Note: This article was revised to contain Web addresses that conform to the new CMS web site and to show they are now MLN Matters articles. All other information remains the same.

Provider Types Affected

ASCs providing services to Medicare beneficiaries and billing Medicare carriers or fiscal intermediaries (FIs) for those services

Provider Action Needed

Be aware of the ASC HCPCS codes that are being added to and deleted from the ASC list, effective January 1, 2006.

Background

The Centers for Medicare & Medicaid Services (CMS) is updating the ASC HCPCS codes list as a result of changes in the American Medical Association (AMA) Physician's Current Procedural Terminology (CPT) for 2006.

Note: These code changes will not be published until after the AMA's 2005 CPT-4 codes are published, which usually occurs by November 1, 2005.

Implementation Date

The implementation date is January 3, 2006.

Additional Information

For complete details, please see the official instruction issued to your carrier/FI regarding this change. Attachment A of that instruction (CR4082) is included below and it contains the ASC list of both HCPCS deletions and additions, effective January 1, 2006.
