AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of receipt of an experimental fishing permit.

SUMMARY: This notice announces receipt of an application from John Gauvin, Groundfish Forum, Inc., for an Experimental Fishing Permit (EFP). If awarded, this permit would be used to develop a device for flatfish trawls that may lower halibut bycatch rates without significantly lowering catch rates of target flatfish species. It is intended to promote the objectives of the Fishery Management Plan (FMP) for Groundfish of the Gulf of Alaska.

ADDRESSES: Copies of the EFP application are available by writing to Steven Pennoyer, Administrator, Alaska Region, NMFS, P.O. Box 21668, Juneau, AK 99802, Attn: Lori Gravel.

FOR FURTHER INFORMATION CONTACT: Susan Salvesson, 907-586-7228.

SUPPLEMENTARY INFORMATION: The FMP and its implementing regulations at 50 CFR part 679.6 authorize issuance of EFPs to allow fishing that would otherwise be prohibited. Procedures for issuing EFPs are contained in the implementing regulations. NMFS received a permit request from the applicant on May 15, 1997, that, if approved, would be used to develop a device for flatfish trawls that may lower halibut bycatch rates without significantly lowering catch rates of target flatfish species.

In accordance with regulations, NMFS has determined that the proposal warrants further consideration and has initiated consultation with the North Pacific Fishery Management Council (Council) by forwarding the application to the Council. The Council will consider the EFP application during its June 10-15, 1998, meeting which will be held at the Grand Aleutian Hotel, Dutch Harbor, Alaska. The applicant has been invited to appear in support of the application if the applicant desires.

A copy of the application is available for review from the NMFS Regional Administrator (see **ADDRESSES**).

The Department's recovery of funds followed the SEA's issuance of a final letter of determination dated April 10, 1996 to Roswell Independent School District (RISD) requiring the return of \$62,957.83, which was subsequently sent to the Department on June 11, 1996.

SUPPLEMENTARY INFORMATION:

A. Background

The Department has recovered \$62,957.83 from the New Mexico SEA in satisfaction of claims arising from an audit of Roswell Independent School District (LEA) covering fiscal years (FY) 1993 and 1994.

The claims involved the LEA's administration of Chapter 1 of Title I of the Elementary and Secondary Education Act of 1965, as amended in 1988, a program providing financial assistance to State and local educational agencies to address the special educational needs of educationally deprived children in areas with high concentrations of children from low-income families (Chapter 1). Specifically, the audit determinations, made by an independent auditor acting under the Single Audit Act of 1984 and upheld by the SEA, found that for FY 1993, \$30,769.72 representing partial salaries of six associates at Washington Avenue Elementary was allocated to the Chapter 1 program. However, the LEA

did not maintain appropriate time distribution records to support the allocation. Also, for the following FY 1994, \$32,188.11 representing partial salaries of six associates at Washington Avenue Elementary was allocated to the Chapter 1 program. In this instance, only the August and September time distribution reports were available. The auditors found that no additional time and attendance reports were maintained during the year demonstrating the actual time that staff spent on Chapter 1 activities. In the absence of appropriate support documentation to substantiate the salaries and wages chargeable to the Chapter 1 program, as required by Office of Management and Budget Circular A-87, "Cost Principles for State and Local Governments," the SEA required the LEA to reimburse the Federal Government in the amount of \$62,957.83 for both audited years.

B. Authority for Awarding a Grantback

Section 459(a) of GEPA, 20 U.S.C. 1234h, provides that whenever the Secretary has recovered program funds following a final audit determination, the Secretary may consider those funds to be additional funds available for the program and may arrange to repay to the SEA or LEA affected by that determination an amount not to exceed 75 percent of the recovered funds. The Secretary may enter into this grantback arrangement if the Secretary determines that the—

(1) Practices or procedures of the SEA or LEA that resulted in the audit determination have been corrected, and the SEA or LEA is, in all other respects, in compliance with the requirements of the applicable program, provided that the SEA or LEA was notified of any noncompliance with such requirements and given a reasonable period of time to remedy that noncompliance;

(2) SEA has submitted to the Secretary a plan for the use of the funds to be awarded under the grantback arrangement that meets the requirements of the program, and, to the extent possible, benefits the population that was affected by the failure to comply or by the misexpenditures that resulted in the audit exception; and

(3) Use of funds to be awarded under the grantback arrangement in accordance with the SEA's plan would serve to achieve the purposes of the program under which the funds were originally granted.

C. Plan for Use of Funds Awarded Under a Grantback Arrangement

Pursuant to section 459(a)(2) of GEPA, the SEA has applied for a grantback of \$47,218—75 percent of the principal
