Chapter 1 – Land Use Plan	1
Introduction.....	1
Purpose and Scope	2
Authority	2
Agency Coordination.....	2
Public Involvement	3
Environmental Setting	3
Location and General Description	3
Environmental Characteristics	5
Physiography and Geology.....	5
Climate.....	5
Vegetation.....	7
Terrestrial and Aquatic Life.....	9
Lands.....	9
Water Resources	10
Social and Economic.....	10
Cultural Resources	11
Indian Trust Assets	12
Land-Use Rights	12
Environmental Compliance	17
Chapter 2 – Fish and Wildlife Management and Administration.....	19
Managing Agency Policy.....	19
Resource Management.....	19
Wildlife	19
Specific Biological Inventory	19
Existing Wildlife Habitat	19
Wildlife Water Sources.....	19
Management Objectives.....	20
Habitat Development Planning.....	20
Wildlife Management Practices.....	20
Water Level Fluctuations.....	24
Fisheries	27
Threatened or Endangered Species	29
Habitat Use and Status of Species	29
Threatened and Endangered Species	29
Candidate Species	32
Species of Concern	34
Visitor Management.....	34
Visitor Use	34
Interpretive Program	34
Visual Resource Management	34

Operations, Maintenance, and Capital Improvements	35
Public Use, Regulations, and Enforcement.....	35
Off-Road Vehicle Use.....	35
Special Uses	36
Safety and First Aid	36
Chapter 3 – Recreation Management and Administration.....	37
Managing Agency Policy.....	37
Visitor Management.....	38
Visitor Use	38
Interpretive Program	39
Public Use, Regulations, and Enforcement.....	40
Special Uses and Events	40
Safety and First Aid	40
ADA Accessibility	40
Concessions.....	41
Concession Principles	41
Concession Contracts.....	42
Organized Group Camps.....	42
Cabin Lot Permits	42
Exclusive Use.....	43
Chapter 4 – Agency Responsibility	45
Agreements	45
Responsibilities.....	45
Maintenance	45
Facilities.....	45
Fencing.....	45
Signing	45
Roads.....	46
Shoreline Erosion.....	46
Public Use Regulations	46
Land Use Regulations	47
Reports of Serious Accidents and Damages	47
Recreation Facilities in Relation to Flood Plain Management	47
Recreation Use Data Report.....	48
Reservoir Reviews	48
Changes in Resource Management Plan.....	48
Trespass.....	49
Boundary Trespass.....	49
Unauthorized or Improper Use	49
Shoreline Lands Designation	49
Shoreline Erosion.....	49
Noxious Weed and Nuisance Plant Species Management.....	50
Fire Management	51
Fire Policy.....	51
Fire Prevention.....	51

Fire Suppression.....	52
Interagency Cooperative Fire Management Agreement	52
Off-Road Vehicle Use.....	53
Land Use Authorizations and Land Disposal	53
Land Use Authorizations	53
Land Disposal	53
Issuance of Easements, Licenses, Permits, Subleases, Contracts ..	54
Use Rights to be Granted by Reclamation.....	54
Use Rights to be Granted by the Administering Agency...55	
Leasable Minerals	55
Health and Safety	56
Threatened and Endangered Species	56
Cultural Resources	57
Environmental Compliance	58
Miscellaneous	58
Aircraft.....	58
Facilities.....	58
Shooting Ranges	59
Chapter 5 – Reservoir Operations.....	60
Reservoir’s Authorized Purposes.....	60
Contract Between Webster Irrigation District and the United States	60
Reservoir Operations and Flood Control	61
Reservoir Operations and Fisheries	62
Reservoir Operations and Recreation	62
Downstream Releases and Operations Land.....	64
Woodston Diversion Dam	65
References Cited.....	67
Figures and Photos	
Figure 1 – Webster Reservoir Allocations.....	5
Figure 2 – Webster Dam Precipitation.....	6
Figure 3 – Webster Dam Inflow	7
Figure 4 – Wildlife Food Plot	21
Figure 5 – Wildlife Food Plot	21
Figure 6 – Strip Disked plots through Brome grass.....	22
Figure 7 – New growth of Cottonwood on previously flooded soil	23
Figure 8 – Shrub/brush habitat.....	23
Figure 9 – Prescribed burn in progress	24
Figure 10 – Webster Dam Yearly Historical Inflow.....	25
Figure 11 – Webster Dam Yearly Precipitation.....	25
Figure 12 – Dead Timber	26
Figure 13 – Previously flooded area	26
Figure 14 – Stockpiled Dead Timber.....	27
Figure 15 – Habitat Management	27
Figure 16 – Webster Reservoir EOM Levels.....	28

Figure 17 – Reservoir Levels	28
Figure 18 – Main Entrance Sign	37
Figure 19 – Marina Point Campground	39
Figure 20 – Old Marina Campground.....	39

Figure 22 – Webster Reservoir 20-Year Lake Levels	65

Tables

Table 1 – Webster Reservoir Statistics	4
Table 2 – Climatic Conditions	7
Table 3 – Federally-listed and proposed Threatened or Endangered species, candidate species	29
Table 4 – Webster Reservoir Capacity Allocations.....	61
Table 5 – Webster Reservoir Maximum and Minimum Reservoir Levels	63

Maps

Webster Reservoir Land Cover.....	8a
Webster Reservoir Soil Associations.....	10a
Webster Reservoir Topography	28a
Webster Reservoir Land and Water Use.....	48a
Webster Reservoir Historical Photo Layout	48b
Webster Unit Facilities Map	63a
Woodston Diversion Dam Land Use	66a

Appendix A – Agreements and State Management Plans

- A1-Lease Agreement #14-06-700-6324
- A2-2005-2009 Webster State Park Management Plan
- A3-2005-2009 Webster Wildlife Area Management Plan
- A4-2005 Fishery Progress and Management Report
- A5-Interagency Cooperative Fire Management Agreement

Appendix B – Regulations

- B1-Environmental statues
- B2-Reclamation Recreation Management Policy
- B3-Implementation of Cost Sharing Authorities for Recreation Fish and
Wildlife Enhancement Directives and Standards
- B4-KDWP Private Cabin/Mobile Home/Waterfront Facility Guidelines
- B5-43 CFR, part 21 – Occupancy of Cabin Sites on Public Conservation
and Recreation Areas

Appendix C – Exhibits

- C1-Categorical Exclusion Checklist # 468-07-01-WR RMP
- C2-Survey card and comment copies
- C3-Listed amphibians, reptiles, birds, and mammals common to the area
- C4-Recreation Use Data Report
