### Revision of the AQIS Giant African Snail Country Action List

The AQIS Giant African Snail (GAS) Country Action List has been reviewed to ensure that it reflects current GAS distribution patterns and the relative risk of GAS entering Australia. The proposed date for enforcement was 29 August 2005, but this has been changed to 1 July 2006.

Comments on the revised AQIS GAS Country Action List were requested from members in notification G/SPS/N/AUS/182 dated 2 June 2005.
