Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 771(i) of the Act.

Dated: May 10, 2000.

DEPARTMENT OF EDUCATION

Office of Special Education and Rehabilitative Services; Grant Applications Under Part D, Subpart 2 of the Individuals With Disabilities Education Act; Correction

AGENCY: Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2000; correction.

SUMMARY: On April 28, 2000, a notice inviting applications for new awards under the Office of Special Education and Rehabilitative Services; Grant Applications under Part D, Subpart 2 of the Individuals with Disabilities Education Act was published in the *Federal Register* (65 FR 25156). The notice included an "Estimated Project Awards" section in the Parent Training and Information Centers priority that listed project award amounts for State awards, including Virgin Islands and American Samoa, and interim State awards (65 FR 25167). Information

stating that other awards may also be made to authorized entities in Guam, the Commonwealth of the Northern Mariana Islands, and the freely associated States, was inadvertently omitted from this section. In addition, the notice contained a "chart" that provided closing dates and other information regarding the transmittal of applications for the Fiscal Year 2000 competitions. This notice will correct the "Estimated Project Awards" section and the "chart" (65 FR 25170) by including the following information, "Awards may also be made under the Parent Training and Information Centers competition (CFDA 84.328M) to authorized entities in Guam, the Commonwealth of the Northern Mariana Islands, and the freely associated States. However, maximum funding levels have not been specified."

Note to applicants: Potential applicants should consult the statement of the final priority published on April 28, 2000 (65 FR 25156) to ascertain the substantive requirements for their applications.

Correction

1. In the **Federal Register** of April 28, 2000 (65 FR 25167), in the third column, after the listing "New York (Interim Awards)—\$339,800" correct the "Estimated Project Awards" section by adding the following paragraph to read:

Awards may also be made under the Parent Training and Information Centers competition (CFDA 84.328M) to authorized entities in Guam, the Commonwealth of the Northern Mariana Islands, and the freely associated States. However, maximum funding levels have not been specified.

2. In the **Federal Register** of April 28, 2000 (65 FR 25170) correct footnote 1 of the chart to read as follows:

The Assistant Secretary rejects and does not consider an application that proposes a budget exceeding the amount listed for any single budget period of 12 months. Awards may also be made under the Parent Training and Information Centers competition (CFDA 84.328M) to authorized entities in Guam, the Commonwealth of the Northern Mariana Islands, and the freely associated States. However, maximum funding levels have not been specified.
