

Welcome to the Stephen Mather Wilderness

The North Cascades National Park Service Complex includes 684,000 acres in three parts: North Cascades National Park, Lake Chelan National Recreation Area, and Ross Lake National Recreation Area. Congress has designated 93% of the Complex as the Stephen Mather Wilderness – a place for solitude, challenge, contemplation, and scientific and cultural study.

Crosscountry I Zones (party size limit 12)

Crosscountry II Zones (party size limit 6) **

Trail Zone (party size limit 12; camping in designated sites only)

** Rainbow Ridge, Rennie, Purple, Dee Dee Lakes and Triplet Lakes are designated as Crosscountry I zones, however the party size limit is 6.

Distances are in miles and are approximate. They show distance between major trail features (e.g. trailheads, camps, trail junctions, major passes and the NPS boundary).

This map is for general reference only and is not intended for navigational purposes. Locations and mileages may vary. Individual crosscountry zone boundaries generally follow ridgelines and streams.
