

§ 2102.3

the Commission members may convene away from the Commission's offices to make inspections at the site of a proposed project or at the location of a mock-up for the project and may then and there reach its conclusions respecting such project which shall be recorded in the minutes of the meeting held on the same day or, if none was then held, in the minutes of the next meeting.

§ 2102.3 Public notice of meetings.

Notice of each meeting of the Commission shall be published in the FEDERAL REGISTER.

§ 2102.4 Public attendance and participation.

Interested persons are permitted to attend meetings of the Commission, to file statements with the Commission at or before a meeting, and to appear before the Commission when it is in meeting, provided that an appearance is germane to the functions and policies of the Commission and to the matter or issues then before the Commission, and if the presentation or argument is made in a concise manner, within reasonable time limits and avoids duplicating information or views already before the Commission. A decision of the Chairman as to the order of appearances and as to compliance with these regulations by any person shall be final unless the Commission determines otherwise.

§ 2102.5 Records and minutes; public inspection.

A detailed record of each meeting shall be made and kept which shall contain copies of all written, printed, or graphic materials presented. The Secretary shall have prepared minutes of each meeting which shall state the time and place it was held and attendance by Commission members and staff and which shall contain a complete summary of matters discussed and conclusions reached and an explanation of the extent of public participation, including names of persons who presented oral or written statements; and he shall send a copy to all members of the Commission for their approval. Subsequent to such approval, the minutes shall be certified by the Secretary.

45 CFR Ch. XXI (10-1-07 Edition)

The minutes and any completed reports, studies, agenda or other documents made available to, or prepared for or by, the Commission shall be available for public inspection and, at the requesting party's expense, for copying at the offices of the Commission.

Subpart B—Procedures on Submissions of Plans or Designs

§ 2102.10 Timing, scope and content of submissions for proposed projects involving land, buildings, or other structures.

(a) A party proposing a project which is within the purview of the Commission's functions under § 2101.1 (a), (b), or (c) should make a submission when concept plans for the project are ready but before detailed plans and specifications or working drawings are prepared. In order to assure that a submission will be considered at the next scheduled meeting of the Commission, it should be delivered to the Commission's offices not later than ten (10) working days before the meeting; if it is a project subject to review first by the Georgetown Board, not later than ten (10) working days before the Georgetown Board meeting. The Commission will attempt to consider a submission which is not made in conformity with this schedule, but it reserves the right to postpone consideration until its next subsequent meeting.

(b) (1) Each submission should state or disclose:

(i) The nature, location, and justification of the project, including any relevant historical information about the building or other structure to be altered or razed;

(ii) The identity of the owner or developer (or for public buildings, the governmental unit with authority to approve or act upon the plans) and of the architect;

(iii) The functions, uses, and purpose of the project; and

(iv) Other information to the extent it is relevant, such as area studies, site plans, building and landscape schematics, renderings, models, depictions or samples of exterior materials and
