the process of establishing probable cause for testing, the Employee has the right to request his on-site steward to be present, if available.
- d. Testing may be required if an Employee is involved in a work place accident/incident or injury.
- e. Employees may also be tested on a voluntary basis.
- f. Sporadic testing as provided for in IV.2. may be required as part of a follow-up to counseling or rehabilitation for substance abuse, for up to a two (2) year period. Each Applicant or Employee to be tested will be required to sign a consent and chain of custody form, assuring proper documentation and accuracy. If an Applicant or Employee refuses to sign a consent form authorizing the test, ongoing employment by the Employer will be terminated.

The Employee shall be paid for the time lost for the following tests to be conducted only if the test results are negative, Random, Post Accident, Incident, and Probable Cause.

The Employer will permit the Employee who is required to take a drug test to obtain a "split sample," and the Employee may request the laboratory to send the "split sample" to an accredited laboratory of his choosing, at his own expense, as described in IV.2. The test result of the split sample must be released to the Employer within a maximum of five (5) working days. If the split sample test result is negative, the Employee may be returned to work on the same job site providing work for which he is qualified is still available. Any Employee who successfully challenges the accuracy of a positive test result shall be reimbursed for his cost for the second testing and any time loss from work up to a maximum of five (5) work days. If the split sample tests positive, then the Employee shall be subject to immediate termination.

Drug and alcohol testing will be conducted by an accredited laboratory, and may consist of either blood or urine tests, or both, as required. Blood tests (for drugs and alcohol) will be utilized for post accident investigation only if a urine or breathalyzer test cannot be administered.

## **VI. IDENTIFICATION CARD.**

- a. An ICI SAT identification card will be issued to each person who tests negative in a valid test. The card will contain the Applicant's name, photo and a unique ICI SAT database identification number. The ICI SAT card will be valid until the Employee tests positive. The Employee shall

---

carry their valid ICI SAT card whenever they are on a job. Failure to produce the ICI SAT card on request by the Employer or their agent may cause the Employee to be suspended until the card is presented or until it is verified by the testing agency that the Employee's last test was negative. Replacement of a lost or damaged ICI SAT card shall be at the Employee's expense.

- b. New hires, with an ICI SAT identification card. If an Applicant has a valid Employee ICI SAT card they will present the card for photocopying to the prospective Employer when they present themselves for employment. The Employer shall have the right to further validate the ICI SAT card by contacting the agency responsible for insuring the Employee's ICI SAT card is presently valid. The Applicant will be placed on the payroll and put to work pending receipt of the result of the inquiry. Employment shall be probationary and continued employment of the individual shall be contingent upon the validity of the Employee's ICI SAT card being verified. The Employer shall have three days to validate the ICI SAT card. If the ICI SAT card is invalid the Employee will have no right to continued employment and may be terminated.
- c. New hires, without an ICI SAT card. If the Applicant does not have a valid ICI SAT card, employment shall be probationary and continued employment shall be contingent upon successful

passage of the drug and alcohol test.

- d. When tested for any reason, the Employee will surrender the ICI SAT card to the testing agent. If the test is negative, the Employee's valid ICI SAT card will be sent to the Employee. If the test is positive, the ICI SAT card will not be returned.

## **VII. REHABILITATION AND EMPLOYEE ASSISTANCE PROGRAM**

Employees are encouraged to seek help for a drug or alcohol problem before it deteriorates into a disciplinary matter. If an Employee voluntarily notifies supervision that he may have a substance abuse problem, the Employer may assist in locating a suitable SAP and rehabilitation program for treatment. The Employer will inform the Employee that medical benefits may be available under the Health and Welfare Program. For Benefit information, within Indiana, call 1-800-962-3158.

If treatment necessitates time away from work, the Employer may provide for the Employee an unpaid leave of absence for purposes of participation in an agreed upon treatment program. An Employee who successfully completes a rehabilitation program may be reinstated to his former employment status, if work for which he is qualified is available at that time. Employees returning to work after successfully completing the rehabilitation program will be subject to drug tests without prior notice for a period of one year. A positive test will then result in disciplinary action as

previously outlined in this program.

**VIII. COST** — Except as previously noted the costs of the tests associated with the program will be paid for by the Employer. The cost of a rehabilitation program and consultation with a SAP will be the responsibility of the Employee.

#### **IX. SUBSTANCE ABUSE TESTING PROGRAM**

- a. Each Employer agrees to pay to the Indiana Constructors, Inc. Substance Abuse Testing Program ("ICI SAT") three (\$.03) cents for each hour worked by each Employee working under this Agreement. Each Employer who participates in the ICI SAT Program is strongly encouraged to contribute to the Indiana Constructors Industry Advancement Fund (ICIAF).
- b. The contribution to the ICI SAT Program shall be deposited each month, or at regular intervals as may be determined by the ICI SAT Program, to the depository designated by the ICI SAT Program and such contributions shall be reported on such forms as may be designated by the ICI SAT Program.
- c. The activities shall be determined by the ICI SAT Program and shall be financed from the payments provided for herein. The Employer expressly ratifies and adopts the ICI SAT policy. By execution of this Agreement, the Employer ratifies all actions taken by the ICI SAT Program within the scope of its authority.

This Substance Abuse Testing Program has been ratified, signed and sealed as of April 15, 2004 by the Negotiating Committee, Labor Relations Division of Indiana Constructors, Inc. and Local Unions of Laborers' International Union of North America, State of Indiana District Council.
