Dr. Joshua Lederberg  
Department of Genetics  
The University of Wisconsin  
Madison 6, Wis.  
U. S. A.

Dear Prof. Lederberg,

Thank you very much for your letter of September 24  
and for having sent the subcultures of K-12 and its mutant.

I am most appreciative of your kindness, and shall  
be glad of any opportunity to be of service to you.

Sincerely yours,

C. A. Elias
