Note. Because of the lack of census information for all U.S. dependent areas, includes data for only the 50 states, the District of Columbia, and Puerto Rico.

MSA, metropolitan statistical area.

MSA definitions for this report can be found at <http://www.census.gov/population/www/estimates/metrodef.html>.

<sup>a</sup> Reported case counts for the metropolitan divisions do not sum to the MSA total. MSA total includes data from 1 metropolitan division with population of <500,000.

<sup>b</sup> Includes persons whose county of residence is unknown.
