RECEIPT REQUESTED

Dear Mr. Shirts:

Thank you for your letter dated May 22, 2007, asking that I conduct an expedited review of the May 21, 2007, decision by Payette Forest Supervisor Suzanne Rainville. Supervisor Rainville denied your request for a stay from the May 8, 2007 decision of District Ranger Mary Farnsworth regarding your grazing permit.

I appreciate your desire for a speedy resolution of this issue. I have decided not to exercise discretionary review of the decision by Supervisor Rainville.

In accordance with 36 CFR 251.100 (c), my decision constitutes the final administrative determination of the United States Department of Agriculture regarding your stay request.

Sincerely,

/s/ Cathrine L. Beaty (for):
