ID: 2723 - A title has not been entered yet

Submitted by: Dan Levish, Technical Service Center, D-8530, 303.445.3175, dlevish@do.usbr.gov

I. General Information

<p>A. Title (250 character limit including spaces) Help Update Title Enter a title and then click "Update Title".</p>
<input type="text" value="A title has not been entered yet"/>
<p>B. State the question your R&D would answer. Help (Please do not disclose any potential intellectual property in this section. See Section I.F below. 1000 character limit including spaces) Click Add or Edit Text to begin.</p>
<p>C. R&D Focus and Output Areas Help Detailed Description of Output Areas Update Output Area</p>
<input type="text"/>
<p>D. Proposed Start and Completion Years Help Update Years Select proposed start and completion years, then click "Update Years".</p>
Proposed Start Year FY: <input type="text" value="2006"/>
Proposed Completion FY: <input type="text" value="2006"/>
<p>E. Type of Proposal (pick one) Help Update Type It is VERY IMPORTANT that you read all the instructions for this section. Once you have read the instructions, select the type of proposal you are submitting, then click "Update Type".</p>
<p><input type="checkbox"/> Scoping or Formulation (Should not exceed \$10,000 to \$15,000)</p> <p><input type="checkbox"/> Conducting research and development.</p>
<p>F. Security and Intellectual Property Alert: If Sections II and/or III below contain information that could be considered propriety or potentially patentable please check "yes" below. Be sure to note that if you check "yes", reviewers of your proposal will sign a non-disclosure agreement. The Title and R&D Question, Sections I.A and I.B, will not be protected and should be worded such that potential intellectual property is not disclosed. Help Update Alert Make a choice below, then click "Update Alert".</p>

B. No.	Proposed Steps To Produce the Research End Products Outputs listed in Section II (Each Task description is limited to 400 characters but there is no limit on the number of tasks you can enter.)	Requested S&T Budget for Each Step	Scheduled Completion Date	Add New Step
Total Funding		\$0.00		

IV. Fiscal Year S&T Program Funding Request

To start building a table that lists the funding, click [Add New Fiscal Year](#). For each additional year, click [Add New Fiscal Year](#) again. Adding funding will automatically update this table. [Help](#)

Fiscal Year	Funding Requested	Add New Fiscal Year
Total Requested S&T Funding	\$0.00	

Note: Once a multiyear proposal is funded, it will be evaluated each year for the merit of continuation of funding. Accomplishing prior year tasks will be a key consideration. Commitment of funding other than current year is subject to appropriations.

V. Partners - Cost-Sharing With Others Who Have A Stake in This Effort

Enter a list of cost share partners in your R&D. By entering a partner below you are affirming that person has been briefed on this R&D proposal and has agreed to cost-sharing. The Research Office may contact partners for further information. To start building a table that lists the partners, click [Add New Partner](#). For each additional partner, click [Add New Partner](#) again. [Help](#)

No.	Partner First Name	Partner Last Name	Organization	Phone	E-mail	Firm or Potential	Inside or Outside	Add New Partner
-----	--------------------	-------------------	--------------	-------	--------	-------------------	-------------------	---------------------------------

You must add the partner above before you describe the contribution below.

No.	Partner Last Name	Description of Partner Contribution	Cash / IKS	Year	Projected Contribution Value	Add New Cntrb
-----	-------------------	-------------------------------------	------------	------	------------------------------	-------------------------------

VI. Advocates - List Reclamation Managers, Other Stakeholders, and Project Output Beneficiaries That Advocate this Proposed Effort

Enter a list of advocates for your research. By entering an advocate below you are affirming that person has been briefed on this R&D proposal and indeed advocates it. The Research Office may contact advocates for further information. To start building a table of advocates, click the [Add New Advocate](#) link. For each additional advocate, click [Add New Advocate](#) again. [Help](#)

First Name	Last Name	Title	Organization	Phone	Email	Add New Advocate
------------	-----------	-------	--------------	-------	-------	----------------------------------

VII. Research Beneficiaries and R&D Locations

A. Primary Research Beneficiaries

It is important to read the instructions in the "Help" link before completing this section. Select the region(s) that are the initial or primary benefactor of your proposed R&D. [Help](#)

Region 1	Region 2	Region 3
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

[Update Region](#)

B. R&D Location

Indicate whether your R&D is field, office, or laboratory based. If your R&D is field based, select the Reclamation Area Office whose boundaries include the area of your fieldwork. Also for field based R&D, list the primary field contact. [Help](#)

Field/Office/Lab Based	Area Office	Primary Field Contact	Add New Location
------------------------	-------------	-----------------------	----------------------------------

C. NEPA Compliance Contact

Applies to field-based proposed R&D. A Categorical Exclusion Checklist, or other appropriate NEPA document or permit, must be completed before field activities begin. Who is, or will be, responsible for completing a Categorical Exclusion Checklist or other NEPA compliance document? [Help](#) [NEPA Compliance Overview](#)

First Name	Last Name	Organization	E-mail	Location of NEPA Document	Enter NEPA Compliance Contact Information
------------	-----------	--------------	--------	---------------------------	---

VIII. Project Team

List the team members that would participate in the proposed R&D. To add rows for additional project team members, click the Add New Member link. [Help](#)

First Name	Last Name	Discipline/Speciality	Organization	Phone	E-mail	PI	Add New Member
------------	-----------	-----------------------	--------------	-------	--------	----	--------------------------------

IX. Potential Technical Reviewers

Enter the names and contact information for three technical reviewers outside of Reclamation that are qualified to review your research proposal. Please enter a list of keywords that describe the expertise of the potential technical reviewer. To add rows for additional potential technical reviewers, click the Add New Reviewer link. [Help](#)

First Name	Last Name	Field of Technical Expertise	Key Words Associated with Potential Reviewer's Expertise	Affiliation	Phone	E-mail	Add New Review
------------	-----------	------------------------------	--	-------------	-------	--------	--------------------------------

X. Comments and Additional Information

<p>Comments and Additional Information Help Add or Edit Text</p> <p>Use this space to provide any additional information regarding this proposed effort (4000 characters limit including spaces)</p>

XI. Team Qualifications
