

Annex E

Repayment Provisions on Amounts Due
To the Department of Defense

All payments of principal and interest are payable in immediately available funds, free and clear of, and without deduction for, any taxes, levies, imposts, deductions, and withholdings whatsoever now or hereafter imposed, levied, collected, or assessed with respect thereto by any central or local authority of the Borrower and shall be paid free from all restrictions of any central or local authority of the Borrower.

The terms of this Agreement require payment in immediately available funds. To meet this requirement, DoD request the payment be wire transferred to the Defense Security Cooperation Agency through the Federal Reserve Bank of New York. The wire transfer must include the following payment instructions:

021030004

Payment Amount (in U.S. dollars)

TREASURY NYC/(97000002)DSCA/COMPT/FM/PENTAGON

(Begin third party text – may use up to 230 characters with this optimum format; this text should include the precise loan installments (s) to which the remitted amount should be credited.)

Interest shall be computed on the basis of the actual number of days using a 365-day factor. Repayments that are due on a Saturday, Sunday, or public holiday shall be made on the next succeeding business day in accordance with the laws of the United States. This extension of time, if applicable, shall be included in computing the interest on such repayments, but excluding from the next interest period, if any. Failure of the borrower to make full repayment when due of any installment(s) of principal and/or interest shall result in an aggregate amount payable of the overdue installment(s), plus additional interest thereon at the rate specified from the due date to the date of repayment. If an installment payment made by the Borrower is insufficient to satisfy the aggregate amount of principal and interest then due, such repayment shall be applied first to satisfy the interest due with the remainder, if any, applied to satisfy the principal amount of the installment.

In order to determine accurately the actual cost of funds applicable to debt due DSCA and hereby rescheduled, the interest rate shall be assigned at the time DSCA provides the notification implementing this Agreement pursuant to Article I, Paragraph 2. The interest rate stated in Article III, Paragraph 2 (b)(ii) of this Agreement represents a best estimate only and may fluctuate prior to the assignment of the interest rate as noted above.

The Borrower shall have the right to prepay at any time and from time-to-time without penalty or premium, all or any part of the principal due under this Agreement. Each prepayment shall be accomplished by the payment of interest on the amount prepaid to the

date of prepayment. Each such prepayment shall be applied to the principal installments in the inverse order of their maturity.

The Borrower represents and warrants that it has taken all action necessary and appropriate under its constitution and laws to authorize it to incur the indebtedness herein contemplated and to execute this Agreement. The Borrower further represents and warrants that this Agreement has been validly signed and entered into by the Borrower and is binding upon it in accordance with its terms and when delivered pursuant hereto, will constitute the valid and binding obligation of the Borrower for the payment and performance of which the full faith and credit of the Borrower is pledged.

If the Borrower shall fail to pay any amount due to the Department of Defense, or if any representation or warranty of the Borrower herein proves to be untrue in any material respect, the Department of Defense, by written notice to the Borrower, and giving the Borrower ten (10) business days to respond, may make immediately due and payable the entire principal indebtedness then outstanding and accrued interest thereon to date of payment.

All sums payable hereunder shall be payable without deduction for any present or future taxes, duties, fees or other charges levied or imposed by the Borrower or any political or taxing subdivision thereof.

No failure or delay on the part of the Department of Defense to exercise any right, power or privilege under this Agreement shall operate as a waiver thereof.

All statements, reports, certificates, opinions and other documents or information furnished to the Department of Defense under this Agreement shall be supplied by the Borrower without cost to the Department of Defense.

The Borrower shall reimburse the Department of Defense, on demand, for all reasonable and documented out-of-pocket expenses (including legal fees) incurred by the Department of Defense in connection with the enforcement of this Agreement.

To the extent that the Borrower has or hereafter may acquire immunity from suit, judgment, and/or execution, the Borrower agrees that it shall not assert or claim any such right of immunity with respect to any action to enforce its obligations under this Agreement, except as provided for in the Borrower's judicial codes with respect to execution through the courts of the Borrower.

Upon entry into force, the Department of Defense shall consider arrears as having been rescheduled for the purposes of resuming the provision of assistance to the Borrower. The Department of Defense will notify the Borrower of the amounts rescheduled, provide a repayment schedule of those amounts, and provide the actual interest rate assigned to this Agreement.

The Department of Defense portion of this Agreement shall be governed by, and construed in accordance with, the laws of the District of Columbia, United States of America.

All communications between the Borrower and the Department of Defense shall be in writing, in the English language at the following address:
