Dear Joshua,-

Tentatively, I'm planning to be in Chicago Sunday Nov. 18 for an all day meeting. If you & Esther would like to talk over plans for the book, I could arrange to arrive in Chicago Saturday and see you Saturday afternoon or evening. I'll be in Chicago again some time in December, probably. As I've said before, there is no great rush about this matter, so be sure to settle on a perfectly agreeable time with me.

Cordially  
Tracy
