Jeannelle: Clyde, this is a message from Bill McCullum who is the gentleman that I sent you the information about yesterday from Debbie who said that she didn't know him socially and so forth. I assume from this message that you guys must have spoken because he is looking for a final form contract and he just left this message and asked me to send it to him and I'm not sure what that is all about. I am going to cc Wendy on this as well. Thanks."

"This is Bill McCullum, we spoke yesterday afternoon. What we need to do is have the final form contract with the name Emerald Star International, Inc. inserted in it and faxed down to me on 649-941-4561 with my name, Bill McCullum, written on the front and then we can arrange execution. The registered office of Emerald Star is 9042 Maple Avenue, Downers Grove, IL 60515. Any questions, please call me on 649-946-4109 or 619-231-0325. Thank you."
