

Maintenance Areas Listed by State, County and Pollutant (July 20, 2000)

This is a simplified listing of maintenance areas derived from Title 40, Code of Federal Regulations, part 81 (40 CFR 81), as published in the Federal Register. Areas are listed in alphabetical order by state. Pollutants are: CO = carbon monoxide; lead; NO₂ = nitrogen dioxide; ozone (1-hr); SO₂ = sulfur dioxide; and PM-10 = particulate matter smaller than 10 micrometers in effective diameter. For more information on these areas as well as detailed information on all areas see the EPA Green Book site (<http://www.epa.gov/oar/oaqps/greenbk/>).

*Partial counties are indicated with an asterisk **
