

Jordan River Hatchery Friends Hold Executive Committee Meeting

On April 19, 2006, the Friends of the Jordan River NFH met in order to finalize by-laws, decide on dues, brainstorm on membership drives etc. Friends Group President Bob MacCord brought the meeting to order at 6:30pm. Treasurer Peg Myers put forth a motion to adopt a 2.5 mile section of the North Country trail adjacent to the hatchery grounds for cleans up and care. The motion was passed unanimously. This was their first real action as a group, and forming a partnership with the North Country Trail Association seems like a great way to start. The next meeting is set for May 24 at 6:30pm at the hatchery.
