## MISBRANDING DECLARED UNLAWFUL

SEC. 3. [15 U.S.C. 68a] The introduction, or manufacture for introduction, into commerce, or the sale, transportation, or distribution in commerce, of any wool-product which is misbranded within the meaning of this Act or the rules and regulations hereunder, is unlawful and shall be an unfair method of competition, and an unfair and deceptive act or practice, in commerce under the Federal Trade Commission Act; and any person who shall manufacture or deliver for shipment or ship or sell or offer for sale in commerce, any such wool product which is misbranded within the meaning of this Act and the rule and regulations hereunder is guilty of an unfair method of competition, and an unfair and deceptive act or practice, in commerce within the meaning of the Federal Trade Commission Act.

This section shall not apply—

(a) To any common carrier or contract carrier in respect to a wool product shipped or delivered for shipment in commerce in the ordinary course of its business; or

(b) To any person manufacturing, delivering for shipment, shipping, selling, or offering for sale, for exportation from the United States to any foreign country a wool product branded in accordance with the specifications of the purchaser and in accordance with the laws of such country.

## MISBRANDED WOOL PRODUCTS

SEC. 4. [15 U.S.C. 68b] (a) A wool product shall be misbranded—

(1) If it is falsely or deceptively stamped, tagged, labeled, or otherwise identified.

(2) If a stamp, tag, label, or other means of identification, or substitute therefor under section 5, is not on or affixed to the wool product and does not show—

(A) the percentage of the total fiber weight of the wool product, exclusive of ornamentation not exceeding 5 per centum of said total fiber weight, of (1) wool; (2) recycled wool; (3) each fiber other than wool if said percentage by weight of such fiber is 5 per centum or more; and (4) the aggregate of all other fibers: *Provided*, That deviation of the fiber contents of the wool product from percentages stated on the stamp, tag, label, or other means of identification, shall not be misbranding under this section if the person charged with misbranding proves such deviation resulted from unavoidable variations in manufacture and despite the exercise of the due care to make accurate the statements on such stamp, tag, label, or other means of identification.

(B) the maximum percentage of the total weight of the wool product, of any nonfibrous loading, filling, or adulterating matter.

(C) the name of the manufacturer of the wool product and/or the name of one or more persons subject to section 3 with respect to such wool product.

(D) the name of the country where processed or manufactured.

(3) In the case of a wool product containing a fiber other than wool, if the percentage by weight of the wool contents thereof are not shown in words and figures plainly legible.

(4) In the case of a wool product represented as wool, if the percentages by weight of the wool content thereof are not shown in words and figures plainly legible, or if the total fiber weight of such wool product is not 100 per centum wool exclusive of ornamentation not exceeding 5 per centum of such total fiber weight.

(b) In addition to information required in this section, the stamp, tag, label, or other means of identification, or substitute therefor under section 5, may contain other information not violating the provisions of this Act or the rules and regulations of the Commission.

(c) If any person subject to section 3 with respect to a wool product finds or has reasonable cause to believe its stamp, tag, label, or other means of identification, or substitute therefor under section 5, does not contain the information required by this Act, he may replace same with a substitute containing the information so required.

(d) This section shall not be construed as requiring designation on garments or articles of apparel of fiber content of any linings, paddings, stiffening, trimmings, or facings, except those concerning which express or implied representations of fiber content are customarily made, nor as requiring designation of fiber content of products which have an insignificant or inconsequential textile content: *Provided*, That if any such article or product purports to contain or in any manner is represented as containing wool, this section shall be applicable thereto and the information required shall be separately set forth and segregated.

The Commission, after giving due notice and opportunity to be heard to interested persons, may determine and publicly announce the classes of such articles concerning which express or implied representations of fiber content are customarily made, and those products which have an insignificant or inconsequential textile content.

(e) For the purposes of this Act, a wool product shall be considered to be falsely or deceptively advertised in any mail order promotional material which is used in the direct sale or direct offering for sale of such wool product, unless such wool product description states in a clear and conspicuous manner that such wool product is processed or manufactured in the United States of America, or imported, or both.

(f) For purposes of this Act, any wool product shall be misbranded if a stamp, tag, label, or other identification conforming to the requirements of this section is not on or affixed to the inside center of the neck midway between the shoulder seams or, if such product does not contain a neck, in the most conspicuous place on the inner side of such product, unless it is on or affixed on the outer side of such product or in the case of hosiery items, on the outer side of such product or package.

#### AFFIXING OF STAMP, TAG, LABEL, OR OTHER IDENTIFICATION

SEC. 5. [15 U.S.C. 68c] (a) Any person manufacturing for introduction, or first introducing into commerce a wool product shall

affix thereto the stamp, tag, label, or other means of identification required by this Act, and the same, or substitutes therefor containing identical information with respect to content of the wool product or any other products contained therein in an amount of 5 per centum or more by weight and other information required under section 4, shall be and remain affixed to such wool product, whether it remains in its original state or is contained in garments or other articles made in whole or in part therefrom, until sold to the consumer: *Provided*, That the name of the manufacturer of the wool product need not appear on the substitute stamp, tag, or label if the name of the person who affixes the substitute appears thereon.

(b) Any person who shall cause or participate in the removal or mutilation of any stamp, tag, label, or other means of identification affixed to a wool product with intent to violate the provisions of this Act, is guilty of an unfair method of competition, and an unfair and deceptive act or practice, in commerce within the meaning of the Federal Trade Commission Act.

(c) For the purposes of subsections (a) and (b) of this section, any package of wool products intended for sale to the ultimate consumer shall also be considered a wool product and shall have affixed to it a stamp, tag, label, or other means of identification bearing the information required by section 4, with respect to the wool products contained therein, unless such package of wool products is transparent to the extent that it allows for the clear reading of the stamp, tag, label, or other means of identification affixed to the wool product, or in the case of hosiery items this section shall not be construed as requiring the affixing of a stamp, tag, label, or other means of identification to each hosiery product contained in a package if (1) such hosiery products are intended or sale to the ultimate consumer in such package, (2) such package has affixed to it a stamp, tag, label, or other means of identification bearing, with respect to the hosiery products contained therein, the information required by subsection (4), and (3) the information on the stamp, tag, label, or other means of identification affixed to such package is equally applicable with respect to each hosiery product contained therein.

#### ENFORCEMENT OF THE ACT

SEC. 6. [15 U.S.C. 68d] (a) Except as otherwise specifically provided herein, this Act shall be enforced by the Federal Trade Commission under rules, regulations, and procedure provided for in the Federal Trade Commission Act.

The Commission is authorized and directed to prevent any person from violating the provisions of this Act in the same manner, by the same means, and with the same jurisdiction, powers, and duties as through all applicable terms and provisions of the Federal Trade Commission Act were incorporated into and made a part of this Act; and any such person violating the provisions of this Act shall be subject to the penalties and entitled to the privileges and immunities provided in said Federal Trade Commission Act, in the same manner, by the same means, and with the same jurisdiction, powers, and duties as though the applicable terms and provisions

of the said Federal Trade Commission Act were incorporated into and made a part of this Act.

The Commission is authorized and directed to make rules and regulations for the manner and form of disclosing information required by this Act, and for segregation of such information for different portions of a wool product as may be necessary to avoid deception or confusion, and to make such further rules and regulations under and in pursuance of the terms of this Act as may be necessary and proper for administration and enforcement.

The Commission is also authorized to cause inspections, analyses, tests, and examinations to be made of any wool products subject to this Act; and to cooperate with any department or agency of the Government, with any State, Territory, or possession, or with the District of Columbia; or with any department, agency, or political subdivision thereof; or with any person.

(b) Every manufacturer of wool products shall maintain proper records showing the fiber content as required by this Act of all wool products made by him, and shall preserve such records for at least three years.

The neglect or refusal to maintain and so preserve such records is unlawful, and any such manufacturer who neglects or refuses to maintain and so preserve such records shall forfeit to the United States the sum of \$100 for each day of such failure, which shall accrue to the United States and be recoverable in a civil action.

#### CONDEMNATION AND INJUNCTION PROCEEDINGS

SEC. 7. [15 U.S.C. 68e] (a) Any wool products shall be liable to be proceeded against in the district court of the United States for the district in which found, and to be seized for confiscation by process of libel for condemnation, if the Commission has reasonable cause to believe such wool products are being manufactured or held for shipment, or shipped, or held for sale or exchange after shipment, in commerce in violation of the provisions of this Act, and if after notice from the Commission the provisions of this Act with respect to said products are not shown to be complied with. Proceedings in such libel causes shall conform as nearly as may be to suits in rem in admiralty, and may be brought by the Commission.

If such wool products are condemned by the court, they shall be disposed of, in the discretion of the court, by destruction; by sale; by delivery to the owner or claimant thereof upon payment of legal costs and charges and upon execution of good and sufficient bond to the effect that such wool products will not be disposed of until properly stamped, tagged, labeled, or otherwise identified under the provisions of this Act; or by such charitable disposition as the court may deem proper. If such wool products are disposed of by sale, the proceeds, less legal costs and charges, shall be paid into the Treasury of the United States.

(b) Whenever the Commission has reason to believe that—

(1) Any person is violating, or is about to violate, sections 3, 5, 8, or 9 of this Act, and that

(2) It would be to the public interest to enjoin such violation until complaint is issued by the Commission under the Federal Trade Commission Act and such complaint dismissed

by the Commission or set aside by the court on review, or until order to cease and desist made thereon by the Commission has become final within the meaning of the Federal Trade Commission Act,

the Commission may bring suit in the district court of the United States or in the United States court of any Territory, for the district or Territory in which such person resides or transacts business, to enjoin such violation, and upon proper showing a temporary injunction or restraining order shall be granted without bond.

#### EXCLUSION OF MISBRANDED WOOL PRODUCTS

SEC. 8. [15 U.S.C. 68f] All wool products imported into the United States, except those made more than twenty years prior to such importation, shall be stamped, tagged, labeled, or otherwise identified in accordance with the provisions of this Act, and all invoices of such wool products required under the Act of June 17, 1930 (c. 497, title IV, 46 Stat. 719), shall set forth, in addition to the matter therein specified, the information with respect to said wool products required under the provisions of this Act, which information shall be in the invoices prior to their certification under said Act of June 17, 1930.

The falsification of, or failure to set forth, said information in said invoices, or the falsification or perjury of the consignee's declaration provided for in said Act of June 17, 1930, insofar as it relates to said information, shall be an unfair method of competition, and an unfair and deceptive act, or practice, in commerce under the Federal Trade Commission Act; and any person who falsifies, or fails to set forth, said information in said invoices, or who falsifies or perjures said consignee's declaration insofar as it relates to said information, may thenceforth be prohibited by the Commission from importing, or participating in the importation of, any wool products into the United States except upon filing bond with the Secretary of the Treasury in a sum double the value of said wool products and any duty thereon, conditioned upon compliance with provisions of this Act.

A verified statement from the manufacturer or producer of such wool products showing their fiber content as required under the provisions of this Act may be required under regulations prescribed by the Secretary of the Treasury.

#### GUARANTY

SEC. 9. [15 U.S.C. 68g] (a) No person shall be guilty under section 3 if he establishes a guaranty received in good faith signed by and containing the name and address of the person residing in the United States by whom the wool product guaranteed was manufactured and/or from whom it was received, that said wool product is not misbranded under the provisions of this Act.

Said guaranty shall be either (1) a separate guaranty specifically designating the wool product guaranteed, in which case it may be on the invoice or other paper relating to said wool product; or (2) a continuing guaranty filed with the Commission applicable

to all wool products handled by a guarantor in such form as the Commission by rules and regulations may prescribe.

(b) Any person who furnishes a false guaranty, except a person relying upon a guaranty to the same effect received in good faith signed by and containing the name and address of the person residing in the United States by whom the wool product guaranteed was manufactured and/or from whom it was received, with reason to believe the wool product falsely guaranteed may be introduced, sold, transported, or distributed in commerce, is guilty of an unfair method of competition and an unfair and deceptive act or practice, in commerce within the meaning of the Federal Trade Commission Act.

#### CRIMINAL PENALTY

SEC. 10. [15 U.S.C. 68h] Any person who willfully violates sections 3, 5, 8, or 9(b) of this Act shall be guilty of a misdemeanor and upon conviction shall be fined not more than \$5,000, or be imprisoned not more than one year, or both, in the discretion of the court: *Provided*, That nothing herein shall limit other provisions of this Act.

Whenever the Commission has reason to believe any person is guilty of a misdemeanor under this section, it shall certify all pertinent facts to the Attorney General, whose duty it shall be to cause appropriate proceedings to be brought for the enforcement of the provisions of this section against such person.

#### APPLICATION OF EXISTING LAWS

SEC. 11. [15 U.S.C. 68i] The provisions of this Act shall be held to be in addition to, and not in substitution for or limitation of, the provisions of any other Act of the United States.

#### EXCEPTIONS

[15 U.S.C. 68j] None of the provisions of this Act shall be construed to apply to the manufacture, delivery for shipment, shipment, sale, or offering for sale any carpets, rugs, mats, or upholsteries, nor to any person manufacturing, delivering for shipment, shipping, selling, or offering for sale any carpets, rugs, mats, or upholsteries.
