I. Funding Opportunity Description

Purpose of Program: The Capacity Building for Traditionally Underserved Populations program provides financial assistance for projects that provide training, research, technical assistance, or related activities to improve services provided under the Act, especially services provided to individuals from minority backgrounds. Section 21 of the Act underscores the importance of enhancing the capacity and increasing the participation of minority entities as defined under section 21(b)(5) of the Act in programs funded under the Act.

Priorities: These priorities are from the notice of final priorities for this program, published in the **Federal Register** on May 9, 2002 (67 FR 31700). For purposes of these priorities, a “minority entity” includes a Hispanic-serving institution whose Hispanic student enrollment is 25 percent of the institution’s student population.

Background: Under section 21 of the Act, only three types of awards can be made as follows: (1) Section 21(b)(2)(A)—awards to minority entities and Indian tribes to carry out activities under programs authorized under titles II, III, VI, and VII of the Act. (3) Section 21(b)(2)(C)—awards to a State or a public or private nonprofit agency or organization, such as an institution of higher education or an Indian tribe, to provide outreach and technical

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 75.210 and are listed in the application package.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is the past performance of the applicant in carrying out similar capacity building activities, such as compliance with grant conditions, soundness of programmatic and financial management practices, and attainment of established project objectives.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify

administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results Act (GPRA) of 1993 directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against their goals. The purpose of the Capacity Building for Traditionally Underserved Populations program is to enhance the capacity and increase the participation of minority institutions in programs that are funded under the Act, as well as to improve the delivery of vocational rehabilitation (VR) services to people with disabilities, especially people with disabilities from minority backgrounds.

In order to measure the success of Capacity Building grantees in meeting this goal, each grantee is required to evaluate its activities based upon clear, specific performance and outcome measures and report the results of the evaluation in its annual performance report. At a minimum, the annual performance reports must include the following:

- For Priority 1 grantees must report on—(1) the number and type of new degree-granting programs established as a result of participation in this program and the number of students enrolled; (2) the number of undergraduate and graduate students who graduate from programs participating in this program and the number who go to work for the public VR program or related rehabilitation agencies; and (3) the number of institutions receiving Council on Rehabilitation Education (CORE) accreditation as a result of participation in this program.

- For priority 2 grantees must report on—(1) the number of minority entities and Indian tribes that have received

training and technical assistance; (2) the number of applications submitted by first-time and repeat applicants to RSA and NIDRR for funding; (3) the number of applications by first-time and repeat applicants recommended for funding by RSA and NIDRR; (4) the number of applications by first-time and repeat applicants funded by RSA and NIDRR; and (5) the number of funded programs by first-time and repeat applicants that have been implemented and are operational.
