Forest Service Offers Free Firewood

Big Timber, MT... The Big Timber Ranger District continues to offer Free-Use firewood permits for slash piles located in the Derby Gulch, Main Bridger, West Bridger and Iron Mountain Roadside Salvage sale areas.

Permits and maps of the free-use areas are available only at the District Office in Big Timber. The permit will authorize free use of only material located within the slash piles along the road systems indicated. If individuals want to cut dead and downed material they will need an additional \$25.00 fee permit for up to 4 cords. This is a first come first served opportunity available until the residual firewood is removed and/or conditions limit access to the area. For more information please contact the District at (406) 932-5155.
