1 LEVINE Hello.  
2 HURTGEN Hey Stu.  
3 LEVINE Yeah hi Nick.  
4 HURTGEN Sorry I woke you up or did I?  
5 LEVINE No, no, that's okay. That's alright.  
6 Um, ...  
7  
8 HURTGEN You, you must had a long, did you have a  
9 long trip yesterday?  
10 LEVINE Uh, yeah I had a, you know I was (clears  
11 throat), I had a long, long trip and we  
12 went to dinner last night. It was, it  
13 was, it was a very long week.  
14 HURTGEN Yeah, you had an exciting week.  
15 LEVINE Yeah. Uh, you wanna stop by the house?  
16 HURTGEN Um, ...  
17 LEVINE Or ...  
18 HURTGEN You know do you want me to? Um, all I  
19 was gonna do um, what, what's gonna be  
20 it for you?  
21 LEVINE May, hay, I don't feel like leaving the  
22 house right now.  
23 HURTGEN Yeah that's fine.  
24 LEVINE But I'll be home all day.

1 HURTGEN Why don't I just call ya um, later on  
2 today.

3 LEVINE Sure that'll be fine.

4 HURTGEN And uh, and check in and see what you're  
5 doin'.

6 LEVINE That's fine.

7 HURTGEN Nothin' important all I just wanted to  
8 show you that RFP (UI).

9 LEVINE You know I, I think, you know but, you  
10 know it, it, it strikes me. I, it's a  
11 \$500 million dollar job, right?

12 HURTGEN Right.

13 LEVINE Jacob's never done anything like that.

14 HURTGEN Yeah, but you know what?

15 LEVINE What?

16 HURTGEN Um, (sighs) the, the thing that  
17 intrigues me about it is we're talkin',  
18 they're talking about a number of  
19 different options.

20 LEVINE Uh huh.

21 HURTGEN Okay. Including replacing the facility  
22 at a different location.

23 LEVINE Uh huh.

24 HURTGEN This is made for Tony and Mr. C.

25 LEVINE Well the ques-, the question is you know  
26 h-, h-, ih, ih, how, I mean what's your  
27 relationship with 'em and they, can they  
28 be guided to the right place?

29 HURTGEN Well, I mean I, I've got a relationship  
30 with him and I've guided them in the  
31 past, but I'm gonna need more help than  
32 just that.

1 LEVINE Oh no I know, I know, I,...

2 HURTGEN (UI).

3 LEVINE You know I, I under-, I understand it if  
4 they are, are they people...

5 HURTGEN But...

6 LEVINE That would be looking for help?

7 HURTGEN Uh, they, they will need help and they  
8 don't, well let me just explain  
9 something to you. This will, this will  
10 shorten the explanation. Their  
11 government relation team, team consists  
12 of Honey Skinner...

13 LEVINE Oh.

14 HURTGEN And David Wilhelm.

15 LEVINE Oh, okay. I gotcha.

16 HURTGEN But I'm on the Board and I've produced  
17 for 'em a little bit so, um, I'm not.

18 LEVINE Well the ques-, the question is, the  
19 question is uh, can Honey and David be  
20 talked to?

21 HURTGEN Yeah, well,...

22 LEVINE But we'll have to think about this.

23 HURTGEN And then, but here, but you know where  
24 they're located right?

25 LEVINE Yeah.

26 HURTGEN That whole thing is a, is a mess. It's  
27 gotta be either replaced or...

28 LEVINE Yeah.

29 HURTGEN Completely re-habbed.

30 LEVINE Right.

1 HURTGEN Um, (UI)...

2 LEVINE This is definitely worth thinkin' about.

3 HURTGEN Well it's too much, it's too much real  
4 estate to not think about it.

5 LEVINE Right.

6 HURTGEN So uh, anyway...

7 LEVINE They, they've hired David and Honey for  
8 this.

9 HURTGEN They've hired David and Honey for their  
10 permanent needs.

11 LEVINE Right, right, but uh,...

12 HURTGEN Not just this and not this, this kind of  
13 came along. But see this is 500 million  
14 and another thing about it is they are  
15 dumb enough to think they're gonna raise  
16 500 million from the community.

17 LEVINE Well they're not gonna do that.

18 HURTGEN Yeah they're gonna need you know a  
19 handout from a lot of people we all  
20 know.

21 LEVINE Mm hm. Well we def-, we definitely have  
22 to uh, (clears throat) um, as a matter  
23 of fact I'm going to uh, uh, that,  
24 that's gonna be a top priority of  
25 business to talk to Tony with this week.  
26 And you and I, yeah. Give me a call  
27 later today.

28 HURTGEN Okay, fine.

29 LEVINE Okay. Bye.
