2 GONZALES Hi Stuart. Joe Cari's in Washington, do
3 you want me to, the only way we can
4 reach him is leaving a message on his
5 cell phone.
6 LEVINE Yeah, yeah.
7 GONZALES Do you want me to have him call you at
8 home or on your cell phone or...
9 LEVINE Uh, I'll tell, let me uh, uh, leave a
10 message on his cell phone. Did you call
11 Rita?
12 GONZALES You know what she's not there I spoke
13 with another assistant.
14 LEVINE Um, ...
15 GONZALES And I called Washington and he was
16 already gone for the day. And the only
17 way we could reach him is on his cell
18 phone.
19 LEVINE Alright call his cell phone and I'll
20 leave a message.

23 CARI Hello.
24 LEVINE Uh, Joe, Stuart.

1 CARI Hi, how are ya?

2 LEVINE Okay. Um, I, you know what Joe, every,
3 everything has been uh, uh, finalized in
4 negotiations and those guys were taken
5 care of from beginning to end and I,
6 I,...

7 LEVINE Kate! I'm on the phone. Wait a moment!

8 LEVINE Uh, I'm getting a little nervous.

9 CARI Well here, here's where, here's where we
10 are uh, she, the, she was talked to.
11 She understood and she got confused
12 because after Carl talked to the, the
13 person, the Staff said everything was
14 fine. Carl talked to her the other day
15 and...

16 LEVINE You mean (stuttering) her people were
17 telling her that we don't need anybody.

18 CARI Yes. And then Carl explained it and she
19 got it and she said she would call right
20 away and that was, that was yesterday
21 when you and I talked, right?

22 LEVINE Uh, yeah I mean wh-, wh-, what, you know
23 I don't know who the she is and, and,
24 and all.

25 CARI (UI).

26 LEVINE No, no I, I mean I understand, but if,
27 you know what uh, I hate to undo things,
28 but I'll, but I, I'll have to do it uh,
29 uh, real fast and that's, that's, I'd
30 hate to have to do that, but I, when you
31 hear stuff like well you know
32 everything's goin' fine we don't need
33 uh, the consultant.

34 CARI No, no, no, no, no, no, no she, it was
35 just a misunderstanding but Carl re-
36 talked to her, she got it and said she
37 would move on it quickly. Now, (UI).

1 LEVINE Well did she, did she at anytime think
2 that uh, I mean she knew that uh, uh,
3 that the marketing person that, that,...

4 CARI Yeah.

5 LEVINE That she would hire that somehow along
6 the process she thought it turns out she
7 didn't need it?

8 CARI No, no, no.

9 LEVINE No.

10 CARI Let, let me do this.

11 LEVINE Ok, yeah.

12 CARI Let me get, let me call Carl I just got
13 out of a, about a four hour meeting.
14 I'll call him now. My cell phone's been
15 off, I just turned it on and I'll call
16 you right back. Where are you?

17 LEVINE Well I mean uh, I'm, I'm at home. I'll
18 be home for a little bit, but um, uh,
19 you know this is, this is uh, serious
20 stuff uh, that's, I mean they've been
21 completely taken care of with Steve
22 Loren reporting to me and so on and so
23 forth. And now um, uh, you know the
24 folks are are waiting to uh, to uh, to
25 hear and I just, I don't wanna be in the
26 middle of something that doesn't happen
27 after I tell people it's gonna happen.

28 CARI I understand.

29 LEVINE Okay.

30 CARI Let me, let me, let me (UI) right now.

31 LEVINE Okay. Bye.

32 CARI (UI)
