

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

THE ASSISTANT SECRETARY

DEC 14 2006

Honorable Susan A. Gendron
Commissioner of Education
Maine Department of Education
23 State House Station
Augusta, ME 04333-0023

Dear Commissioner Gendron:

On July 7, 2006, the Maine Department of Education (MDOE) submitted its revised State highly qualified teacher (HQT) plan. The peer reviewers found deficiencies in the original plan, and the Department asked that it be revised and re-submitted. We received the revision on September 28, 2006.

Department of Education staff reviewed the revised plan. In general, the reviewers were pleased with the plan, finding only a few remaining concerns. To resolve the minor concerns raised in the internal review, Department Program Officer Julie Coplin had a discussion with Dan Conely on November 9. As a result of this conversation, the remaining concerns were resolved, and no additional submission was required.

In the judgment of the Department, the plan submitted on September 28 meets all six requirements and is now approved. I would like to congratulate you and your staff for this excellent work. We recognize the substantial challenge it has been to prepare this plan, and we are encouraged that you were able to submit a complete and comprehensive plan.

We will post the September 28 revision of the plan on the Department's Web site in place of the plan that is currently posted. We look forward to our continued work together, including routine monitoring to ensure that your State implements the activities described in the plan to meet the HQT goal in 2006-07 and beyond, for the benefit of all students in Maine. If you have any additional questions, please do not hesitate to contact Robert Stonehill (202-260-9737, or robert.stonehill@ed.gov), or Elizabeth Witt (202-260-5585, or elizabeth.witt@ed.gov).

Sincerely,

Henry L. Johnson
