

# **STIP Strategic Plan 2003**

---

- **Agree on overall Plan content (TOC)**
- **Reaffirm STI goals set last year**
- **Identify strategies**
- **Set measures (milestones/timeframes)**
- **Determine approach for issuance**

## 2003 Revisions

---

- **Introduction – update from 97; use newer quote**
- **Principles - update only last item re: Admin; use reference to e-gov**
- **Situational Analysis - updated last year; any new input?**
- **Planning Assumptions - as is except update reference to IG audit**
- **Accomplishments – add new section**

## 2003 Revisions

---

- **Vision - as revised last year**
- **Mission – as revised last year**
- **Goals - as revised last year**
- **Strategies - some updated last year; but some still incomplete and need revisions to bring up to date**

## 2003 Revisions

---

- **Organizational Infrastructure – simplify/update**
- **Next Steps – rewrite based on today's outcomes**
- **App A: Participants - update using attendees last year and this year (list all POCs with asterisks for attendees)**
- **App B: Goal groups - list current members of each**
- **App C: Planning Relationships – modify or delete?**
- **App D: STI Definition - revise?**

## 2003 Revisions

---

- **Next steps to complete and issue:**
  - **Capture today's results**
  - **Add any missing pieces (e.g., executive summary)**
  - **Send final draft out for comment**
  - **Issue final plan**
