

# Digitized Legacy Collections

Rita Hohenbrink

## **Exchanges with DOE Facilities**

- **Oak Ridge National Laboratory**
- **Sandia National Laboratory**
- **We want your pre-1995 digitized collections.**

# OSTI's Legacy Scanning Project

- **Beginning with Manhattan Project documents**
- **Will be loaded into E-Link with appropriate site codes**
- **Sites verify some sensitivity assessments**

- **Permanent Access to (STI) Digital Information**
- **Permanent availability to digital information is defined as the archiving, long term preservation, and access to information that is originally published in electronic form with or without a print counterpart.**
- **Let us know if you have any collections so you can participate in the survey.**
