

(e) A description of how the State reached out to a broad cross-section of individuals and organizations to obtain their participation in the development of the State plan, including a discussion of the types of organizations and individuals who were actually involved in the process and the manner and extent of their involvement; and

(f) Such other information as the Corporation may reasonably require.

**§2513.40 How will the State Plans be evaluated?**

State plans will be evaluated on the basis of the following criteria:

(a) The quality of the plan as evidenced by: (1) The development and quality of realistic goals and objectives for moving service ahead in the State;

(2) The extent to which proposed strategies can reasonably be expected to accomplish stated goals;

(3) The extent of input in the development of the State plan from a broad cross-section of individuals and organizations including community-based agencies; organizations with a demonstrated record of providing educational, public safety, human, or environmental services; residents of the State, including youth and other prospective participants, State Education Agencies; traditional service organizations; and labor unions;

(b) The sustainability of the national service efforts outlined in the plan, as evidenced by the extent to which they are supported by: (1) The State, through financial, in-kind, and bipartisan political support, including the existence of supportive legislation; and

(2) Other support, including the financial, in-kind, and other support of the private sector, foundations, and other entities and individuals; and

(c) Such other criteria as the Corporation deems necessary.
