§ 552.5 Bylaws.

(a) *General.* At its first organizational meeting, the board of directors of a Federal stock association shall adopt a set of bylaws for the administration and regulation of its affairs. Bylaws may be adopted, amended or repealed by either a majority of the votes cast by the shareholders at a legal meeting or a majority of the board of directors. The bylaws shall contain sufficient provisions to govern the association in accordance with the requirements of §§ 552.6, 552.6-1, 552.6-2, and 552.6-3 of this part and shall not contain any provision that is inconsistent with those sections or with applicable laws, rules, regulations or the association's charter, except that a bylaw provision inconsistent with §§ 552.6, 552.6-1, 552.6-3, and 552.6-4 of this part may be adopted with the approval of the OTS.

(b) *Form of Filing—(1) Application requirement.* (i) Any bylaw amendment shall be submitted to the OTS for approval if it would:

(A) Render more difficult or discourage a merger, tender offer, or proxy contest, the assumption of control by a holder of a large block of the association's stock, or the removal of incumbent management; or

(B) Be inconsistent with §§ 552.6, 552.6-1, 552.6-2, and 552.6-3 of this part, with applicable laws, rules, regulations or the association's charter or involve a significant issue of law or policy, including indemnification, conflicts of interest, and limitations on director or officer liability.

(ii) Applications submitted under paragraph (b)(1)(i) of this section are subject to standard treatment processing procedures at part 516, subparts A and E of this chapter.

(iii) Bylaw provisions that adopt the language of the model or optional bylaws in OTS's Application Processing Handbook, if adopted without change, and filed with OTS within 30 days after adoption, are effective upon adoption.

(2) *Filing requirement.* If the proposed bylaw amendment does not involve a provision that would be covered by paragraph (b)(1) or (b)(3) of this section and is permissible under all applicable laws, rules, or regulations, then the association shall submit the amendment to the OTS at least 30 days prior to the date the bylaw amendment is to be adopted by the association.

(3) *Corporate governance procedures.* A Federal stock association may elect to follow the corporate governance procedures of: The laws of the state where the main office of the association is located; the laws of the state where the association's holding company, if any, is incorporated or chartered; Delaware General Corporation law; or The Model Business Corporation Act, provided that such procedures may be elected to the extent not inconsistent with applicable Federal statutes and regulations and safety and soundness, and such procedures are not of the type described in paragraph (b)(1) of this section. If this election is selected, a Federal stock association shall designate in its bylaws the provision or provisions from the body or bodies of law selected for its corporate governance procedures, and shall file a copy of such bylaws, which are effective upon adoption, within 30 days after adoption. The submission shall indicate, where not obvious, why the bylaw provisions meet the requirements stated in paragraph (b)(1) of this section.

(c) *Effectiveness.* Any bylaw amendment filed pursuant to paragraph (b)(2) of this section shall automatically be effective 30 days from the date of filing of such amendment, provided that the association follows the requirements of its charter and bylaws in adopting such amendment, unless prior to the expiration of such 30-day period the OTS notifies the association that such amendment is rejected or that such amendment requires an application to be filed pursuant to paragraph (b)(1) of this section.

(d) *Effect of subsequent charter or bylaw change.* Notwithstanding any subsequent change to its charter or bylaws, the authority of a Federal stock association to engage in any transaction shall be determined only by the association's charter or bylaws then in

§ 552.6

effect, unless otherwise provided by Federal law or regulation.

§ 552.6 Shareholders.

(a) *Shareholder meetings.* An annual meeting of the shareholders of the association for the election of directors and for the transaction of any other business of the association shall be held annually within 150 days after the end of the association's fiscal year. Unless otherwise provided in the association's charter, special meetings of the shareholders may be called by the board of directors or on the request of the holders of 10 percent or more of the shares entitled to vote at the meeting, or by such other persons as may be specified in the bylaws of the association. All annual and special meetings of shareholders shall be held at such place as the board of directors may determine in the state in which the association has its principal place of business, or at any other convenient place the board of directors may designate.

(b) *Notice of shareholder meetings.* Written notice stating the place, day, and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not fewer than 20 nor more than 50 days before the date of the meeting, either personally or by mail, by or at the direction of the chairman of the board, the president, the secretary, or the directors, or other persons calling the meeting, to each shareholder of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the mail, addressed to the shareholder at the address appearing on the stock transfer books or records of the association as of the record date prescribed in paragraph (c) of this section, with postage thereon prepaid. When any shareholders' meeting, either annual or special, is adjourned for 30 days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Notwithstanding anything in this section, however, a Federal stock association that is wholly owned shall not be sub-

(c) *Fixing of record date.* For the purpose of determining shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, or shareholders entitled to receive payment of any dividend, or in order to make a determination of shareholders for any other proper purpose, the board of directors shall fix in advance a date as the record date for any such determination of shareholders. Such date in any case shall be not more than 60 days and, in case of a meeting of shareholders, not less than 10 days prior to the date on which the particular action, requiring such determination of shareholders, is to be taken. When a determination of shareholders entitled to vote at any meeting of shareholders has been made as provided in this section, such determination shall apply to any adjournment thereof.

(d) *Voting lists.* (1) At least 20 days before each meeting of the shareholders, the officer or agent having charge of the stock transfer books for the shares of the association shall make a complete list of the stockholders of record entitled to vote at such meeting, or any adjournments thereof, arranged in alphabetical order, with the address and the number of shares held by each. This list of shareholders shall be kept on file at the home office of the association and shall be subject to inspection by any shareholder of record or the stockholder's agent during the entire time of the meeting. The original stock transfer book shall constitute *prima facie* evidence of the stockholders entitled to examine such list or transfer books or to vote at any meeting of stockholders. Notwithstanding anything in this section, however, a Federal stock association that is wholly owned shall not be subject to the voting list requirements.

(2) In lieu of making the shareholders list available for inspection by any shareholders as provided in paragraph (d)(1) of this section, the board of directors may perform such acts as required by paragraphs (a) and (b) of Rule 14a-7 of the General Rules and Regulations under the Securities and Exchange Act of 1934 (17 CFR 240.14a-7) as may be
