Jordan River Hatchery Friends Group Holding Annual Meeting

Want to have some FUN? The Friends of the Jordan River National Fish Hatchery will be holding their 1st "Annual" meeting on Wednesday evening October 24th from 7:00 pm to 8:30 pm at the hatchery. The friends are a non profit organization dedicated to assisting the hatchery in advancing the hatchery mission of native species rehabilitation. The friends group supports and develops public education programs and events. The group is striving to educate the public about natural resource conservation, protection and management. The friends group at the hatchery has developed relationships with partner organizations to further this effort. The public is welcome to attend the meeting. The friends of hatchery are seeking those folks who have an interest and desire to work on projects as a group to provide a service to our environment and the people who live in it. The hatchery is located 4 miles north of Alba, Michigan 2 miles west of US 131 on Turner Rd. Please contact friends group President Bob MacCord at 231-824-3026 or Fisheries Biologist Tim Smigielski at 231-584-2461 for further information.
